“Love is our true destiny.

We do not find the meaning of life by
ourselves alone—we find it with another.”

The Angels of Peace

Also known as

The Angels of

Fermetu

Beloved,

*We are the great creators of
peace,*

*since all matters which have to
do with peace come under our
competence,
no matter whether whole nations
are involved
or whether peace in the family,
peace in marriage, is concerned,
or peace with the sentient beings
of the environment.*

*Peace is the incense,
the holy perfume of the flower
whose roots are buried in the
kingdom of love, power, and
wisdom.*

*Love is a delicate flower that
thrives on gentility and harmony.*

***We bring sympathy and harmony,
because we have been given charge
to bring every sentient being
into flowing tangible feelings of***

Peace.

We teach the importance of aligning with
Divine Being

deep within
and manifesting it

through visualization, thoughts, emotions,
and sensations.

Invoke us in meditations for world peace,
and in prayers for the restoration of
harmonious relationships.

In its wisdom, each heart knows that peace
is really ALWAYS present,
just like enlightenment is always present,
it just has to be attuned to in spirit and
soul,
and manifested.

When there is disharmony,
peace becomes temporarily lost in powerful
coarse energies of hate and distrust,
but it is just lost,
it is still there
and can be found again.

We inspire the finding of it.

We teach that negative emotions should
never be acted out destructively to self,
others, or property,

causing more harm,
but instead should be healed immediately
through feeling emotions in a safe and
non-destructive way.

*Love is a delicate flower that
thrives on gentility and
harmony.*

Harsh words,

especially whenever conflict is

*expressed maliciously or with
intention to harm,
is destructive to the most refined
petals of caring.*

*These bonds can be healed and
restored only through emotional
clearing,
letting all feelings flow
completely and safely to
resolution.*

Remember that emotional traumas
experienced in conception, prenatal
development and birth

replay themselves over and over
throughout life in situation after situation,
seeking to be healed through empathy and
flowing,

through the change process of flowing
emotions.

Instead of acting out negative emotions,
causing more emotional trauma to self and
others,
the best course of action is to go within
and let the adult self empathize with and
heal the inner wounded child self.

The wounded inner child deserves to be
heard and healed through empathy and
caring.

This applies to both the emotions of self
and the emotions of others.

**Also, over time, deep emotions of love
and trust in relationships are
undermined**

**if fear, pain, anger and malice are
denied, suppressed and avoided,
instead of validated, acknowledged and
healed.**

**Wounded feelings heal through flowing
in an environment of empathy,
of non-self-critical and non-destructive
peaceful and sympathetic
environments.**

Emotions are compressed information.

By flowing with emotions, both the positive and the negative ones, tremendous information is gained in the deepest core of being.

When flowing with painful emotions, ask yourself,

"Why did I allow myself to experience these painful emotions and events that caused them?

What lessons have I learned through these experiences and emotions?"

Even the most painful and destructive emotions reveal deep lessons about the longing of the soul of self and others for harmony on all levels.

These lessons awaken desire for harmlessness, forgiveness, love and enlightenment.

**All emotions heal naturally
when given enough time,
expression,
and empathy in a safe place.**

*Peace is maintained in the
Universe by the divine virtues of
our name Fermetu.*

*By meditating on these virtues, a
person becomes an embodiment
of peace.*

**The wisdom of each heart desires peace
above all,**

**for in peace is heard the poetry of Divine
Being.**

Listen!

Peace is a melody within all beings which
murmurs like a beautiful ocean.

Let there be harmony and sympathy
everywhere.

*Peace is the incense, the holy
perfume of the flower*

*whose roots are buried in the
kingdom of love, power, and
wisdom.*

Each infant longs to suckle at its Mothers
breast and listen to songs of peace.
Heaven rejoices to sounds of peaceful
creatures echoing through valley and hill.

How beautiful the thought of peace, how
wondrous to contemplate its grandeur.

Peace beckons within each heart.

It is always there.
Look for it.
Find it.

Enter therein, oh Child of God,
and make peace your home as your mind
passes through the threshold.

Dwell in peacefulness of the heart.

Rest.

Your heart contains the Quiet Still Elixir

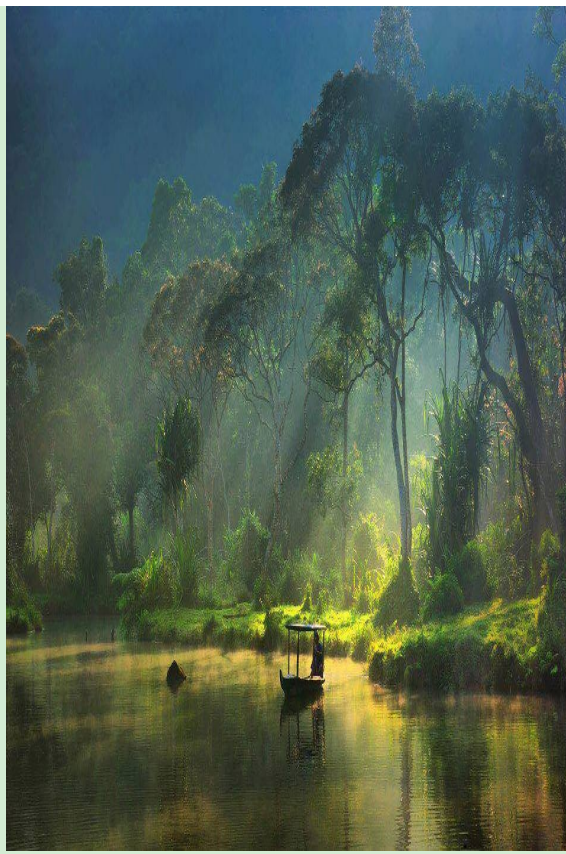

That people have sought forever.

Your heart

And the heart of God.
are one.

This is the great discovery;
embedded waveforms of a heart that beat
in sympathetic resonance with The One
Heart.
This is the long sought treasure.

Footnotes

The names and meaning of angel groups come from
Quaballah,

which is a very ancient set of teachings which together
form a common precursor, or root, of three of the
world's religions:
Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of
the heavenly host in the zone girdling the earth, and
the angels who work with him or her.

The being and the angels share the same name.

**This name is a key to their powers and influence.
Names, phrases, and sections, in the angel messages
are quoted or paraphrased from the books of Franz
Bardon.**

the earth is referenced from**

and Information of the divine virtues and the letters
are referenced from THE KEY TO THE TRUE

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

**These books have very important information for these
studies.**

**The book " Initiation into Hermetics" ISBN 3-921338-

German publisher from notes written by Franz Bardon.**

Love is the goal,
life is the
journey.

**The Law of One is the original law of Creation,
and is the supreme Law over all laws in all dimensions.**

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I am one with all there is;

I ask that ONLY

THE HIGHEST GOOD OF ALL CONCERNED happen .
I give thanks that this is done.

SO BE IT!
