## **The Angels of Assistance**

**Also known as**

**The Angels**

**of**

***Armefia***

**Beloved,**

*Even though there are many groups of heavenly hosts  
that facilitate protection and assistance,  
to world servers and seekers of truth,  
we especially make ourselves available*

*to those who are beginners on the path to wisdom.*

*Anyone, even a person who is not versed in higher  
wisdom,*

*that needs the protection of very important  
people,*

*or who needs a just sentence if summoned to  
court innocently,*

*or who needs leniency when they are guilty,*

*can secure our assistance.*

Also, a spiritually mature person sometimes, through  
inner guidance,  
seeks help for ordinary people that are in great danger.

*We answer these calls for assistance.*

In this context an "ordinary person" means someone who  
bases reality on the physical world  
of the five senses and who thus does not usually relate to  
unseen beings, fully trust inner guidance,

meditate, identify self as a world server, or consciously  
follow a path to enlightenment.

**We respond to prayers of spiritually mature people  
who invoke us**

**on behalf of those who are not personally aware of  
their own divinity  
as children of *God or their* connections with the  
beings of Heaven.**

Many ordinary people do not think to pray, or if they do,  
have experienced frustration in the process of invoking  
and praying to the heavenly hosts.

Perhaps there has been a sense of futility or doubt  
whether their prayers are being answered.

**This negative emotional energy attracts unwanted results.**

Sometimes the level of attunement,

especially the refinement of the heavenly hosts,  
is so subtle that the ordinary person cannot perceive the  
existence of angelic realms  
without first attaining a deeper state of consciousness.

**In the case of many people, the coarse attunement of  
"ordinary consciousness",**

**beta brain waves, is so dense  
that no signal is consciously received.**

**Another problem, similar to the one just noted, is that  
spiritually unaware people,**

**even if they were to consider the possibility of prayer,  
might not approach with an open heart full of  
unconditional love.**

**In this case communication is very difficult.**

**"As above, so below."**

**Consider when humans listen to one another.**

**It is much easier for anyone to communicate with  
someone  
who approaches him or her with tremendous love,  
gratitude, humility, patience and appreciation.**

**Right away response is certain.**

**Contrast that situation with someone who is distrustful,  
or asking frantically for more favors,  
and does not know how to listen, to top it off.**

**Communication is very difficult.**

**Many people in this state are the ones that we help when  
asked,**

**especially by any child of light on their behalf.**

**So remember, when inner guidance and flowing feelings of  
wisdom  
prompt one person to pray for another  
who needs protection and assistance,**

**Divine Providence often sends us to operate through this  
request.**

**Our primary purpose is to protect any that are under  
threat of injustice  
or danger**

**and seek help.**

**At this time, Divine Providence has ordained that angels of  
protection of every kind  
focus upon the affairs of Earth  
in answer to deep will-to-live and will-to-spiritual-  
perfection  
that awakens within hearts of every being each day.**

**Even the most unenlightened beings on Earth  
are experiencing expanding desires to live lives of bliss,  
and the affairs of Earth are at a point where this is only**

possible  
if the entire energy field of Earth is restored  
to harmony and unconditional love.

Bringing the entire Earth,  
and all who live upon her,  
into a state of enlightenment,

unconditional love,

and attunement to Divine Will  
is absolutely necessary for the health of Divine Providence  
itself.

*Because of the prayers of so many, we have now  
been given permission,*

*under the laws of intercessory prayer,  
to do whatever is necessary to restore perfection  
and happiness upon the Earth.*

The experiment to allow forgetfulness of the  
interconnectedness of all life

has reached its time of completion in this cycle.

Like any dream that has run its course,  
the time for awakening has come.

For many, the time between sleep and waking is now.

With every moment nightmares and dreams of sleep  
are loosening their grips on the consciousness of people  
everywhere.

As this is happening, awareness is growing  
that what has just been experienced as vivid reality  
is in actuality a dream.

Along with realizing that it has been a dream  
is a growing awareness that actual truth is the original  
divine blueprints of creation.

These blueprints are something altogether different  
from what was originally considered reality.

Quantum theory and plasma theory explain these  
phenomena quite well.

Now, more than ever in recent history, it is possible and  
even likely,  
that the mass consciousness of ordinary people  
is ready to take a quantum leap into enlightenment,  
like the hundredth monkey phenomenon.

Just as awakening from a nightmare or dream  
results in a person opening the eyes and realizing that  
they have been asleep;

as complete wakefulness arrives,  
each person remembers and senses the natural Divine  
Unity  
and attunement to Divine Will  
that was experienced in infancy.

