The Angels of *Soul Healing*

Also known as

The Angels

of

Opollogon

Beloved,

**Whenever a warrior of love
is exhausted from stress of spirit will,
mind, emotions, and body,
then it is time to go deep deep deep into
dream time.**

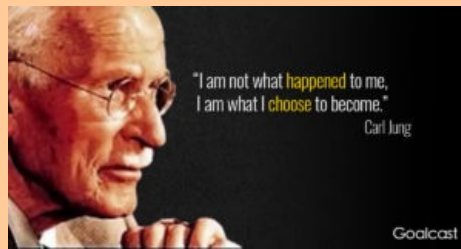

**It is in the dreamtime,
the deep inner world of imagination,
that a warrior of divine love draws forth
renewal
for the Soul.**

***Soul renewal comes from visceral
flowing divine emotional states
accessed in deep inner realities.***

**We are custodians of mystical
ceremonies and meditations**

**that open ways to the Angels of the
Moon Sphere
to receive flowing divine emotions,
the magnetism that attracts new
realities into form.**

***Developing the ability to hold an
attunement to the dreamtime
is one of the most challenging and
rewarding skills of Nidra Yoga.***

**Remember that the heavenly hosts of the
Moon Sphere are step down transformers
of emotional and feeling magnetism of
Pure Divine Awareness.**

**we inspire the children of light to
refresh emotions
and heal the emotional body
by flowing with tangible feelings of
divine love,
the divine lunar**

flowing magnetism.

**Emotions are the language of the
quantum field.**

**Emotions determine which physical
realities will manifest in form,
out of the infinite range
of
possible realities.**

**By restoring divine emotional states in
deep meditation within,
either in dreams during sleeping or in
deep meditation in waking life,**

**a warrior of love replenishes and
refreshes his very being on every level.**

**Through the divine virtues of
*Opollogon,***

**a Child of Light attunes to the heavenly
hosts of divine emotions in realms of
the Moon Sphere.**

**Through attuning to the heavenly hosts of
the moon and the divine virtues of
Opollogon,
a person drinks deeply of cognition
brought about by love divine.**

**Cognition brought about by love divine
causes transmutation of whatever is
seen,
into original divine perfection**

.

**This is the virtue of letter umlaut O, eu,
that shines with a deep orange light.**

**Cognition brought about by divine love
has the sensation of ethereal earth, of
weight penetrating all.**

***This manifests success and satisfaction
for all through harmony, the virtue of
letter O.***

**Longing for spiritual perfection, beauty
and unity with the Divine Light is the
virtue of letter P,
which shines with a dark grey light and
has the sensation of weight.**

**Seeing all through the eyes of love divine
reveals indwelling original divine
perfection.**

This transmutes physical reality into

perfection.
This is umlaut O, eu.

*The harmony that is then revealed again
opens understanding of metaphysics and
astrophysics, letter O.*

Infinite vitality is gained from all the
divine virtues taken together,
which express the splendor and majesty
of Divine Providence, the virtue of letter
L.

This virtue gives true morality and youth,
and shines with an olive green light.
It has the sensation of relaxation and
ease.

Cognition brought about by Love Divine
is the powerful virtue of transformation
of self and others.

Everything that is seen through the eyes
of Love Divine is transformed into its
perfected state
after imperfections have been
recognized and let go.

This virtue is deep orange and has the
sensation of the most dense level of
Akasha,
which is consciousness penetrating all.

It has the sensation of weight
penetrating all.

Emotions of success and satisfaction are
brought about by the virtue of letter O,
which is the virtue of justice and
harmony.

Divine Justice shines with an ultramarine
blue light and has the sensation of
weight.

Flowing emotions of Grace and mercy, the
ability to give true divine blessing, is the
virtue of letter G.

Grace and Mercy shines with an emerald
green light
and has the sensation of chill,
because it is a virtue of the water
element of emotional reality.

Again the virtues of cognition brought
about by love divine and justice and
harmony are enlivened,
transmutation and emotions of success
and satisfaction manifest.

These are the virtues of umlaut O and O.

**Emotions of supreme happiness awaken
desires for self preservation and give
control over the emotions of self and
others.**

**This virtue has a deep red light and the
sensation of chill, and it is the virtue of
letter N.**

**We are custodians of mystical
ceremonies and meditations
that open ways to the Angels of the
Moon Sphere
to receive flowing divine emotions,
the magnetism that attracts new
realities into form.**

**The moon is accessed primarily in the
Alpha brainwave state of flowing
emotions.**

**The Alpha brainwave state is
predominant during adolescence.**

**By reclaiming the strongly emotional
part of the self that developed in
adolescence,
a Child of Light learns how to maintain
conscious awareness in the dreamtime of
flowing feeling.**

**Then, by meditating on the emotions of
the divine virtues of the letters of our
name,
it becomes possible to heal, spiritualize
and enliven emotional flowing and
magnetism in oneself and others.**

Here is one of our stories:

AHMED IN THE LUNAR LIGHT

Once upon a time, deep in the cluttered newsroom of an independent newspaper, a tired man sat in front of his computer.

