Due to my symbiotic relationship with all
Life on Earth, what I do to it, *I do to myself.*

16 degrees Aries

***The Angels of Victory
through
Love and Friendship***

Also known as

The Angels

of

Argilo

Beloved,

**Perceiving unity instead of separation,
and flowing with emotions of divine love and faith,
trigger glands to produce ecstatic psychoactive
chemicals
on an ongoing basis.**

**Thoughts and emotions determine endocrine
secretions from glandular centers.**

**Deep in the DNA and cellular memory of every thing in
creation is a
divine instinct and awareness of the interdependency
of all life.**

**Omnipresent divine being bears witness to
understanding that all LIFE is ONE.**

What you do to the least of these you do unto me.

As above, so below.

**Just as a human body is made up of many parts,
each with its own unique consciousness, but is the
dwelling place of one soul,
so Life is one divine organism made up of many
individual divine parts.**

**An enlightened person uses the interconnectedness of
self**

and others for the purpose of creating new loving realities to serve the highest good of all concerned.

Divine unity is the basis of divine love, for love is life flowing between individual parts of the one unified field. It is Divine Being recognizing Itself in all selves.

Divine loving is flowing divine LIFE.

Spiritual seekers of all time relied on flowing divine Love and Life to find ways that lead to victory in all things.

THE ULTIMATE VICTORY OF A SEEKER OF LIGHT COMES FROM AN OPEN HEART OF DIVINE FLOWING LOVE COMBINED WITH INFINITE FAITH THAT MAKES ALL THINGS POSSIBLE.

Emotions are magnetic.

Through the divine virtues of Argilo, a Child of Light uses emotions of flowing love to attract any new divine reality into physical expression.

When unity awareness is integrated, then situations which have seemed difficult melt and transform through the power of the divine virtues of Argilo.

Instead of being difficult, situations become experiences of great illumination for all parties.

The following sequence of divine virtues contains keys to divine love and friendship.

A is divine wisdom and enlightenment shining with light blue radiance and sensations of ease and relaxation.

Wisdom unites individual mind with Divine Mind, with perfect original blueprints of every idea in existence.

With this, clairvoyance, clairaudience, eloquence, artistic talents, and other mystical faculties awakened within and a Child of Light understands divine ideas of love and friendship.

With wisdom a person can perceive and release any imperfection for transformation into other states that are the highest good of all.

This is umlaut A, ae, shining with a loamy brown light and sensations of weight.

Divine guidance in each and every moment, letter R, shining with golden light and sensations of weight, determines behavior on any level and awakens genius and impeccability.

**Next, G, is flowing feelings of Divine Grace and Mercy,
shining with
emerald green light and sensations of coolness,
awakening true
peacefulness of spirit.**

**By flowing with emotions of grace and mercy, a
person bestows
peacefulness in self and others.**

**The ability to divinely bless self and others uplifts
consciousness
and feelings.**

**Awareness and emotions are so uplifted that many
times returning
negative karmas are ameliorated so that suffering is
not so necessary to learn harmlessness.**

**Then memory, conscience, and remembrance, awaken
from understanding The
Laws of Cause and Effect, letter I.**

**Cause and Effect shines with light opalescent
radiance and sensations of weight.**

**A Child of Light gains control over the mystical
aspects of breath, and
over everything in physical manifestation.**

**The splendor and majesty that comes from all of the
divine virtues
taken together comes next.**

**This virtue shines with an olive green radiance and
sensations of ease and relaxation.**

**True spiritual morality, vitality, and the ability
to youthen and achieve immortality are awakened.**

**The virtue of umlaut O, eu, is cognition brought about
by Love Divine.**

**Shining with with deep orange radiance and
sensations of weight**

penetrating all, the power to transmute anything into its perfect divine essence is gained.

**The magic of Life sets us on the path to our deepest truth,
the one we discover when we let Love shine from our whole being.**

This brings about justice and harmony, success and satisfaction, letter O, shining with ultramarine blue light and sensations of weight.

With philosophical and scientific integration of the previous degree, the Angels of Golog 15 Aries, a person sees through illusions of separation in time and space.

Then it is easier to operate from the unified field, and ONENESS, and wield powers of divine friendship and love, justice and mercy at a causal level.

To perceive life as made up of unrelated and separate parts is a spatial and temporal illusion.

Belief in an illusion of this sort hypnotically cuts off Life, or Flowing Divine Love, both on a horizontal level of physical communication and on a vertical level of multi-dimensional communication.

The desire to create new realities of Love births divine abilities to successfully change realities. The archetype of the Divine Warrior and Warriress of Love exists in everyone.

To experience victory, this aspect requires a clear perception of oneness,

**OMNIPOTENT FAITH,
and an open heart of love and friendship.**

**We inspire such faith, and divine friendship, mercy
and love as ways
of transforming imperfection into divine new
perfection.**

MIRACLES

HO'OPONOPONO

by Joe Vitale

**"Two years ago, I heard about a therapist in Hawaii
who cured a
complete ward of criminally insane patients--without
ever seeing any of them.**

**The psychologist would study an inmate's chart and
then look within
himself to see how he created that person's illness.
As he improved himself, the patient improved.**

"When I first heard this story, I thought it was an urban legend.

How could anyone heal anyone else by healing himself?

How could even the best self-improvement master cure the criminally insane? It didn't make any sense. It wasn't logical, so I dismissed the story.

"However, I heard it again a year later. I heard that the therapist had used a Hawaiian healing process called ho 'oponopono.