**Such people naturally access Divine Intelligence as they  
did as small children,  
and experience flowing natural feelings**

**of Unconditional All-encompassing Love  
as they once did in their hearts as adolescents.**

**Then Heaven on Earth is attracted into form through  
these divine flowing feelings of love  
as the five senses,  
logic  
and memory**

**of adult consciousness  
awaken naturally to beauty.**

***"Ye must be as little children, to enter [awaken] to the  
kingdom of Heaven."***

**Meditate on the divine virtues of the letters of our name,  
*Armefia* ,  
to become one in consciousness with us.**

***Armefia***

**The letter A of our name represents the divine virtue of  
wisdom and enlightenment.**

**The wisdom of the open heart,  
through this virtue,**

**instinctively understands the original purity of all ideas  
that exist within all of creation  
and therefore has the occult faculties and artistic gifts  
with which to work miracles to bring Heaven to Earth.**

**As these original pure divine ideas are understood to be  
the original divine blueprints of creation,  
all imperfections on every level  
are recognized  
and released back to Divine Being for transformation into  
other states  
that are the highest good.**

**This is the virtue of umlaut A, ae.**

**To experience the infinite wonders of free will,  
The One Indivisible Divine Consciousness dreams  
that it is many different forms and beings interacting  
together.**

**It dreams that it and they exist in many different times  
and places.**

**The divine virtue of free will, or inner guidance,  
in each of the unique individual expressions of The One  
Life,  
is the meaning of letter R of our name.**

**This inner guidance connects the many with the one  
and is responsible for keeping impeccable harmony in the  
web of life.**

**By experiencing these dreams, *emotions* of Divine Love are  
expressed in infinite ways.**

**There exist many Lovers and many Beloveds.**

**The Divine Virtue of flowing emotions are the meaning of  
letter M.**

**Emotion is the magnetic power that attracts new realities  
into form.**

**Divine Consciousness is omnipresent, which is the letter E  
of our name.**

**Whatever is done to anything, anywhere, affects The One  
Divine Indivisible Being everywhere,  
like a stone thrown into a pond creating ripples over the  
entire surface.**

**A person with this virtue understands the unity,  
interconnectedness,  
and awareness  
that exists everywhere in all time and space.**

**He or she is able to join individual consciousness with  
Universal Consciousness  
and to transfer consciousness to any part of The One**

**Being.**  
**This virtue operates through the deep delta brainwave of  
the inner divine infant self.**

**The perfection of Heaven is reflected in the created  
visible worlds.**

**This is the Divine Virtue of the legality of the harmony  
between and within all visible microcosms  
and the macrocosms.**

**The is the Divine Virtue expressed by the letter F.**

**This virtue governs the necessity for Earth to be as  
Heaven.**  
**It also governs the necessity for all brainwave patterns to  
be in harmony.**

**"As above, so below."**

**Whenever any part of The Divine Being creates kindness  
and goodness  
in any way towards any other part,  
the effects of this goodness are returned to the original  
part that created it  
after affecting the entire unified field of consciousness.**

**Therefore, the understanding of the virtue of Cause and  
Effect and Karma is most important.  
It is the letter I.**

**This virtue awakens mastery over being, will, thought,  
feeling, and form.**

**This includes memory, remembrance and conscience  
and the understanding of how the breath creates  
awareness inwardly and outwardly.**

**This is used through eloquence, artistic gifts, mystical  
faculties and the state of wisdom and enlightenment,  
which is the virtue of A.**

**As wisdom is gained, all imperfections are gladly released  
for changes into other states that are the highest good of  
all concerned.**

**This is the virtue of umlaut A, ae.**

**The melody of our name is G, C, D, D, F sharp, G, G. and C.**

**Miracles**

**By invoking this Law, complete protection is provided,  
since The Law of One operates throughout The  
Unified Field,  
activates divine DNA remembrance in all life,  
and overrides all lessor laws.**

***This is the original law of creation, from which all  
other laws come, both civil and social.***

#### **The Law of One**

**We are all one.**  
**When one is harmed, all are harmed.**  
**When one is helped, all are helped.**  
**Therefore, in the name of Who I Am;**  
**and I am one with all there is;**

**I ask that only the Highest Good**  
**of All concerned happen.**  
**I give thanks that this is done.**

*One day soon, love for our fellow human beings and the awareness of our Oneness will make unnecessary money and all that goes with it, and everyone will joyfully serve the common good.*

#### **Footnotes**

**The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.**

**Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.**

**The being and the angels share the same name.**

**This name is a key to their powers and influence. Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.**