With the power of the written word he had spent years taking on powerful corporate special interests that used deception to pursue destructive goals.

He had endlessly fought for love of Truth, Justice, and Compassion.

He had waged an unending war against corruption.

There was so much at stake.

Ahmed had known that the whole truth had to be revealed, so that people would take the most stringent measures to heal the earth in time to save it.

After years of posting one brilliant article after another, he had finally reached the point of utter exhaustion.

Ahmed had been fighting too long alone for Paradise and Love to manifest on his beloved Earth.

Since he felt so strongly that he just couldn't go on anymore, he prayed for help.

The Angels of *Opologon* had been waiting for his call.

They knew that Ahmed must now journey

deep into the mysteries of divine flowing feelings to raise the frequency of his magnetism.

He had to be bathed in emotional renewal.

He had to be filled with the live giving vitality and feelings of the divine virtues.

This would allow his body to heal and his spirit to emerge reborn.

They inspired him to go deep deep deep within.

He sank down into the dreamy Delta brainwave state of Pure Being and unity with Divine Being and all creation.

He entered Theta, the realm of deep inner thoughts.

Then his consciousness exploded with flowing divine ecstatic visceral feelings, beautiful flowing divine emotions, in the Alpha brainwave state.

Luminous magnetic powers of flowing divine emotions in the dreamtime completely engulfed him.

Feelings of Divine Virtues that exist throughout the Unified Field, throughout the nurturing divine Mother of emotion and form, flowed through him with unlimited Divine Love.

He bathed in the rejuvenating emotions.

Filled with the ecstasy of Divine Virtues, he absorbed Divine Archetypes.

Ahmeds Soul drank deeply.

**His emotions drank feelings of luminous
divinity.**

**His tired weary feelings transmuted to
stimulating and healing emotions of
Divine Love,**

**of unity with Divine Light,
of success and splendor,
of grace and supreme happiness.**

**Glands within his body secreted
restorative chemicals.**

**They completely reversed the weariness
of his physical body.**

**Ahmed then invoked and entered the
luminous connecting webs of light that
tie all beings
of manifest creation together into one
living organism.**

**He felt his will united with Divine Will,
activating the entire Being of Divine
Consciousness.**

**He felt himself asking Universal
Consciousness to penetrate and
transform the magnetic the field of earth
so that Paradise
would be attracted into form for all.**

**The beings of the Moon Sphere,
knowing that one incarnated person can
ask on behalf of all,
created a flowing emotional magnetic
blueprint to manifest heaven on earth.**

**The next day when Ahmed awoke,
he felt rested, filled with power, Love,
sacredness, satisfaction, grace, vitality,**

and supreme happiness.

**He felt a mighty army of heavenly hosts
and fellow human beings helping him
heal the world.**

Later that afternoon he looked at his watch, it was 3 o'clock.

That was when news hit worldwide about ongoing investigations of governments and corporations of major countries with interconnected high crimes and misdemeanors at every level.

Officials steeped in crime were suddenly being taken into custody to be tried.

Over the next few months, an entire global plot to enslave and destroy the planet was proven in court.

Soon it was announced that Common Law was to be restored globally to all.

Now that the media was liberated from nefarious controls, news came out about every conceivable area of imbalance and suffering.

Documentaries about brave and inspired people who had been working behind the scenes to bring about redress followed one after the other.

Solutions of every kind were presented.

The suffering of people and animals alike initiated a profound and deep worldwide examination of conscience and science.

Many people of Earth joined with Beings from other spheres to bring about spontaneous remissions in the environment, in social and civil systems, and in sentient life everywhere.

Increasing understanding of the interconnectedness of all life, of divine virtues, the heavenly hosts, and revelations of the galactic

brotherhood that had aided magnificent technical restorations to heal the earth,

gave birth to stories of blessings of grace and mercy, of restored individual sovereignty, of peace and plenty for all.

People were relieved to realize that earth was no longer isolated, that earth was a partner in an interdimensional and intergalactic societies, mutually devoted to Divine Perfection.

Ahmed posted report after report on amazing new paradigm shifts coming out.

He participated eagerly as the world awakened to a new dawn of Loving Awareness.

Each night he invoked the Angels of *Opollogon*.

With their help he became ever more infused with divine vitality from the feelings of Divine Consciousness.

Feelings of supreme happiness flooded his soul and he witnessed the Victory of Divine Love.

He saw that finally harmony and justice were bringing success and satisfaction, and that people everywhere were evolving quickly on the path to spiritual perfection.

His lifelong dream was coming true.

Divine Love was proving victorious by creating new realities of Paradise.

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth,

and the angels who work with him or her.

The being and the angels share the same name.

This name is a key to their powers and influence. Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from

THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6,

and information of the divine virtues and the letters are referenced from **THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].** Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

Feel free to share these messages.

The Law of One is the original law of Creation, and is the supreme Law over all laws in all dimensions.

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I am one with all there is;

I ask that ONLY

THE HIGHEST GOOD OF ALL CONCERNED happen .

I give thanks that this is done.

SO BE IT!

So be it!