I had never heard of it, yet I couldn't let it leave my mind.

If the story was at all true, I had to know more. I had always understood "total responsibility" to mean that I am responsible for what I think and do.

Beyond that, it's out of my hands. I think that most people think of total responsibility that way. We're responsible for what we do, not what anyone else does--but that's wrong.

"The Hawaiian therapist who healed those mentally ill people would teach me an advanced new perspective about total responsibility.

His name is Dr. Ihaleakala Hew Len. We probably spent an hour talking on our first phone call.

I asked him to tell me the complete story of his work as a therapist.

He explained that he worked at Hawaii State Hospital for four years.

That ward where they kept the criminally insane was dangerous.

Psychologists quit on a monthly basis. The staff called in sick a lot or simply quit. People would walk through that ward with their backs against the wall, afraid of being attacked by patients.

It was not a pleasant place to live, work, or visit.

**"Dr. Len told me that he never saw patients.
He agreed to have an office and to review their files.
While he looked at those files, he would work on
himself.**

As he worked on himself, patients began to heal.

**"After a few months, patients that had to be shackled
were being allowed to walk freely,' he told me.**

**'Others who had to be heavily medicated were getting
off their medications.
And those who had no chance of ever being released
were being freed.**

I was in awe.

**'Not only that,' he went on, 'but the staff began to
enjoy coming to work.**

Absenteeism and turnover disappeared.

**We ended up with more staff than we needed because
patients were being released,
and all the staff was showing up to work.**

Today, that ward is closed.'

**"This is where I had to ask the million dollar question:
'What were you doing within yourself that caused
those people to change?'**

**"I was simply healing the part of me that created
them,' he said.**

I didn't understand.

**Dr. Len explained that total responsibility for your life
means that everything in your
life- simply because it is in your life--is your
responsibility.**

In a literal sense the entire world is your creation.

Whew. This is tough to swallow.

Being responsible for what I say or do is one thing.

Being responsible for what everyone in my life says or does is quite another.

Yet, the truth is this: if you take complete responsibility for your life, then everything you see, hear, taste, touch, or in any way experience is your responsibility because it is in your life.

This means that terrorist activity, the president, the economy or anything you experience and don't like--is up for you to heal.

They don't exist, in a manner of speaking, except as projections from inside you.

The problem isn't with them, it's with you, and to change them, you have to change you.

"I know this is tough to grasp, let alone accept or actually live.

Blame is far easier than total responsibility, but as I spoke with Dr. Len, I began to realize that healing for him and in ho'oponopono means loving yourself.

"If you want to improve your life, you have to heal your life.

If you want to cure anyone, even a mentally ill criminal you do it by healing you.

"I asked Dr. Len how he went about healing himself. What was he doing, exactly, when he looked at those patients' files?

"I just kept saying, 'I'm sorry' and 'I love you' over and over again,' he explained.

"That's it?

"That's it.

**"Turns out that loving yourself is the greatest way to
improve yourself,
and as you improve yourself, you improve your world.**

**"Let me give you a quick example of how this works:
one day, someone sent me an email that upset me.**

**In the past I would have handled it by working on my
emotional hot
buttons or by trying to reason with the person who
sent the nasty message.**

**"This time, I decided to try Dr. Len's method. I kept
silently saying,
'I'm sorry' and 'I love you,' I didn't say it to anyone in
particular.**

**I was simply evoking the spirit of love to heal within
me what was
creating the outer circumstance.**

**"Within an hour I got an e-mail from the same person.
He apologized for his previous message.
Keep in mind that I didn't take any outward action to
get that apology.**

**I didn't even write him back. Yet, by saying 'I love you,'
I somehow healed within me what was creating him.**

**"I later attended a ho 'oponopono workshop run by Dr.
Len. He's now 70
years old, considered a grandfatherly shaman, and is
somewhat reclusive.**

He praised my book, The Attractor Factor.

**He told me that as I improve myself, my book's
vibration will raise,
and everyone will feel it when they read it.**

In short, as I improve, my readers will improve.

**"What about the books that are already sold and out
there?' I asked.**

**"They aren't out there,' he explained, once again
blowing my mind with his mystic wisdom.
'They are still in you.' In short, there is no out there.**

**It would take a whole book to explain this advanced
technique with the depth it deserves.**

**"Suffice It to say that whenever you want to improve
anything in your life,
there's only one place to look: inside you.**

When you look, do it with love.

Thank You for being a part of this splendid work.

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity. Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth,

and the angels who work with him or her.

The being and the angels share the same name.

This name is a key to their powers and influence.

Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon

. Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6,

and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.
Franz Bardon's last autobiographical book, "Frabato the Magician",
gives historical background and was compiled by his German publisher from notes written by Franz
Bardon.
If you have these, it's helpful to read Frabato the Magician first, with appendixes,
and then read appendixes from the other three for background.

Feel free to share these messages.

To understand Universal Consciousness, and immortality, it is very helpful to read The Life and Teachings of the Masters of The
Far East by Baird Spalding

The first three volumes are field notes taken on a scientific expedition to Nepal in the late 1800's.

**The Law of One is the original law of Creation,
and is the supreme Law over all laws in all dimensions.**

THE LAW OF ONE

We are all one.

***When one is harmed, all are harmed.
When one is helped, all are helped.***

***Therefore, in the name of who I AM, and I am one with all there is;
I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED happen .***

***I give thanks that this is done.
SO BE IT!
So it is.***
