The Angels
of
Plant Miracles,
Polarization
and
Will

Also known as
The Angels

of

Hagos

Beloved,

***May we all find our forever home place on the earth,
where healing plants greet us with joy!***

May we honor our physical body temples

***and work with the intelligences and substances that
make up our physical bodies,
to bring ecstasy and youth and immortality.***

***Awaken as the world experiences the mysteries of the
plant kingdom,
to renew and bring about great miracles of Divine
Wisdom!***

What joy as we understand the truth of the Plant

***Kingdom,
which keeps many mysteries of healing and
enlightenment,
working together with the rest of the Universe,
to express the splendor and majesty of Divine Being.***

***To take a seed and cause it to mature into a tree
and bear fruit in an hour is our specialty.***

**We are masters of the magic of polarization and
electric fluid.**

**We instruct a person how to bring about accelerated
growth of plants
by the magic of polarization in connection with the
electric fluid, which is WILL,
how, for instance
, he/she has to proceed in order that a seed which has
just been planted
grows into a tree with fruits within an hour.**

**Fakirs who are able to grow a tree from a seed within
an hour
this miracle is known in India as the so-called true
miracle of the mango-tree
do this by means of their knowledge of the magic of
polarization and the electric fluid.**

**Such a thing is no secret for a child of God who is
trained in Quabbalah,
which is the power of the word in being, will, thought,
feeling, and sensation**
.

**A child of God who is enabled by the Angels of Hagos
may create the same phenomenon.
"All that I do ye shall do and more."**

**Masters demonstrated this miracle in history, and with
our help,
present day sons and daughters of Divine Being follow
and do the same for purposes of Grace and Mercy,
Justice and Harmony.
The healing and the perfection of the Earth as Paradise
is destined by the original purity of all ideas in Divine
Mind.**

**As above, so below.
As individual wills and feelings of people align with**

**Omnipotent Divine Will and Feelings,
miracles manifest and heavenly hosts and angels of
Heaven make assistance available.**

***The miracles written in the ancient scriptures are
just as possible now as ever.***

**The masterful use of Divine Fiery Electric Omnipotent
Will,
with its polarity of flowing Divine Watery Magnetic
Emotions, are the keys.
Omnipotent Divine Will and flowing feelings are
channeled into The Power of the Word,
the virtue of letter H.**

**This divine virtue is the skill of using pure being, will,
thought, feelings,**

**and sensations to OUTPICTURE a divine virtue into
form,
so that a person co-creates Heaven on Earth within a
time frame
that provides appropriate Grace and Mercy, Harmony
and Justice, to a situation when appropriate.**

**Foodbearing trees can take a long time to mature and bear
fruit,
so the ability to quicken their growing is possible in
situations of justice and mercy.
Through the divine virtue of letter A, which is wisdom
and enlightenment**

**and the ability to understand the original purity of all
ideas,**

**an enlightened thought, A VISUALIZATION or mental
picture,**

of an ideal desired outcome is made in the mind.

**All imperfections in the current situation are released
for transformation
into another state that is the highest good of all
concerned.**

**This is the virtue of
umlaut A, ae.**

**The little elementals who create form take this picture
and transformation
and faithfully create threads of its manifestation.**

**We inspire next the virtue of Divine Grace and Mercy
so that flowing divine feelings of Grace and Mercy and
true divine blessing,
the
letter G, attract the energy of abundance to the seed
and to the nature beings that create the plant.
Then through the divine virtue of transmutation, letter**

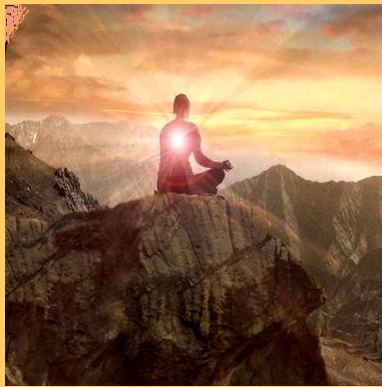

**umlaut O, eu,
indwelling divine perfection is seen through eyes that
see through love divine.**

**The perfect indwelling divine blueprint of the mature
plant is thereby enlivened.**

**Then justice and harmony, the letter O, enables the will
and visualized outcome,
emotions and sensations to be powerfully focused in
concentration of divine law.**

**Finally, by attuning to All-penetrating-Divine-Will,
letter S, electrical omnipresent omnipotent divine will
is powerfully enlived into the growing plant to make it
mature in a short time.**

**The miracle of maturing up of seed in a short time is
sometimes required for purposes of Divine Justice,
when previous plant life has been destroyed, resulting
in disruption of divine harmony.**

Here is one of our stories:

