Angels

of

E-B-V-E-P

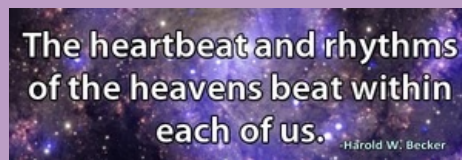

11th Day of Lunar Cycle

Beloved,

**When Divine Providence ordains that it is necessary
for a child of God to impress others
to gain respect,
we bring about powerful and mystical phenomena.**

**These phenomena create
fear and trembling
in non-initiates
who witness them.**

**Many unusual sounds and events are happening now,
to alert the children of light
that long known changes in reality
are occurring
in this time.**

"The second coming will be like the sun, rising from the east to the west."

**Remember that Moses manifested a snake out of his walking stick in
order
to impress
Pharaoh to "*let his people go*".**

**There are times when measures of
a mystical nature must be taken in order to gain the necessary
respect of others for the purpose of World Service.**

**We teach those who contact us to manifest divine changes
themselves through powerful flowing tangible divine feelings and
emotions
and the transference of these to others.**

By staying in the ground awareness of unity with all there is, with the ground intention for the highest good of all, mystical powers and beings naturally contribute whatever is necessary in any situation.

Being and intention causes thoughts.

Thoughts cause emotions.

Flowing emotions are magnetic powers that change matter, and also change psychoactive chemical make-ups of everyone involved.

Flowing emotions determine which possibilities manifest, out of infinite possibilities in the quantum field.

Flowing emotion comes from concentration on an idea or visual image and the intent to manifest it.

"As above, so below."

The musical notes associated to our name are:

D ~ A ~ G ~ D ~ B.

**Just as there are physical beings that inhabit the physical world,
so are there beings of strong flowing emotions who inhabit the
emotional or astral world, beings of thought who inhabit the mental
world,
and beings of intent who inhabit the world of will.**

**The Angels of the Moon Sphere control the emotional
world and all beings of the emotional world.**

**The more powerful beings of the emotional world
are capable of creating magnetic states that
result in amazing and magical changes in matter.**

**These beings are assigned to help the children of God
when they must impress others in order to gain respect.**

**This is done when it is for the highest good of all
concerned, under the approval of Divine Providence.**

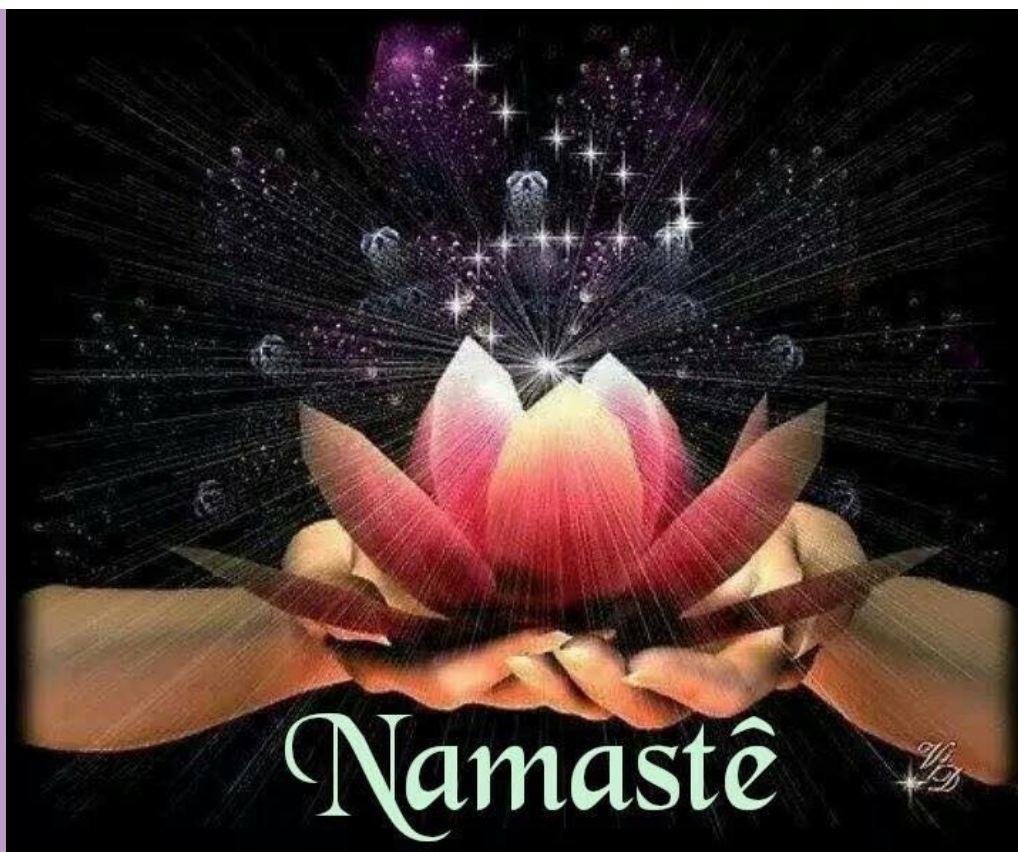

**On the 11th day of the 28-Day Moon Cycle, we radiate our
presence to the children of God and all sentient beings, so
that they flow with emotions of unity with ALL, and know that
they are not alone, and KNOW that help is as close as
a prayer, even in the most difficult situations.**

**In this way, on the 11th day of the moon cycle,
the children of God pray for the help that they need
in order to manifest Heaven on Earth.**

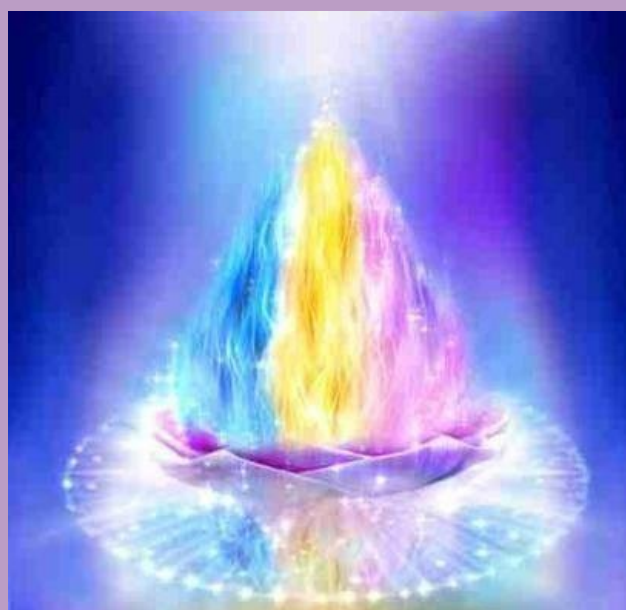

"Ask and ye shall receive."

**We have the power to alter any situation
and change the perception of any situation.**
