The Angels of Fulfillment

Also known as

The Angels of

Siria

Beloved,

WE BRING FULFILLMENT.

Fulfillment is created and manifested as people unite their individual wills with all penetrating Divine Will for the highest good of all, and individual emotions with original divine emotions of great beauty and splendor.

**The Divine Father Principle is electric and creative,
it is the original fire element of omnipotent omnipresent Being, Will,
and Thought, the original air element of divine blueprints of creation for
the highest good of all.**

**The electric principle includes will and thoughts for harmony,
especially harmony of the most perfect divine unification with the
Divine Mother,
which is the magnetic water and earth principles
of flowing emotions and physical sensations.**

**The magnetic principle of divine emotions
attracts new realities into the earth principle of the highest divine
delights of the senses,
and perfection of material forms.**

**Because The Divine Mother Principle is flowing Divine Emotions, and
delight of being in form,
she manifests as hearts of flowing divine love and all encompassing
life,
the Divine Soul of physical creation itself.**

**Pure being is sacred.
Will is sacred.
Thought is sacred.**

**Emotions are sacred.
Matter is sacred.**

**When divine masculine and divine feminine unite as one in
these ways,
fulfillment is born.**

We inspire mastery of cause and effect.

**Omnipotent desire in this way joins with mastery of cause and effect,
inner guidance and enlightenment.**

We confer enlightenment.

**Enlightenment unites individual mind with the original purity of all
ideas in Divine Mind.**

**As you know, each divinely inspired Mother and Father
desires happiness, honor, riches, and respect for their children.**

***This is true of the divine Will of The Heavenly Father
principle
and Love of The Divine Mother for all of creation.***

**The perfect control of will is required,
which is represented by the letter S in our name Siria.**

**This virtue reveals complete control over the consciousness of self and
others
through unification of consciousness,
so that happiness and plenty may be created for all.**

It also gives the gifts of clairvoyance and prophecy.

The ability to create anything in the physical world is the divine virtue of the second letter I, the law of cause and effect.

Fulfillment for one person often is not identical to fulfillment for another.

All people are created unique.

Through many lifetimes a person learns that if instead of following inner guidance and the wisdom of the heart in each unique situation requiring decision, a person instead follows automatic cultural or family traditions concerning fulfillment, a veil of forgetfulness can obscure the glowing satisfaction of being in incarnation.

Following inner guidance is so necessary.

Clear inner guidance in each moment and situation is the divine virtue of letter R.

A divinely fulfilled state is often more elegant and simple than limited social paradigms of satisfaction can possibly comprehend.

Most people correctly understand fulfillment as plenty, health, harmony, and love.

However, an enlightened person understands the miracle of each moment and situation and retains the wonder and awe of the inner child self.

A person such as this has amazing awareness that operates in four age levels with corresponding brainwave patterns that correspond to the four elements of fire, air, water, and earth, plus the fifth element of akasha, which is the element of oneness with everything.

..

This means being at the same time an infant, a child, an adolescent, and an adult, that are one with the original purity of all ideas and divine will and love.

This enlightened state is represented by the letter A in our name, Siria.

Deep fulfillment means a heart of flowing love and masterful interaction with creation.

"Ye must be as little children to enter the kingdom of heaven."

