Beloved,

*"GOD IS LOVE".*

Whenever someone desires or needs the help and assistance of another person,  
we delicately attune emotions,  
so that even the hardest of hearts melt,  
and assistance is offered.

Divine Providence has given us the responsibility to strengthen the love-will,  
electro-magnetic,  
bonds between the children of God,  
and all beings,  
so that harmonious co-operation flows and beautiful patterns form.

Behind the appearance of the many is the ONE,  
which is the unified field of energy which forms the web of life and the  
body of  
Divine Consciousness.

Will and Love together are the divine electro-magnetic sustaining life  
force between the unified field and the individual.

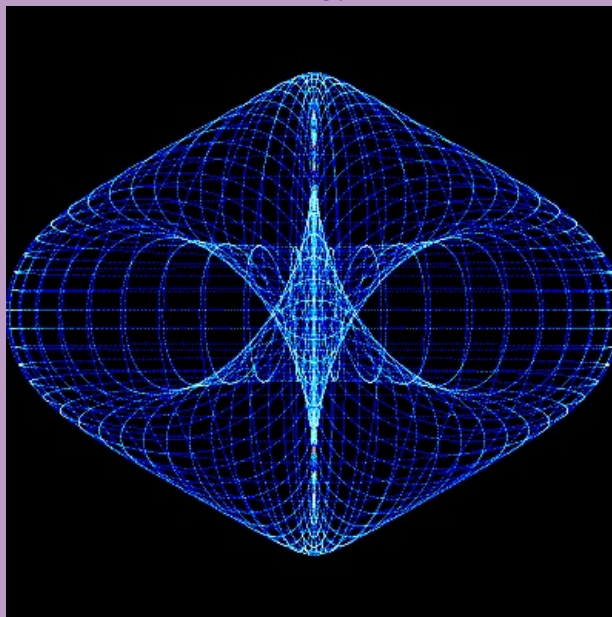

We bring forth beautiful emotions that allow the children of God to  
change any situation into one of healing and enlightenment.

**With our help, the most hardened criminals, the most cruel tyrants, remember and feel the spark of childhood innocence and the love of the Divine that burns within their hearts and keeps them alive with each breath.**

**With this remembrance comes the opening of the gates of compassion and oneness, and the restoration of harmony and love.**

**As individuals grow strings of love and harmonious will with other individuals, the energy manifests in perfect symmetrical designs within the web of life.**

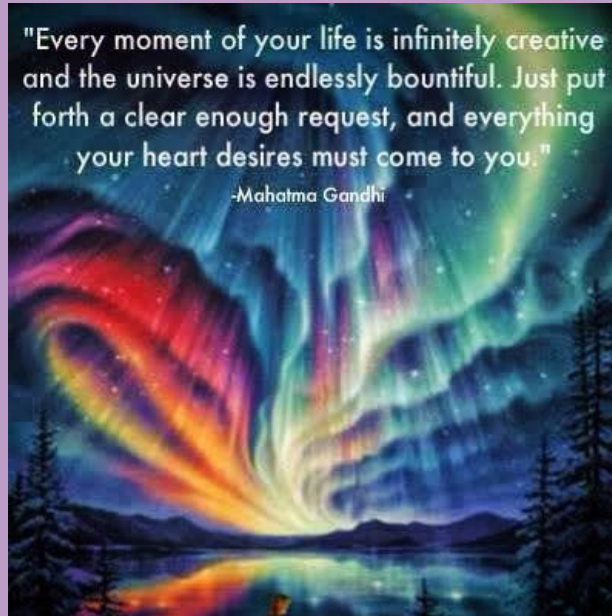

**This is the source of mandala -like patterns, such as found in snowflakes, that reflect the perfection of Divine Consciousness.**

**Divine Will for the highest good of all creates emotions of love and harmony that attract into form these beautiful patterns.**

**These patterns create vortexes of magnetism, which attract abundant life.**

**"Every moment of your life is infinitely creative and the universe is endlessly bountiful. Just put forth a clear enough request, and everything your heart desires must come to you."**

**-Mahatma Gandhi**
