The Angels of Merriment

Also known as

The Angels

Beloved,

**Merriment is a necessary
and important
form of world service.**

When life is happy,

the chemical output of the glandular system is entirely different than when life is sad.

Sadness causes deterioration and eventually death, for the body feels that life is not worth living.

Happiness, especially supreme divine happiness, leads to anti-aging and youthening, and strengthening of the immune system to the point of seemingly miraculous recovery.

"For I have not given you the spirit of fear, but of joy, and life everlasting."

Creating flowing tangible feelings in the body of emotions of happiness and joy are more important to the cohesion of the world than the uninitiated would believe possible.

Happiness is an emotion that creates cohesion, it is similar to gravity in that respect.

That is why in the Declaration of Independence, it was written:

"...for life, liberty, and the pursuit of happiness...."

Declaration of Independence

Often the wisdom of the heart calls for merriment, relaxation, and joy as an important part of the soul's expression, for self healing and world service.

Bringing about flowing emotions of Supreme Happiness is a most important goal.

Laughter, joy, and relaxation stimulate the body's endocrine and immune systems.

Merriment and emotions of joy are strengthening and anti-aging.

Merry, playful, trusting emotions of delight, of little children and the inner child of adults, are the essence of the emotional creativity of Heaven itself.

"Ye must be as little children to enter the kingdom of heaven."

"On earth as it is in heaven...."

"Make a joyful noise".

***We inspire people to create wonderful music festivals
and all sorts of gatherings with art or dance.***

**We are there when they play interesting games,
share feasts,
create adventures,
or participate in theatre.**

**>From the delights of fun and creativity, spring sounds of laughter
that fill Earth and Heaven with bliss and contentment, wonderment
and love.**

**It has been said that enlightenment requires that
Ye must be as little children to enter the kingdom of heaven.**

Delta, Theta, and Alpha brainwaves are dominant in infancy,

childhood and adolescence, in that order.

These brainwave patterns produce pure being and unity with Divine Being and all creation, alignment with divine will, deep inner divine thoughts, and beautiful emotions respectively.

The Beta brainwaves, which correspond to memory, logic, and the five senses, is dominant from puberty on.

All four states are necessary for enlightenment and creating Paradise.

Times of laughter, pleasure, happiness, and well being allow the Theta and Alpha brainwave states of the creative child, and the emotional or adolescent self, to be dominant for a while.

Times of merriment promote emotions of ease, joy, love, peace, and excitement etc.

The realm of emotions is the realm of divine magnetism.

This is magnetism of flowing divine emotions that ATTRACT new realities into physical manifestation.

That is why, in the time of Heaven on Earth, Earth is a Garden of Eden filled with love, wonder, delight and laughter.

To feel relaxed, happy, uplifted, stimulated, invigorated, inspired, and merry magnetically attracts situations of pleasure and delight!

This is an outcome of the flowing happy joy that Divine Providence intended for Earth.

Happiness is an outcome of the alpha and omega, the time of Paradise.

Spend time in pleasure and merriment whenever your heart desires.

Remember that Heaven and Earth are uplifted by sounds of happiness, laughter, and emotions of delight.

The Unified Field is blessed.

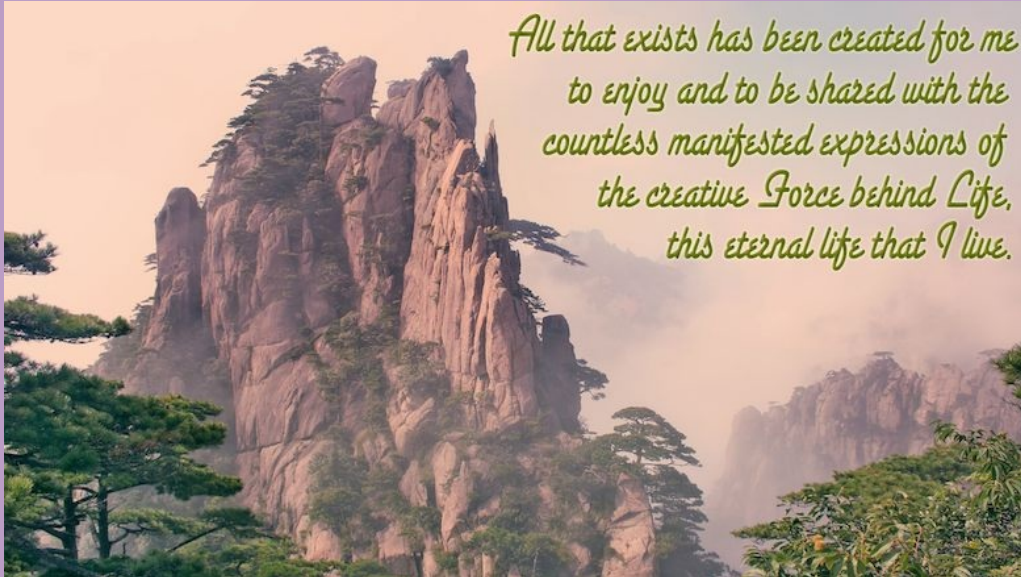

All creatures and living beings are blessed.

A persons soul purpose for right livelihood is revealed through the hearts emotions of joy.

**The choice of profession is simplified by doing by what you love to do
and attracting what makes life fun.**

**When your heart asks for pleasure and joy,
call on us and meditate on the divine virtues of the letters of our name.**

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions:

Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth,

and the angels who work with him or her.

The being and the angels share the same name.

The divine virtues represented by the letters of the name is a key to their powers and influence. Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION,

ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

Feel free to share these messages.

The Law of One is the original law of Creation,
and is the supreme Law over all laws in all dimensions.

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

*Therefore, in the name of who I AM, and I am one with all there is;
I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED happen .*

I give thanks that this is done.

SO BE IT!

So it is.