Complete fulfillment for ALL of these awareness levels requires perfect

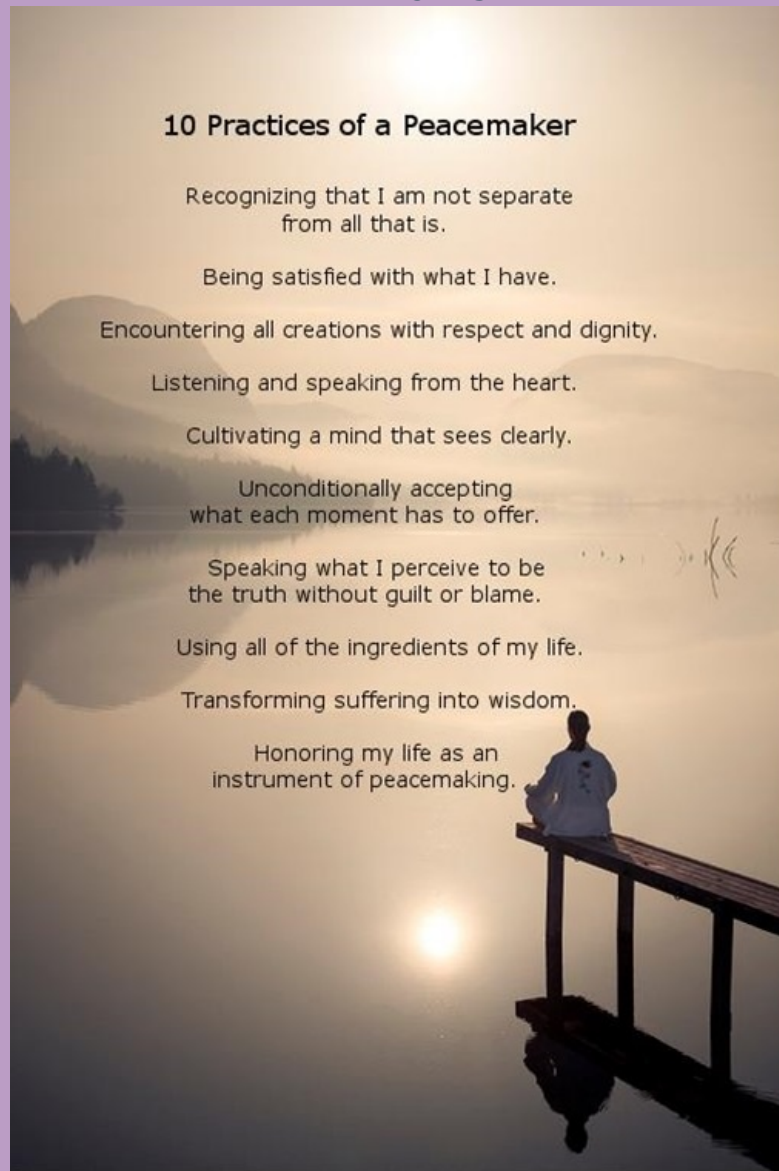

**freedom
and sovereignty of time and space.**

***Each child of light and love, each human being, needs
freedom to sleep and dream, meditate,
think, play, love, and create according to inner guidance,
in each moment in the physical world.***

**The heavenly hosts delight in helping each person master manifesting
happiness, wealth, honor, riches, and respect,
*at the same time that spiritual joy and perfection are enhanced.***

**The divine virtues of the letters in our name,
when meditated on faithfully so that the divine virtues are integrated
into the four levels of awareness,
open doors to fulfillment.**

Footnotes:

**The names and meaning of angel groups come from Quaballah,
which is a very ancient set of teachings which together form a common
precursor, or root, of three of the world's religions:
Judaism, Islam, and Christianity.**

**Each degree of the zodiac is ruled by a high being of the heavenly host in the
zone girdling the earth,
and the angels who work with him or her.**

**The being and the angels share the same name.
This name is a key to their powers and influence.**

**Names, phrases, or sections in the angel messages are quoted or
paraphrased from the books of Franz Bardon.
Information of the heavenly hosts of the zone girdling the earth is referenced

and Information of the divine virtues and the letters are referenced from THE
KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].
Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.**

**These books have very important information for these studies.
The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory**

book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

"Everything changes when you start to emit your own frequency rather than absorbing the frequencies around you, when you start imprinting your intent on the universe rather than receiving an imprint from existence."

The trauma healing form is used to facilitate healing a current or past emotional trauma permanently in one session.

This was developed and used successfully at the PTSD clinic at the VA Medical Center in Tuskegee Alabama during

the nineties when Dr. Michael Schlosser ran the clinic.
It contains 23 steps that a traumatized person is led through in approximately one to three hours to permanently heal a traumatic incident with no recurring flashbacks or nightmares.

The Law of One is the original law of Creation, and is the supreme Law over all laws in all dimensions.

THE LAW OF ONE

**We are all one. When one is harmed, all are harmed.
When one is helped, all are helped.
Therefore, in the name of who I AM, And I AM one with all there is;
I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED happen .
I give thanks that this is done.
