Beloved,

We teach the children of God how to control negative beings of the feeling worlds through the power of gratitude and unconditional all-encompassing love, and the Law of One.

"Give thanks for all things, for that is my will concerning you."
"All things work for good for those who believe."

All beings, both positive and negative are loved equally by the Creator.

"God's love is like the sun, it shines equally on the good and the bad alike."

All things were created for a purpose.

Polarity is necessary for creation to exist:
hot and cold,

**big and small,
past and future,
negative and positive.**

**In the presence of negative beings and situations,
we teach how to remain in states of flowing divine love,
instead of fear,
which gives control over all beings when combined with the Law of One.**

True dominion over creation is the birthright of the children of God.

**Nowhere is this more clearly demonstrated than when negative beings
of
the feeling realm are commanded with the Law of One and love, instead
of feared,
resisted, used for selfish purposes, or acted out destructively.**

**The Law of One is the original law of creation, and all other laws come
from it.**

**Being the original law, the Law of One overrides all lesser laws.
It is encoded in the life force of every created being.**

**When a child of God chooses love, instead of fear,
in relating to negative beings of the feeling world,
the utterance of the Law of One
brings about instantaneous ripples of change in the Web of Life, so that
no one is hurt and all are helped.**

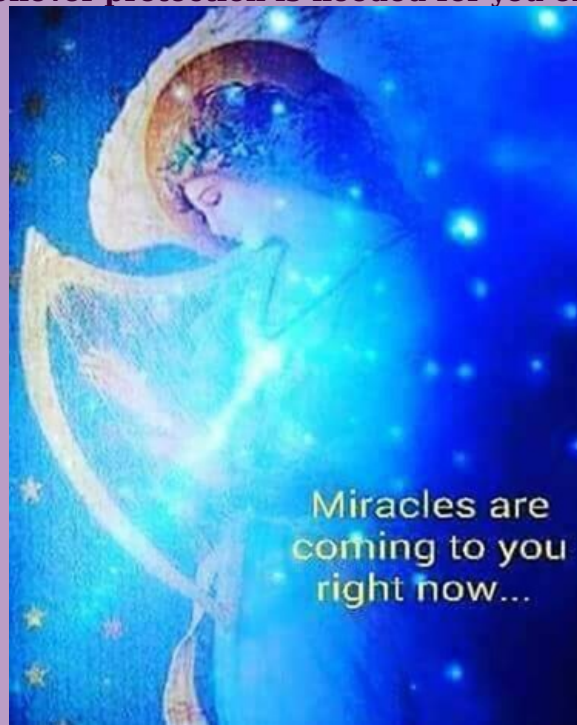

"Judge not."

"Love conquers all."

**This is the Law of One, memorize it so thoroughly,
that you speak it even in dreams.**

Use it whenever protection is needed for you or for others.

**This law can be invoked for any situation, large or small, near or far,
past, future, or present,
in self or others.**

It overrides all other laws, including civil and social.

**Summon ALL beings, visible and invisible, known or unknown to you,
that are involved, and say to them:**

**"Thank you for coming. Thank you for who you are, and what you do.
But be who you are, and do what you do,
only in the way that is the highest good of all concerned."**

Then give them the Law of One:

The Law of One

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of Who I AM;

**and I AM one with all there is,
I ASK THAT ONLY THE HIGHEST GOOD OF ALL CONCERNED
HAPPEN.**

And I give thanks that this is done.

So be it.

And so it is.

When this law is spoken out loud or even in the silence, remembrance is sudden and swift in all beings, negative and positive.

**This law activates Universal Consciousness itself,
and all the powers act
together to bring about the highest good of all.**

Use this law often.

Use it retroactively or proactively, in the past, present, or future.

You may also ask us to invoke this law.

**Meditate on the divine virtues associated with the letters of our name,
and call on our help, to realize the following:**

so that the ONE BEING is perceived through outward
appearances.**

and the secret of rhythms of emotion,
by which the dead can be brought back to life and
the living can be brought to decay.**

O...We inspire poise that is brought about by unimpeachable judgement

and oneness with the virtue of justice, and the ability to bring about any situation on any level.

T...We teach the child of God, through true communion and inspiration from and with Divine Consciousness, how to control feelings to such an extent that both mastery over all the elements and any miracle is possible.

A...We awaken the enlightened mind, that is one with the original purity of Divine Mind.

umlaut A, ae... We give mastery over passion and attachment on all levels, the ability to let go whatever is imperfect, and thereby give control over negative beings.

S...Through feeling the virtue of all-penetrating-power, true clairvoyance and the gift of prophecy is attained.

umlaut A, ae...we help release any condition which is harmful for change into whatever is the highest good of all.

We offer protection when we are called.

On the 16th day of every 28-Day Moon Cycle we flood the earth with feelings of protection and security, so that the children of God know how to feel safe and create a world of joy.
