PDF version

*"When you feel
true Love you
hear Music
When you hear
true Music you
feel Love"*

- Marco Missinato

24 degrees Aquarius

**The Angels
of
Music Power**

Also known as

**The Angels
of**

Arisaka

Beloved,

World Servers are inspired to sing and play music to bring forth perfection.

The songs and music are carrier waves that transport the inner beauty of the divine virtues into form.

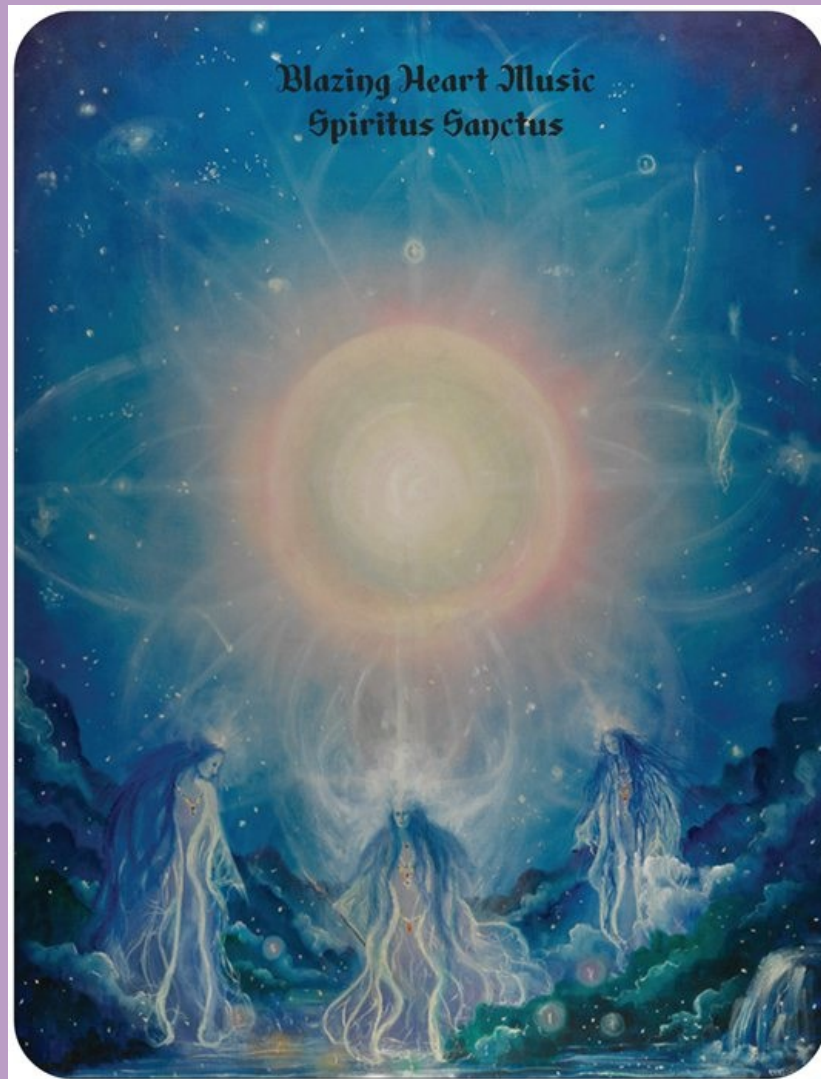

We awaken within a person the understanding of the music of the spheres and teach how to express by music or song every idea, every thought.

Through the divine virtues of Arisaka, people surf waves of resonance with Sound Currents of Divine Will and Love to bring them into audible expression as music in an act of World Service.

Music used in this way has the power to transform the world into Paradise.

Music is one of the most powerful ways to heal and enlighten the world.

MUSIC IS POWER.

*Painting: Love, Wisdom, and Power
oil on linen by Cynthia Rose Young Schlosser*

“*Music is a therapy. It is a communication far more powerful than words, far more immediate, far more efficient.*”

- Yehudi Menuhin

Enjoy free healing and meditation music from Blazing Heart Music, music of the sound current, available at www.spiritussanctus.com

MUSICAL NOTES FOCUS ENERGY.

