**The 25<sup>th</sup> day of the 28 Day Moon Cycle**

**The Moon Angels of Plants**

**Also known as  
The Moon Angels**

*of*

***Lavemizhu***

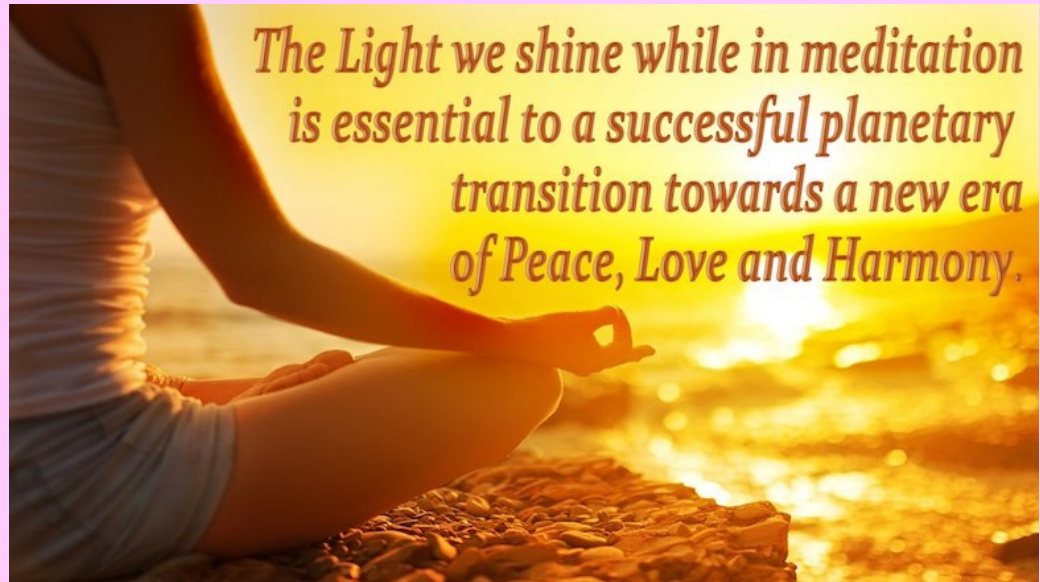

**Beloved,**

**We influence and control the plant kingdom through emanation of FEELINGS,  
combined with corresponding intentions.**

**We teach the children of God how feelings control the mysteries of life, of sprouting and growing.**

**By controlling feelings, a person ' *can make fertile in a supernatural way, a whole field, no matter how large it may be, or vice versa, to make it infertile and change it into a desert.* '**

**We inspire each person who comes under our influence which divine virtues in the ancient language to attune to,  
feel, and emanate in order to make grow whatever they desire.**

**All miracles in the physical realm are preceded by,  
and depend upon, the generation of appropriate flowing emotions.**

**The 25th day of the Moon Cycle is governed by  
the Angels of Plants, the Angels of 'Lavemezhu'.**

**By looking at the Angels who govern the sign of the zodiac  
for each day, and seeing which day of the 28 day Moon Cycle is in  
effect, a person aligns flowing emotions of meditations accordingly, in  
order to ride and influence magnetic waves of Universal Flowing Emotion.**

**By meditating on the divine virtues associated with the letters in our  
name,  
and calling on our assistance, the following is gained:**

***'L-A-V-E-M-E-Z-H-U'***

***L...The letter L represents the sum total of all divine virtues taken  
together, so therefore it represents the splendor and majesty of***

*In the feeling realm this virtue endows a person with the mystery of emotional equilibrium with regard to the character of any human being. It also endows one with the ability to BECOME ONE WITH ALL DIVINE VIRTUES. We can change disharmonies into harmonies, bestow health and vitality. We connect with and intensify vital energy.*

\*

*A... This represents wisdom and enlightenment, and the original purity of all ideas. In the feeling realm, eloquence, musical gift, poetic talent, and mystical faculties of clairvoyance, clairaudience, levitation are attained. Also control over the spirits of the air is attained, and therefore over weather. We tap into the wisdom of divine mind in order to teach the mysteries of life and growth in plants.*

\*

*V... This letter equates to the letter F, which represents the legality and harmony of all visible worlds. In the feeling realm, meditating on this virtue gives one the ability to perceive and control all elements and will, intellect, feeling, and form. We control the water element and help you discern mortal from eternal and thus control material world phenomena.*

