***The Angels of Ecstasy
and
Eloquence***

Also known as

***The Angels
of
Jrachro***

Beloved,

**The act of impulsing Divine Love into the physical plane
transforms old conditions into new ones.**

**This is done in deep meditation
by becoming one with divine cosmic love**

in desires, in the mind, in the emotions, with sensations.

We give all kinds of assistance to create new realities of Love.

**We can help any undertaking on the physical plane, plus you
can count on our inspiration for flowing emotions of Divine
Loves ecstasy,
sharp wittedness, and eloquence.**

**If you desire to inspire these qualities in others, we help you do
this successfully.**

***This intelligence assists a person with all operations
on the physical plane.***

***Moreover, the angels of Jrachro can make him or her
eloquent and sharp witted in expressing love,
and at the same time teaches how,
by the means of the Akasha principle, the principle of
consciousness penetrating all,***

a person can rouse this faculty within self or others.

A Child of Light relies upon the divine

**virtues of our name; love, inner guidance,
wisdom, transformation, purity of emotion
and the ability to see through the eyes of
love to manifest harmony to all, to help
transform every level of being.
In the beginning, all things were created
perfect, and at the end of time all beings
reach perfection.**

**When the Alpha and the Omega meet,
energy comes full circle

and the perfection of the beginning
becomes one with the perfection of the end.**

**It is ironic that the ultimate outcome of
maturity and wisdom the Omega of life, is
eternal youth the Alpha of Life.**

**This eternal youthfulness of body,
emotions, mind, will and beingness**

**is the youthfulness of childlike purity,
wonder, and unconditional love.
This happy childlike state uses whole brain
awareness, which is Delta [pure being and
unity with Divine Being and all creation,

visualization and will], Theta [deep inner
thoughts], Alpha [emotions] and Beta
brainwave states [memory, logic, and five
senses]
in equal and balanced ways.**

**The Delta brainwave state is dominant in infancy and in deep
dreamless sleep each night.**

The Theta is dominant in childhood.

**The Alpha is dominant in adolescence and Beta is dominant
from puberty on.**

**By utilizing these four natural states of awareness with
meditations on the divine virtues,**

**physical productions of glandular substances within the
body occur that reverse aging and maintain youth.**

**That is one reason why the ancients said,
*"Except ye be as little children, ye shall in no wise enter the
kingdom of Heaven."***

An anthropologist proposed a game to children of an African Tribe. He put a basket of fruit near a tree and told the kids that the first one to reach the fruit would win them all. When he told them to run they all took each others hands and ran together, then sat together enjoying the fruits. When asked why they ran like that, as one could have taken all the fruit for oneself, they said, "Ubuntu, how can one of us be happy if all the others are sad?" 'UBUNTU' is a philosophy of African tribes that can be summed up as "I am because we are."

"And the last enemy to be overcome is death."

As people remember themselves and become more like innocent trusting children and infants in awareness,

the kingdom of Divine Being comes closer to earth.

"With faith all things are possible."

The Ancients teach that the beginning of the road to enlightenment starts with healing painful emotions

of the wounded inner child selves deep down inside.

Original painful traumatic experiences result in negative beliefs about reality that become repeating self fulfilling prophecies in adulthood.

When these wounded emotions and belief systems are transformed and healed through allowing them to flow with empathy,

by understanding the nature of painful emotions to reveal wisdom about the importance of love and harmlessness,

emotions transform and change into beautiful positive emotions once again.

By flowing with unconditional love and gratitude for the experiences of life when reliving memories of wounded emotions

when they come up in day to day life, original states of trust and innocence return.

**A healed state means seeing
reality as a good story,**

**a story that is joyful and full of
wonder,
unconditional love,
and divine ecstasies.**

As a man believeth, so is he.

Beautiful flowing emotions and ecstasies of divine unconditional cosmic love are the virtue of the first letter of our name, the letter J.

Emotions of ecstasy and unconditional love are irresistibly magnetic.

They are the primary means of transforming and transmuting realities through attracting heaven to earth.