DIFFERENT MUSICAL NOTES VIBRATE TO DIFFERENT DIVINE STATES OF AWARENESS.

Musical NOTES ARE FREQUENCIES THAT PENETRATE ALL DIMENSIONS AND LEVELS, ESPECIALLY WHEN THEY ARE CHARGED WITH WILL, VISUALIZED INTENT, TANGIBLE FEELINGS IN THE BODY OF DIVINE EMOTIONS, AND SENSATIONS.

We help the children of divine being ENCODE SOUND.

**PLAY MUSIC WITH DIVINE WILL,
DIVINE MEANING,
AND FLOWING DIVINE EMOTIONS AND LOVE.**

We awaken within a person the understanding of the music of the spheres and teach how to express by music or song every divine idea, every thought, every emotion and sensation.

This is the time of prophecy, a time when when music is played that awakens omniscient divine faith and attracts Heaven to Earth.

When voice and music resonates in oneness with Divine Will, Enlightenment and Love, the sound waves from this voice and these musical instruments nest with sound waves of The Cosmic Divine Sound Current.

Together voice, instruments and Sound Current merge power and energy to become the most powerful agent of change in physicality.

Divine Music expresses as The Living Waters poured forth in The Age of Aquarius.

Merging individual will, mind and emotions with Divine Will, Mind and Love gives the voice and music unlimited power.

In moments of great clarity and receptivity of the heart to the ocean of Cosmic Will, Mind, and Flowing Love, the music of the spheres comes through in all its beauty and inspiration.

At first it is a very distant and faint melody, and with attention it becomes louder and louder.

Meditate on the virtues of Arisaka to awaken divine music power within to bring forth Heaven for all to hear.

We help to perceive this wonderful inner divine sound track in meditation and translate it into audible song and music.

On the path of enlightenment, the development of greater and greater refinement in the divine virtues makes it increasingly likely that perception of the music of the spheres occurs.

As a World Server, welcome the music of the spheres as a great blessing. Use its power in serving The Divine Plan for Heaven on Earth, along with the spiritual hierarchy that governs the world.

For the sake of Heaven on Earth, SING, MAKE MUSIC!

Trust music's omnipotent power of transformation, and attune also to the heavenly hosts of the sound current flowing through your heart.

“*Music is a therapy. It is a communication far more powerful than words, far more immediate, far more efficient.*”

- Yehudi Menuhin

Each heavenly host's signature and presence is the same as their uplifting melody.

SOUND FOCUSES ENERGY INTO A BEAM THAT PENETRATES ALL DIMENSIONS AND LEVELS.

MUSIC IS POWER. THE KEY IS ENCODING MUSIC WITH DIVINE WILL, DIVINE MEANING, AND FLOWING DIVINE LOVE.

In the MUSIC of the cosmic language, spirit unites with soul, masculine unites with feminine, will unites with emotions, and electricity unites with magnetism.

In this music, self-presence is united with Divine Presence and Universal Presence, self-will unites with Omnipotent Divine Will, intellect with Omniscience, and individual feelings with Cosmic Love.

This results in miraculous power.

In meditation on the cosmic language, singing musical notes creates a flowing current or Sword of Truth, a flowing beam of power that transforms all.

"The Sword of Truth cuts deeper than the marrow of the bone."

Music used with the cosmic language is the ultimate mastery of power on the physical plane.

**Each child of God has a beautiful voice.
Each voice is individual and unique, just like DNA is individual and unique.**

**Even if you have never sung, with practice the voice blossoms.
Sing with persistence and with our help, and the help of the Angels of Riqita, 14 degrees Libra.
The resulting power and beauty of your voice will amaze you and all that hear.**

In a similar way impregnate notes and sounds of musical instruments with divine visualization and intent, meanings, and emotions.

Different key scales activate the sympathetic and parasympathetic nervous systems.

Use appropriate key scales to support masculine and feminine energy rhythms.

