***We help a child of God acquire a clear mind,
good power of judgement,
sagacity and cleverness,
through high intuition and inspiration.***

We help with examinations in diverse fields of science

and more of this sort.***

*When I agree to let myself be guided
by the small, quiet and wise voice of
my soul consciousness, I easily discover
where to go to follow my Destiny.*

Here are a few notes for meditating on the letter H:

Go deep within the stillness, within your quiet inner space
 in which you experience yourself as pure being that is one with Divine Being and all creatio

Himagine that a silver violet light shines from a tiny sun in the head region.

It shines with warmth and expansion everywhere
through all the whirling galaxies of atoms and molecules which form the brain.

Meditate on the power of the word, on how each divine virtue,

represented by a letter, can be brought forth into manifestation
in being, will, thought, emotion, and sensation.

Contemplate how each divine virtue is first enlivened in the body,

which is the microcosm,

and then with the breath it can be enlivened in the outer world, which is the macrocosm.

Flow with feelings of The Power of the Word and intone the note of A to enliven these feelings.

With the breath, experience this radiance passing through the pores of the skin of the right

With the inbreath, visualize this silvery violet light passing back into your body
through these same pores of the skin.

When you are finished, dissolve the light silvery violet light in the body.

which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth,

and the angels who work with him or her.

The being and the angels share the same name.

This name is a key to their powers and influence.

Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from

THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6,

and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-01-8,

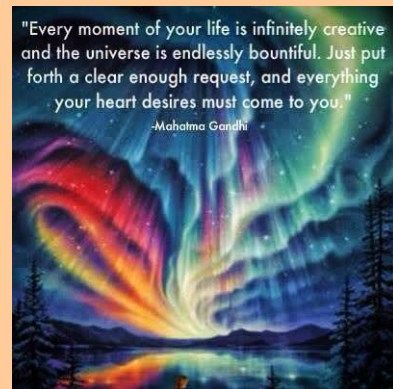

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

These books have very important information for these studies.

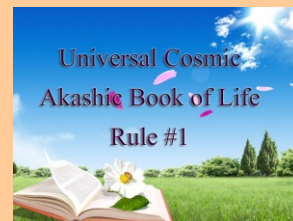

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician",

gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

The Law of One is the original law of Creation, and is the supreme Law over all laws in all dimensions.

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I am one with all there is;

I ask that ONLY

THE HIGHEST GOOD OF ALL CONCERNED happen .

I give thanks that this is done.
SO BE IT!

So it is.
