## *The Moon Angels of Politics*

Angels  
of

***E-N-E-Y-E***

8th Day of Lunar Cycle

Beloved,

We assist all diplomats and politicians who  
espouse high ideals of peace, truth, and justice.

We are heavenly hosts of peace.

We oversee all political and diplomatic events,  
and make sure that at the end,  
the negative never gets the upper hand,  
and all works together so that divine happiness is the final result.

"Life, liberty, and the pursuit of happiness."

**We inspire the understanding of the original Law of Creation.**

**The Law of One is the original law of Creation,  
and is the supreme Law over all laws in all dimensions.**

### **THE LAW OF ONE**

**We are all one.  
/When one is harmed, all are harmed.  
When one is helped, all are helped.  
Therefore, in the name of who I AM,  
and I am one with all there is;  
I ask that only THE HIGHEST GOOD OF ALL CONCERNED happen.  
I give thanks that this is done.  
SO BE IT!  
So it is.**

**With our help a diplomat or politician  
'can win any fight, any war,  
in a way that is the highest good'.**

**We teach this through the mastery of flowing emotions, especially  
mastery of flowing emotions of supreme happiness,  
which reveals solutions to any problems.**

**Emotions of joy and happiness cause chemical changes in the human  
body  
that awaken genius to solve any problem.**

**Happiness is  
awareness  
of  
ONENESS WITH ALL**

in the rhythms and cycles of life.

The mastery of flowing tangible feelings and emotions gives mastery  
over magnetic powers  
of  
attraction.

Emotions determine which realities manifest out of the infinite  
potentials of the quantum field of energy.

Fearful emotions attract fearful situations.

*"Lo, what I fear has come upon me."*

Happy emotions attract happy situations.

*"I have not given you the spirit of fear, but of joy, and life everlasting."*

By flowing with divine happiness that is brought about by awareness of  
oneness with divine being,  
and all creation,  
new realities that are necessary for the highest good

of all  
are constantly attracted on every level.

*"All that I do, ye shall do and more."*

By meditating on the divine virtues associated with the letters  
of our name, and calling on our help, the following is gained:

**E-N-E-Y-E**

**E**

Through the experience of omnipresence,  
we teach the perception of past, present, and future events.

**N**

We inspire the drive for self-preservation, and the enjoyment of  
a state of absolute freedom and independence of emotions.

**E**

We confer the understanding of the language of everyone and of all  
animals.

**Y**

We teach the children of God to know, through observing which  
emotions are flowing  
in the cycles and rhythms of life,  
how to prophecy accurately and know the fate of any person, being, or  
creature.

**E**

We teach perfect control over the flowing  
emotions of all people, beings, and animals.

On the 8th day of each 28-Day Moon Cycle we flood the Earth with

**flowing emotions of peace, truth, and justice, so that conflicts are resolved in a diplomatic way and Heaven manifests on Earth.**