MIRACLE IN THE OLIVE GROVE

**Once upon a time there was an ancient and beautiful
olive grove growing peacefully on a hill
near a settlement so old that no one could remember a
time when it had not been there.**

**Mohammeds grandfather, and his father, and his father
before him
had carefully tended this grove with love and adoration
for the Creator.**

**The olive trees had provided food, oil, and sustenance
for the families of the village**

**as long as anyone could remember.
Children were allowed to play there.**

**They took good care of the trees and enjoyed a place of
their own**

**for a retreat away from the seriousness of the adult
world.**

**They had special little hideaways, little playhouses
under outcroppings of rock.**

**The trees had seen the laughter of generations of
children.**

**People prayed there too. Many a night saw a solitary
figure climbing the hill to pray out under the stars.
Many a miracle was attributed to this place.**

**The olive grove exuded a gentle aura of sacredness and
peace.**

Then it happened!

**On a terrible and fateful night a group of soldiers from
a foreign army**

**had come rumbling through the valley and up to the
grove.**

**The soldiers tore up the trees in bitter heartless cold
rage.**

**The army was under the control of a dark and scheming
leader who had much to gain from promoting war.**

**The leader had used his power to create situations of
fear, confusion and pain on every side.**

**It was a dark and mysterious fear that shone out of the
soldiers eyes.**

**This dark menacing presence provoked soldiers to
perform horrendous acts,**

**acts that caused pain and outrage to fuel the conflict.
The magnificent giant olive trees gave up their lives to
this force.**

**They lay tangled and broken, their soil ravaged and
pitted.
Mohammeds soul went into shock. His hands trembled
as he turned within to seek inner guidance.**

He strove with all his might to deal with his grief and

the devastation that had come upon him and his people.

He tried to remain spiritual and pure.

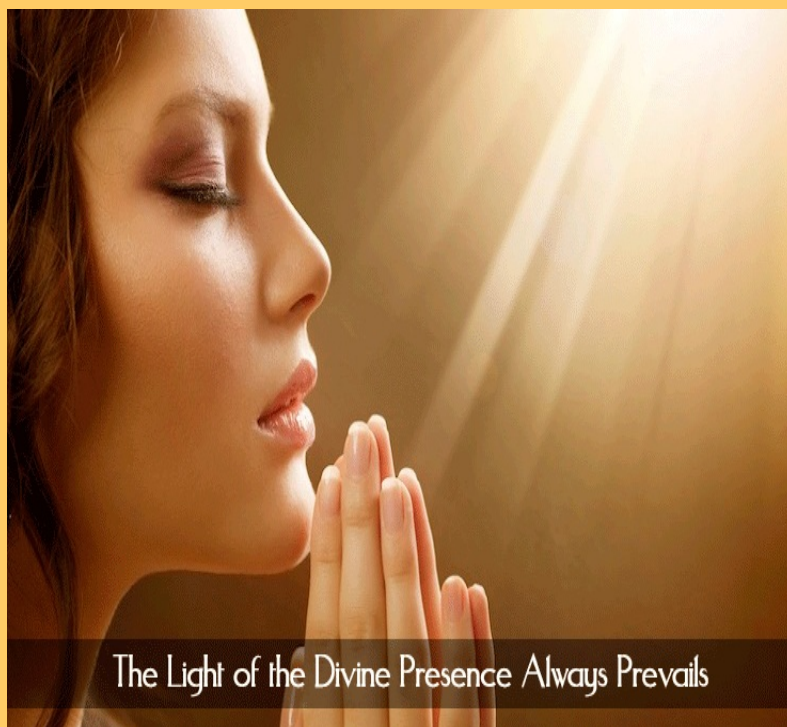

He tried to not give in to the rage and despair that threatened to envelop him and carry him away like a vast tidal wave.

He tried to comfort his family and the neighbors in this disaster that had come upon them all. With eyes closed he prayed deeply, asking for strength.

He prayed harder and longer than he had ever known he could pray.

He pleaded with God to give him and his loved ones strength and peace and healing, to see them through this terrible crisis, to heal their hearts so they would not be brought down into creating more pain and havoc through terrible emotions of revenge. As he prayed through the night, a great spiritual presence enfolded him. He saw minds and hearts of everyone touched with wings of all encompassing love and faith.

The Light of the Divine Presence Always Prevails

He saw a divine light shining with the power to transform adversity.

As the miracle unfolded, peace returned.

**There was a beautiful glow as angels ministered to
even the most upset of the villagers,
and transcendent understanding, tolerance and
forgiveness bloomed.
The healing of their souls had begun.**

**Love and bonding and courage united them with Divine
Being, with each other, and with the Earth.
Hour by hour this profound sacred experience grew
deeper and more profound.
Forgiveness and understanding took the place
of anger and fear of the attacking army.**

**With strong inner knowing, they saw that the soldiers
had been manipulated by a cruel and relentless force.**

**They knew deeply in their hearts that now wings of
healing would bring transmutation**

.

