Since Earth is a water planet with many natural herbs and substances endowed with healing properties, a seeker learns to further spiritualize earth, water, and plants with divine virtues

Through conscious acts of Sons and Daughters of Divine Light and flowing Love, and with the help of the heavenly hosts, perfection manifests fully through the four elements and corresponding four brainwave states so that Heaven and Earth are one.
This is the original dominion over all that is created that was given and ordained by Divine Providence in the beginning.

We inspire each of you at appropriate times to go within

and behold the majesty and splendor of all the Divine Virtues taken together.

In deep Delta brainwave states of pure being and unity with Divine Being and all creation,
awareness of their presence existing in all time and all space everywhere, past, present, and future,

creates flowing emotions of true awe and spiritual morality, youthening, and even immortality.

Imagine these splendid divine qualities and virtues manifesting through healing waters and plants.
Spiritualize healing substances with them through will and feelings of Divine Love.

Emotions of divine splendor and the majesty attract heavenly changes in physical reality.
The deeper and more that divine emotions of awe flow, the greater and more clear are enlightenment and transformation attracted into physical expression within all that you direct them to.

In this last degree of Aries, WILL is mastered to impulse and visualize new realities of Divine Love.
In the next thirty degrees of Taurus, Divine Love manifests in practical ways on Earth.

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions:

Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name. This name is a key to their powers and influence.

Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from

and Information of the divine virtues and the letters are referenced
from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].
Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.
These books have very important information for these studies.**

**The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a
preparatory book for the others.**

**Franz Bardon's last autobiographical book, "Frabato the Magician",
gives historical background and was compiled by his German publisher
from notes written by Franz Bardon.**