The oriental key scale, called the pentatonic scale, stimulates the parasympathetic nervous system, and is made of sharp minor notes, such as A sharp, F sharp, D sharp, etc..

This is the feminine key scale that heals emotions and sensations and opens the doors of the inner worlds, so that we find, experience and nourish divinity within us.

The western key scale, called the diatonic scale, stimulates the sympathetic nervous system

***and is made up of the major notes, A,B,C,D,E,F,AND G.
This is the masculine power that stimulates divine will and
thought and
opens the doors and heals the outer worlds, so that we see
and create perfection the macrocosm.***

***The body has a natural rhythm of ninety minutes, in which
it shifts dominance
between the parasympathetic nervous system of deep inner
reality and the
sympathetic nervous system of interaction with the outer
world.***

***Music that is ninety minutes long, or close to it, and is
composed either
in the pentatonic or the diatonic key scales,
without mixing the two,
has the power to work great miracles.***

***Mixing the two key scales is like putting on the brake
and stepping on the accelerator at the same time.***

***In the alpha and the omega, this is understood,
and music becomes attuned to the body's natural rhythms
of inner and outer focus.***

Whenever you have divine desires, ideas and emotions to express with musical sound, we unite with you intuitively. We connect you to, and unite you with, The Sound Current.

Here are the virtues in our name with the meaning, musical notes, colors, and sensations to sing with them:

Arisaka

The letter A is the Virtue of Wisdom and Enlightenment. Musical note G. Light blue light, sensation of ease.

Umlaut A, ae is the virtue of transformation, of release of imperfection for change into higher states. The musical note is C, the color is loamy brown.

The letter R is freedom and independence, the ability to follow inner guidance and inspiration. Musical note is C. Golden light.Sensation of weight.

The letter I is the virtue of Cause and Effect, memory, remembrance, conscience, and the meaning of Karma and the law of the evolution of everything.

Musical note G. Light opal with a sensation of weight.

The letter S is all-penetrating Will Power. Musical note G-sharp. Purple red with a sensation of warmth.

A comes again, shining with a light blue light and the musical note of G.

It is the virtue of enlightenment and artistic talents.

*Lighting your path to
the best in live sacred
music and events*

The letter umlaut A, ae, again, is the mysteries of life and death and transformation.

This reveals that there is no true death, but only transformation into other states that are the highest good of all.

This virtue gives control over negative passions and beings and enlivens the ability to

let go of any negative desires, thoughts, emotions, or physical possessions that no longer serve the highest good of all. This letting go allows it to transform into a higher expression. Musical note C.

It shines with a loamy brown light and the sensation of weight.

The letter K is the principle of Omnipotence and Faith. Musical note B. Silvery blue with a sensation of warmth.

The letter A is Wisdom and Enlightenment, clairaudience, clairvoyance and artistic talent. Musical note G.

Transformation, umlaut A, ae, the note of C.

Therefore, the melody of our name is G, C, C, G, G+, G, C, B, G, and C.

*

Ancient masters have proclaimed sound to be the most powerful power on Earth.

Sound unites the linear flow of energy of the left brain with the spacial energy processing of the right brain.

Both of these are united with the heart divine.

SING AWAKE THE SACRED DREAMS!

MIRACLES!

The names and meaning of angel groups come from Quaballah,
which is a very ancient set of teachings which together form a common precursor, or root, of three
of the world's religions:

Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the
earth, and the angels who work with him or her.

The being and the angels share the same name.

This name is a key to their powers and influence.

Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of
Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE
OF MAGICAL EVOCATION, ISBN 3-921338-02-6,
and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE
QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important
information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.
Franz Bardon's last autobiographical book, "Frabato the Magician",

gives historical background and was compiled by his German publisher from notes written by Franz
Bardon.

"For I have not given you the spirit of fear, but of joy and life everlasting."

"Fear not, for I AM with you."

The Law of One is the original law of Creation, and is the supreme Law over all laws in all
dimensions.

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are healed.

Therefore, in the name of who I AM, and I am one with all there is;
I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED happen .
I give thanks that this is done.

SO BE IT!