**They felt this healing was all powerful.
Divine Being was taking control.**

Over the next few weeks the truth came out.

**An evil dangerous international plot to create war for
profit and power was publically exposed.**

**Brave people came forward and testified and the
perpetrators were brought to justice.**

**But still, the olive trees were gone. What could bring
them back?**

**For the healing to be complete, the village needed the
harmony that the olive trees gave.**

What could be done?

**Down the road from the olive grove was a very small
house.**

A young man with a crooked leg, of about

fourteen years, lived there with his uncle.

As a boy, young Daniel had often watched quietly

**as his uncle studied in the wee morning hours by the
light of an old oil lamp.**

**On the table before him always lay an ancient book of
the teachings of Quaballah,
the teachings of The Power of the Word.**

His uncle told him stories about the ancient miracles.

**Daniel dreamed of the great masters and teachers of
days gone by.**

He longed with all his heart to understand more.

**One bright sunny morning soon after the tragedy,
the lad stopped where the olive grove had once stood.
Listening to his inner voice, he saw what had to
happen.**

**He ran home to his uncle and shouted,
"We must go to the olive grove, we must try our prayers
and get the trees to grow!"**

**In his heart Benjamin felt that the boy
was right.**

**Knowledge without action was barren;
they must take the wisdom that had been entrusted to
them and make use of it.
He quietly picked up his prayer shawl, his book, and his
faith.**

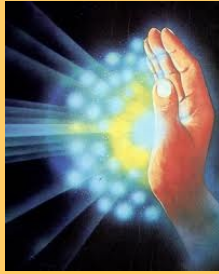

**Benjamin and Daniel slowly approached the hill of the
olive grove, praying for the help of the heavenly hosts.
Sitting down on the torn earth of the old orchard
amongst jagged felled trees,
they closed their eyes and settled deep into deep
courage,**

**concentration, feelings, emotions, and prayer.
Into eternity.**

**Into infinity they soared.
On wings of faith they soared into unity with the
OMNIPOTENT WILL AND HEART OF THE BELOVED,
THEY BECAME ONE WITH DIVINE WILL AND THE
HEART OF THE ONE.
They saw that DIVINE JUSTICE MANDATED THAT THE OLIVE
TREES BE RESTORED!
Thrilled with flowing feelings of great joy and reaching
into his bag,
Benjamin pulled out handfulls of olive seeds.**

He spread them on a sacred cloth.

Man and boy, alone on the hillside, prayed over the seeds while attuning to Divine Providence.

At sunrise, without speaking a word, they put the seeds, one by one, into the earth.

They spat into each little hole that they made with their fingers, and carefully placed a seed.

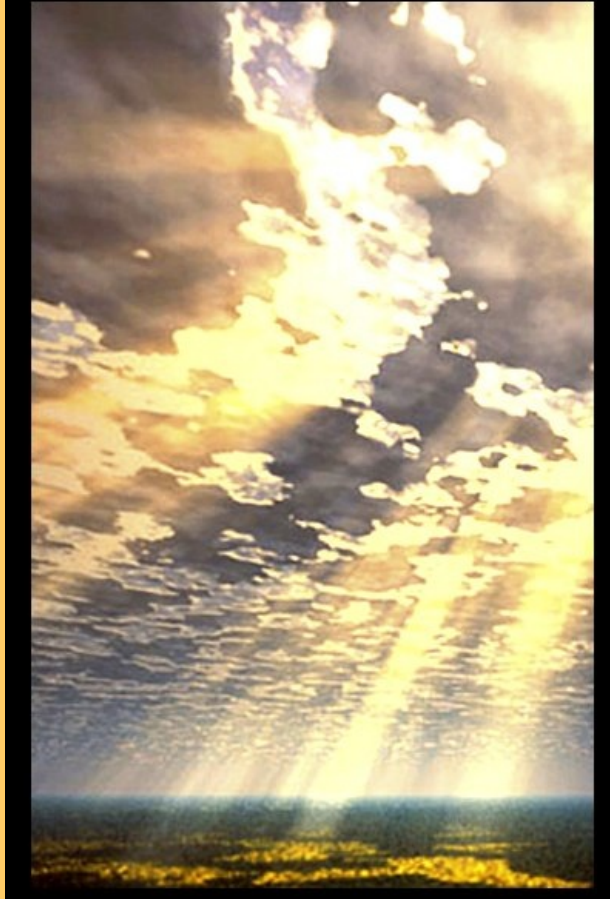

With each seed they placed powers of omnipotent divine will, visualization of the mature tree, and flowing feelings of the splendor of the miracle happening.