Transformation causes ecstasy and unconditional love to grow.

Because love is magnetic, it is contagious.

Ecstatic unconditional love fills all time and space with dark opal light and sensations of refreshing coolness, because divine love is a virtue of the water element of flowing emotions.

Cosmic Love vibrates to musical notes of G sharp. The midriff area of the human body temple is created by and can be enlivened and healed with divine love.

We inspire emotions of loving ecstasy to flow. Divine inner guidance, free from any outside controls, is trusted, then followed in each and every moment and situation.

In this state of freedom, a person harkens to "the clear small voice within."
This is the meaning of letter R.

Freedom shines forth beautiful golden lights that vibrate to musical notes of C.

This virtue has sensations of weight, because it is of the earth element of the five senses, memory and logic. This virtue of freedom created and enlivens the left side of the nose.

Complete wisdom and enlightenment are next brought into meditation, revealing the original purity of all ideas in Divine Mind.

Wisdom and enlightenment are the virtue of letter A when it is pronounced softly, as in ahhhhh

Wisdom and enlightenment enliven eloquence and wit, and mystical faculties such as clairvoyance and clairsaudience, and artistic talent.!

Wisdom shines forth light blue light with sensations of ease, because it is a virtue of the air element of mind and deep inner thought.

Emotions of wisdom and enlightenment are toned to musical notes of G.

The lungs were created by and are sustained by this virtue.

Then A is pronounced umlaut A, ae, and imperfections are recognized and gladly released for transformation into other states that are the highest good of all concerned.

This is transformation.

A child of light releases unproductive and harmful desires, beliefs, feelings, sensations and possessions

This can be done in self and others.

This confers control over negative beings, over negative beliefs, over negative passions, and anything that is imperfect or harmful.

A person comes to understand that in reality there is no death, only transformations from one state into another.

Umlaut A, ae, shines a loamy brown light, with sensations of weight.

Emotions of release of imperfections are toned to musical notes of C.

The anus is created and enlivened by this virtue.

Enlightenment becomes crystal clear as all obscurities are removed through flowing divine emotions of perfect purity, the virtue of letter Ch.

Clarity and purity of flowing divine emotions shines with medium violet colors.

Pure flowing divine emotion vibrates to musical notes of D sharp.

They have a refreshing coolness because they are the water element of feelings and emotion.

Clarity creates the left leg of every human being.

Now inner guidance becomes ever more clear, actions grow ever more ingenious and impeccable.

This is the second time in our name that the letter R shines forth golden lights with ringing tones in musical notes of C.

And finally, with this clear inner guidance, wisdom and ecstasy, the virtue of cognition brought about by Love Divine opens like a flower whose perfume reveals the very essence of Divine Being.

Cognition brought about by Love Divine creates radical transmutation of everything as reality is seen through the eyes of love.

Divine Loving perception reveals omnipotent indwelling divine perfection and awakens reality into its original perfect Divine expressions.

This virtue, umlaut O, eu, shines with deep orange lights that vibrate to musical notes of D-sharp.

This virtue is the most dense virtue of akasha, which is omnipresence and consciousness penetrating all.

It has sensations of ethereal earth, or weight penetrating everything.

The ovaries and testicles are formed from it and are enlivened by it.

DIVINE JUSTICE AND HARMONY manifest naturally on the physical plane as divine transmutation occurs.

This is letter O of magnificent vibrant ultramarine blue light shining from a tiny sun in the leg region.

Flowing feelings of divine harmony and justice vibrate musical notes of C.

Sensations of weight are experienced because justice is of the earth element, the element of physical manifestation.

The throat and windpipe area of the human body were created by and is enlivened by Divine Justice and Harmony.

As a Divine Child of Light and Love you walk the earth.

Let us accompany you and in all your endeavors to

transform reality
through impulses of Love Divine.

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth,

and the angels who work with him or her.

The being and the angels share the same name. This name is a key to their powers and influence. Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from

THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6,

and information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician",

gives historical background and was compiled by his German publisher from notes written by Franz Bardon.