\*

*E... The letter E is the omnipresence of God. In the emotions, this virtue gives control over the feelings of oneself and others, and the ability to understand the language of all beings. We teach how to understand the languages and communication of all levels of beings on earth.*

\*

*M...This letter represents the magnetic power of emotions. It also represents control over the element of water, and therefore over rain and all manifestations of water. We reveal the mysteries of the growth process and how water brings vitality and renews life.*

\*

*E...We bring cosmic into ordinary consciousness and confer upon you high intuition and the faculty of transfer of consciousness.*

\*

*Z... The letter Z represents the higher faculties of divine intelligence. When meditating on this in the emotional realm, all kinds of artistic faculties arise. The ability to put all abstract ideas into words develops. We can introduce tremendous endurance and resilience into material world forms.*

\*

*H...This letter represents the power of the word. When meditating on this virtue in the feeling realm, the faculty of influencing each fate at will is gained. All tantra and mantra practices are understood. We teach the power of the word to invoke certain divine virtues and accordingly, influence growth.*

\*

*U...The letter U represents the understanding of the creative act and karma, and the original source of everything that exists. In the feeling realm, this virtue bestows the faculty of transferring one's consciousness wherever you want it to be and thus becoming*

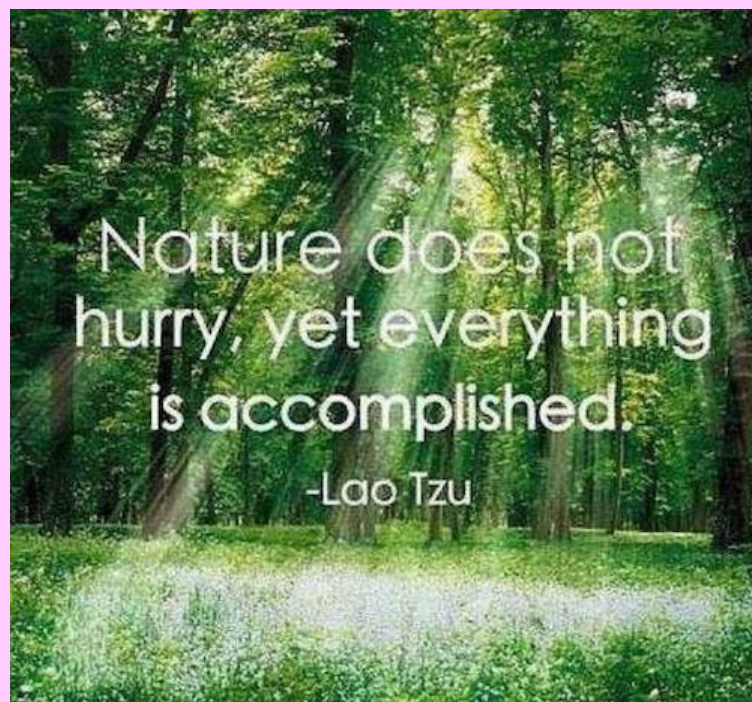

*perfect master of it. The ability to evoke states of trance of any kind, and of emitting strong feeling states is also gained. We are attuned to the original source, pristine pure essence of everything that exists in all its forms.'*

The melody formed by the virtues of our name are the notes of F, G, G, D, D, D, G, A, and B.

Each of the children of God has been given dominion over creation.

As each person begins to understand the POWER OF FEELINGS to create realities on the physical world, then the value of aligning one's feelings with the feelings of divine virtues becomes paramount.

Skill in creating different realities using the different divine virtues grows with practice.

In the world of plants, this skill manifests miracles of growth and fertility beyond anything that words can describe.

Every 25<sup>th</sup> day of each 28-Day Moon Cycle we flood the feelings of earth with attunement with the kingdom of plants, so that abundance and beauty flourishes for all life.

**We are all one.  
When one is harmed, all are harmed.  
When one is helped, all are helped, all are helped.**

**Therefore  
IN THE NAME OF WHO I AM,  
and I am one with all;**

**I ask that only that which is the  
HIGHEST GOOD OF ALL CONCERNED  
Happen here.**

**I give thanks that this is being done.  
So be it.**