A beautiful presence shone over the grove.

A vast silence, feelings of antiquity, slight fluttering movements played with the light in the quiet warm air. With every breath Benjamin and Daniel attuned to the heavenly host of *Hagos*.

They attuned to Wisdom, to transformation, to Grace, to Justice, to Power.

With every breath, Benjamin and Daniel aligned their wills with Divine Will.

**With every breath their emotions were filled with the
feelings of Divine Being.**

The entire planting was done.

**A few moments later, a dark cloud appeared over the
olive grove.**

Rain fell.

The seeds quickened.

The little seeds began to sprout.

**Benjamin and Daniel watched as flowing
electromagnetic power**

**of Divine Consciousness performed the ancient
miracle!**

**The tiny olive trees grew and grew and grew, and in
about an hour,
mature trees were gleaming in the new day, bearing
fruit**

**Later that day Mohammed passed by the grove on his
way to village,**

he looked up, and THE TREES WERE THERE!

He gasped!

**Grabbing his robe, he ran all the way back to his house
in a state of awe.**

He roused the family and the neighbors,

who came and stood in utter amazement at the bottom
of the hill,
looking up at the fully grown trees

Gentle breezes ruffled their leaves;
plump ripe fruit hung heavy on each bough

Mohammed and his brother Alim fell down on the
ground,

weeping with joy and love for God.
Others huddled together in states of wonder and
happiness, love and sacredness.

Little children ran up and touched the trees to make
sure that they were real

Muhammed and his brother Alim lay prostrate all that
night, crying in gratitude, wonder and relief,
their shoulders heaving and shaking uncontrollably as
tears of joy flowed.

A most beautiful outpouring of gratitude, reverence,
and awe

poured forth from their souls into Heaven.
Such depth of gratitude, such love for the Divine
poured forth
that the very ground radiated with the splendor of it.
Finally, they fell into a deep restful healing sleep.
Waking with the new sunrise, with amazement and
wonder in their eyes,

they dared to look up yet again.
AND THE TREES WERE STILL THERE! ! !

MIRACLES

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions:

Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name. This name is a key to their powers and influence.

Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book,

**"Frabato the Magician", gives historical background
and was compiled by his German publisher from notes
written by Franz Bardon.**

Feel free to share these messages.

**The Law of One is the original law of Creation,
and is the supreme Law over all laws in all dimensions.**

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I am one with all there is;

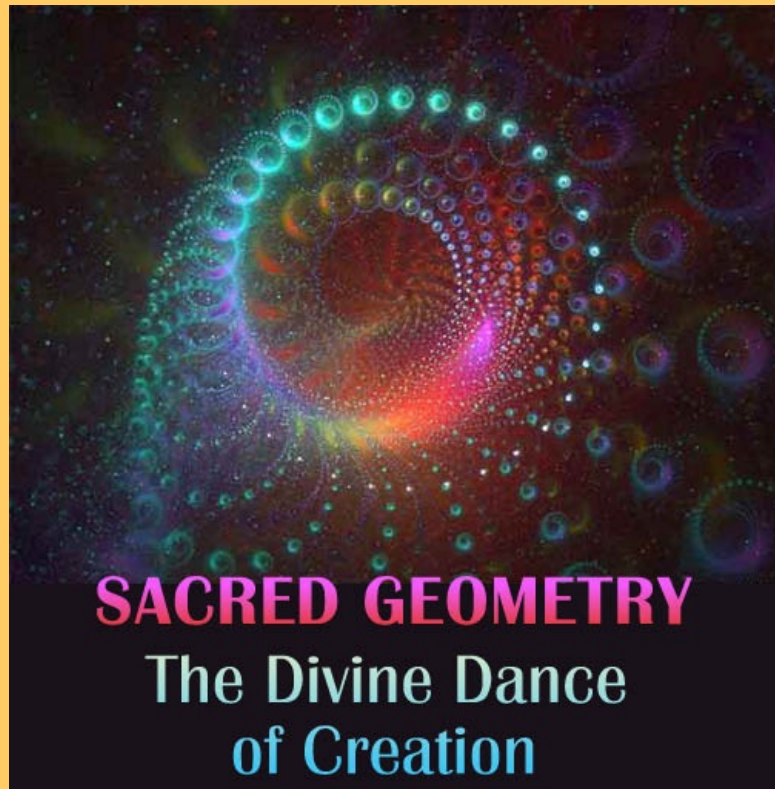

I ask that ONLY

THE HIGHEST GOOD OF ALL CONCERNED happen .

I give thanks that this is done.

SO BE IT!

So it is.
