10th Day of Lunar Cycle

Beloved,

**By creating powerful flowing emotions of happiness and security,
a painless and ecstatic gestation and birth for Mother and Child is
possible.**

**Because tangible flowing feelings and emotions in the body attract
corresponding realities out of the quantum field of infinite potentials,
we inspire uplifting flowing emotions and feelings during conception,
pregnancy,
and especially at the time of birth,
of the children of Divine Being.**

**Within one minute of having a thought,
over a hundred thousand chemical changes occur in the body.**

**Therefore, we inspire enlightenment and beautiful feelings,
so that the body is filled with light.**

**We work in conjunction
with relevant angels of the Earth sphere during this time.**

**Emotions and tangible feelings in the body are compressed information
that determine which kind of
realities manifest out of the infinite possible realities in the quantum
field.**

**Emotions of flowing happiness are necessary for cohesion,
which is similar to gravity.**

Emotions are magnetic, and attract new realities.

**That is why that within moments of experiencing an emotion, thousands
of chemical
reactions occur in both mother and child.**

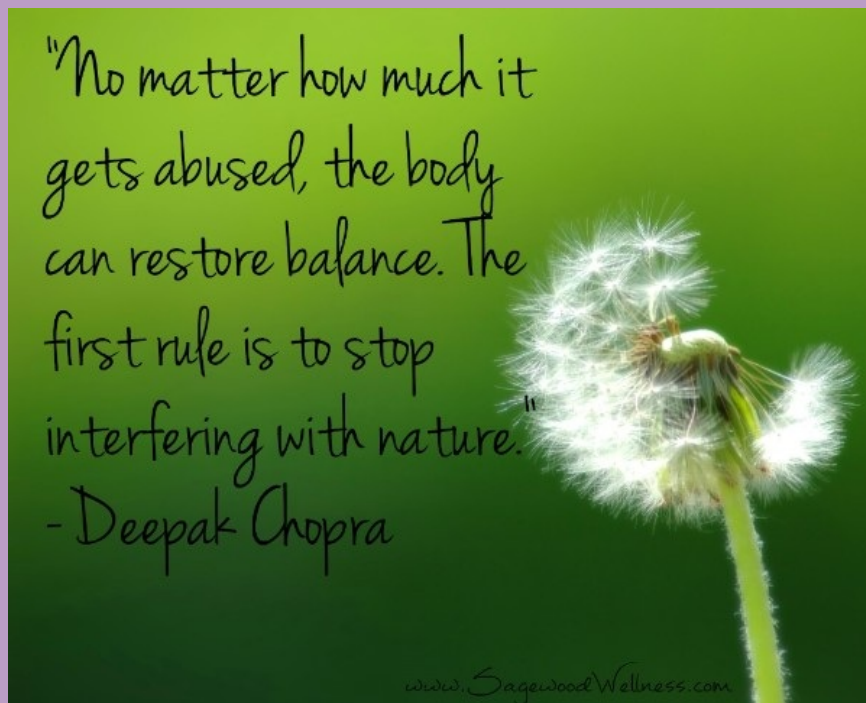

**All gynecologists, midwives and their assistants
are under our protection and influence.**

**By creating powerful flowing emotions of happiness and security,
a painless and ecstatic gestation and birth for Mother and Child is
possible.**

**We also inspire, through specific flowing emotions, when to
celebrate divine sexual ecstasy to produce a child of a certain sex
and spiritual development.**

Anyone can call on us for success in healing any disease.

Diseases are cured through transforming negative emotional states into flowing emotions of supreme happiness, contentment, and security; and through attuning to natural rhythms and cycles in the sea of Life.

By flowing with beautiful flowing emotions and natural rhythms, the immune and glandular systems are stimulated, working miracles.

Mystics teach that venereal disease can be cured in this manner.

Offspring also of animals are superior when the happiness of the parents is protected.
