Jajaregi

Beloved,

We specialize in writings of mysticism and sacred teachings.

Sons and daughters of God who write about Truth and Wisdom are inspired by us.

We know very well how to inspire the mystic so that he is able to reproduce occult powers,

effect, laws etc. in the form of novels.

Many mystics who have published novels dealing with mysticism have been inspired by us without having been aware of it.

The letter J is one of the most wonderful letters of the ancient language.

It represents the divine virtue of all-embracing love.

The letter A that follows it represents the virtue of infinite wisdom and enlightenment.

Notice that J-A is repeated twice in the beginning of our name.

Our intent is to inspire the sons and daughters of God to write of the infinite all embracing love

of Divine Consciousness
so that infinite wisdom and enlightenment brings the independence and freedom
that comes from following inner guidance to all.

Freedom and independence, which is the divine virtue of following ones inner guidance,

free from any outside constraints, is represented by the letter R.

Independence and freedom to follow inner guidance is the birthright of all beings in Gods creation.

This virtue of omnipresence is represented by the letter E of our name.

Because mistakes have been made prior to enlightenment by all beings, and the law of Cause and Effect requires that each being reaps what they have sown, the Divine Virtue of Grace and Mercy allows the negative effects of mistakes to be lessened as much as possible.

As each child of God purifies and uplifts their will, thought, feelings, and actions,
the vibratory level of their entire manifest being increases and gets lighter.

They are lifted above the lower vibrations of the past.

When the time comes to reap the seeds of the mistakes of the past,
lower frequency karmic returns bounce off the higher energy field, making
only the slightest effect if any at all.

By making available teachings on higher truth through many avenues,
including the writing of mystical novels and literary pieces,
many a person is uplifted so that the virtue of Divine Grace and Mercy is set
into effect.

The Virtue of Grace and Mercy is represented by the letter G of our name.

When through all encompassing love, wisdom, inner guidance,
and grace the laws of Cause and Effect are learned and mastered, heaven
manifests on earth.

The virtue of Cause and Effect are represented by the final letter I of our
name.

Love, true pure refined love, conquers all.

God is love.

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name.

This name is a key to their powers and influence.

Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

The Law of One is the original law of Creation, and is the supreme Law over all laws in all dimensions.

THE LAW OF ONE

**We are all one.
When one is harmed, all are harmed.
When one is helped, all are helped.
Therefore, in the name of who I AM, and I am one with all there is;
I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED happen .
I give thanks that this is done.
SO BE IT!
So it is.**
