The Angels of Divine Emanation

Also known as

The Angels of

Maggio

Beloved,

**Our particular emphasis is inspiring flowing emotions of blessings
filling each son and daughter of light in each and every moment,
so that the highest good of all,
the most perfect beauty,
is attracted into physical manifestation.**

**This is done in each and every situation and place through receiving and
experiencing Divine Emanations.**

**Remember that emotional flow awareness is the divine feminine nature of
universal consciousness that determines physical reality.**

**Emotions are magnetic, contain compressed information, and attract changes
in reality on the physical plane.**

**It is necessary, for heaven to manifest on the earth plane, for emotions to be
heavenly.**

**It is our purpose from Divine Providence, to help the children of light and love
attune to such beautiful emanations
that flow directly from divinity in its purest natural and eternal state, so that
emotional health is enlivened and maintained.**

**Divine Providence has ordained that the children of Light and Love remember
their Divine inheritance of dominion and co-creatorship of Creation.**

Divine Being, Will, Consciousness, Emotions, and Sensations source and enliven all space and time.

To attune to these states of awareness is to attune to the blessings of divine life itself.

Electric Omnipotent WILL for beauty and the highest good of all, and Magnetic Cosmic LOVE, are Emanations of Divine Being.

This source is malleable to the children of Divine Being, presenting infinite potential for co-creatorship with Divine Providence.

Divine Emanations are experienced most easily and directly in gaps between thoughts.

They are experienced best in the silence.

In silence the Source can be more easily and directly experienced.

This experience awakens remembrance of flowing Divine Emotions, of joy, Omnipresence, Omnipotence, Cause and Effect, and Grace and Mercy.

We inspire you to into the silence in meditation and feel emotions of flowing emanations of Divine Being.

Through the electro-magnetic field of energy that is Omnipresent everywhere, a person can INTEND, visualize, and flow emotions that attract into manifestation whatever changes that they desire from Divine virtues.

**One of the most important reasons for taking on physical incarnation is this ability to
BLESS AND CREATE PERFECTION IN EACH AND EVERY MOMENT
for self and others.**

THE 14TH DAY OF THE 28 DAY MOON CYCLE

FULL MOON

The Angels of Moon Magic

Also known as

The Moon Angels

of

Ezhobar

Beloved,

When emotions run at full power, magnetic attraction peaks.

**Remember,
magnetic attraction, caused by strong feelings, attracts changes in
matter.**

That is why tangible feelings of divine happiness are so important.

**It is also why we help the children of divine being remember,
intuitively,
all that has been so carefully learned throughout lifetimes,
in the infinities of time,
that the soul has experienced in beingness.**

**These lessons, or experiences,
help a person to see through eyes of love,
and in this way bring about justice and harmony for all.**

**We help each person experience oneness with all life,
so that only the highest good of all concerned is desired.**

**Emotions attract particular realities out of infinite potentialities,
that correspond to their frequencies, and manifest thereby specific physical
worlds.**

**During the time of a full moon, emotions are at their most powerful,
so manifesting changes on the physical plane is easier at this time.**

**This is why it is so important to attune emotions to the highest frequency
possible,
by healing negative ones and aligning with highest will and thoughts with
their corresponding feelings.**

Polarity is a fact of creation on all levels and emotions have polarity.

**By mastering polarity in the emotions, all things are possible, including
levitation of self, others, and objects.**

**The key is mastery of whole brain concentration on the four levels of being,
simultaneously, while feeling powerful emotions.**

**The level of Delta brainwaves allows a person to feel oneness with the unified
field of energy,
oneness with Divine Consciousness and with all life.**

**At the end of the spectrum of Delta brainwaves,
INTENT or WILL is generated for manifesting a divine virtue for the benefit of
the unified field.**

This is the level of electrical energy.

The stronger the WILL, the larger will be the mold that is created on the next level, which is thought.

At the level of Theta brainwaves, a person contemplates the MEANING of a divine virtue that is being generated.

Clear and precise intellectual understanding of the divine virtue creates a blueprint,

or mold that will be filled on the next level with magnetic feeling energy.

The next level, Alpha brainwaves, is the level of EMOTION.

Strength of EMOTION determines the strength of the magnetic power generated to fill the mold that was created on the previous level.

When the mold, or blueprint is filled, it manifests on the next level, which is the level of form or matter.

The level of form is comprehended by Beta brainwaves, which register the five senses, memory, language and linear thought.

It is on this level that changes in form are experienced by the five senses and subject to memory,

when they can be remembered at any future time.

During a full moon, a person can align his/her strongest emotions with the most powerful emotional energy of the Unified Field with great ease, and piggyback personal feeling energy with Divine Feeling Energy.

In this way, the most amazing manifestations in magnetic and physical creation are mastered.

Ideally, in the previous two weeks, divine intention/will, concept/thought, feeling/passion and sensations of desired changes in physical manifestation have been pondered and created.

Now, by feeling these creations with the greatest passion, is the time of ultimate manifestation.

Meditate on the divine virtues associated with the letters of our name, and call on our help, to gain the following:

E-Z-H-O-B-A-R

We impart ingenuity that manifests itself in a number of abilities.'

"As above, so below."

**The cycles of the moon are the natural cycles and rhythms of the sea of magnetic energy,
the sea of the emotions of the universe.**

By consciously aligning personal emotions with moon cycles, a state of almost indescribable bliss and well being can be maintained on an on-going basis.

Periods of quietness at the dark of the moon gives birth to new feelings which grow gracefully into periods of intense excitement and completion at

the full of the moon.

The period of passionate completion of the full moon then gradually relaxes into satisfaction and serenity at the end of the cycle, at the dark of the moon, again.

The 28 day cycle of the moon, the dark of the moon waxing to the full moon and the waning back again to the dark of the moon, carefully guides the emotional sea of magnetic energy for all creation, according to impeccable rhythms of harmony and life.

Here is a useful exercise to help master polarity of emotion:

Choose a polarity such as excitement/relaxation.

Close your eyes and feel excitement.

Concentrate fully until your entire being is infused with the feeling of excitement!

Next feel relaxation.

Concentrate fully until your entire being is peaceful and floating, filled with feelings of relaxation.

Now feel excitement again!

Feel it fully, taking your time to work up to full awareness of its power!

Now feel relaxation again, feel it until you merge fully into peaceful, calm, quiet, being.

Now remain in a state of relaxation WHILE AT THE SAME TIME FEELING EXCITEMENT!

Feel these two feelings AT THE SAME TIME!

This exercise enhances wholebrain awareness.

It becomes effortless with practice.

**This is useful to master any polarity such as acceptance/rejection,
joy/sadness, confidence/fear, etc.**

On the 14th day of every 28-Day Moon Cycle,

we flood the earth with powerful feelings to manifest miracles.
