The Angels of Pharmaceuticals

Also known as

The Angels of
Nearah

Beloved,

*To achieve Supreme Happiness,
which is the birthright of all in creation,*

*we inspire divine use of pharmaceuticals
whenever it is the highest good of all concerned.*

*According to the original divine blueprints of
creation,
it is our province to ensure that these substances are
pure,
and used for healing and enlightenment of all beings,
especially those who may be the most hopeless and
exiled.*

**In the original divine blueprints,
chemicals and pharmaceuticals are sacred substances.**

**They are physical manifestations of spiritual, mental, emotional
and sensory divine virtues,
or states of enlightenment.**

**Divine pharmaceuticals, in the original divine blueprints of creation,
have great powers,
and are actually sacraments,**

that, to be most effective,

**are used in conjunction with profound mastery and meditation on
divine virtues.**

***We inspire chemical and pharmaceutical inventions for the highest
good of all concerned.***

**We guide people to the right pharmaceuticals
when**

**inner guidance guides to seek out chemical and pharmaceutical
healing substances.**

**The original purpose of these substances is to bless all with supreme
happiness
and the out picturing of the original purity of all ideas in divine
mind.**

***When a person reaches an appropriate level of maturity,
we allow him/her to glimpse our range of competence in the Akasha,
which is the principle of consciousness-penetrating-all.***

**The ancient formula,
"As above, so below"**

works both ways.

**Just as changes in being, will, thought, emotions and sensations
attract changes on the physical plane,**

**so too when a change is made on the physical plane,
resulting changes also occur in sensations, emotions, mind, will and
being.**

This is true for chemical interventions.

**The proper divine pharmaceutical substances,
taken at times of inner guidance revealed through emotional**

wisdom,
greatly accelerate healing and awakening on all levels.

As with all divine gifts,

there is a right time and place for these according to guidance.

We inspire through inner guidance how to make pharmaceuticals
just as we inspire right time and place for their use.

Because the mouth is the part of the body temple
that speaks the sounds and the tones of the cosmic
language,
*we have a predilection for dental medicine and dental
surgery.*

*We reveal how far the sciences of pharmacy and
dentistry will advance in the future.*

*The time is coming when people regenerate teeth at
any age.*

*We will inspire suitable persons in the future with the
secret of making bad teeth fall out by themselves,*

*without the necessity of a painful extraction,
due to the application of certain pharmaceutical
substances.*

*After this the person concerned will grow new, healthy
teeth within a very short time.*

It is our responsibility to teach mankind how to master
the growth of teeth,
even as it is our responsibility to help teach The Power
of the Word,
the sounds of which come through the mouth.

With each bite of food,
pressure on each tooth

**sends signals along nerves
that stimulate energy meridians connected to all parts
of the body.**

**This is an example of how each part of the human body
functions on interconnected dimensions and levels.**

The same is true with hair.

**Hair is an externalized extension of the nervous
system**

**and carries energy from the cranial sphere down to
lower energy centers of the body and back again.**

**Hair functions as a protective covering,
allowing lower auric energy centers to connect power
and information with higher energy centers,**

especially the head,

**which is the seat of will-power and intellect,
or the masculine power of creativity and electricity.**

**At the same time,
hair transmits brainwave energy into the atmosphere,
greatly increasing the strength of a person's auric
energy.**

***Hair getting grey or falling out will be a thing of the
past.***

***We will make it possible for each person to choose the
color of their hair***

without having to apply dye or harm it in any way.

Divine Providence has ordained from
prime beginning
that the immortal, beautiful, and
perfect spirit of each person
live in an immortal, beautiful, and
perfect physical body.

Mankind is to live on Earth in a

Heavenly state.

This has been spoken of as the time
when the Alpha and Omega,
the beginning and the end,
are united as one.

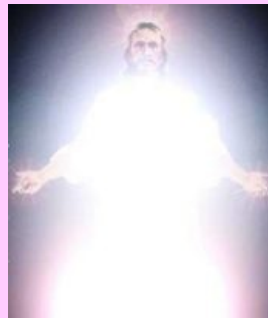

It is spoken of as the time of The
Enchantment,
and Heaven on Earth.

The time is arriving sooner than most
people imagine
when sickness and death, aging and
disease, no longer hold dominion.

This is the promised time when
enlightenment, joy, and unconditional
love fill each heart with relaxation
and peace.

This is a time when the blessings of
immortality and eternal youth are
realized.

*"The last enemy to be overcome is
death."*

**By meditating on the divine virtues associated with the
letters of our name,
it is possible to unite individual consciousness with
divine consciousness
and manifest miracles in the field of pharmacology.**

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name.

This name is a key to their powers and influence. Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from

THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

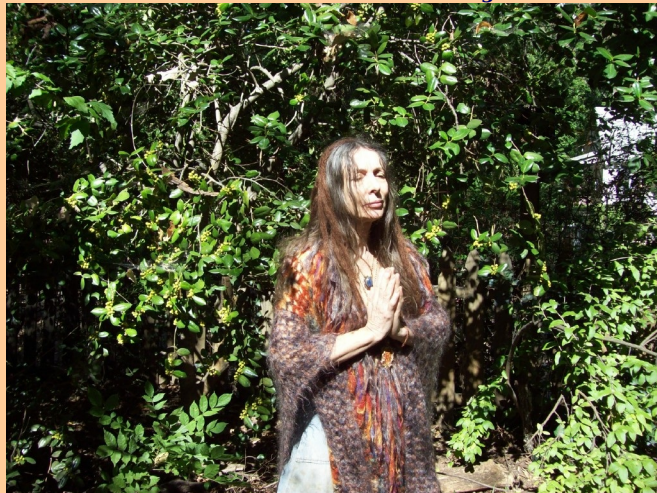

**The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.
Franz Bardon's last autobiographical book, "Frabato the Magician",**

gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

If you have these, it may be helpful to read Frabato the Magician first, with appendixes, and then read appendixes from the other three for background.

Feel free to share these messages.

The Law of One is the original law of Creation, and is the supreme Law over all laws in all dimensions.

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I am one with all there is;

I ask that ONLY

THE HIGHEST GOOD OF ALL CONCERNED happen .

I give thanks that this is done.

SO BE IT!
