The Angels of

Gnomes

Also known as

The Angels of

Baalto

Beloved,

***One of the most beautiful gifts mankind
can give back to The Divine,
is gratitude for the privilege of life,
and using free will to follow Divine Laws
of Nature,
and thereby manifesting***

Divine Love for all Creation.

***Divine Love lives within all there is, and
expresses as creation itself.***

All is holy.

***Remember that there are heavenly hosts
that serve divine love in every density,
in all space and time.***

*Those hosts that are spoken of as elemental beings of
gross matter,
of Earth and the underground regions,
are known as gnomes.*

*They function as nature spirits who build up and
maintain matter.*

***'We, the angels of Baalto, supervise the kingdoms
of the gnomes, and we***

*know all about the subterranean waters, ores,
volcanoes, electromagnetic
currents, and the like.'*

*'We tell you the exact time of volcanic eruptions
and earthquakes.*

We are experts on the subject of mines.'

We help the children of Divine Being experience that
Divine Consciousness that penetrates each thing and
each being,
and holds it in its place,
and gives it life,
through immutable Divine Laws of Nature .

These beautiful natural laws are expressions of Perfect
Divine Will for the highest good of all.

We reveal how the kingdom of the gnomes out
pictures great beauty and harmony throughout earth.

Now is the time that people in purity, humility and
love
learn from the Laws of Nature,
and work in cooperation with them.

**People have been given dominion over the Earth
and all that live upon, over, or under it.**

**As people attune individual wills to Omnipotent
Divine Will for Heaven on Earth,**

**and Heaven and Earth become one in perfection
and beauty,
then, the beings of the underground realms,
the gnomes,**

are related to with love and familiarity.

**Then the desires of the children of Light bring joy
and peace to these elementals,
who, because of mankind's dominion,
will out picture faithfully the harmonious energy
generated through mankind's consciousness.**

**We help the sons and daughters of divine being
remember
that it is the sons and the daughters of Divine
Being
who have been given free will and dominion over
creation.**

**We help people
listen first to intuition,
the inner voice of guidance,

instead of intellect and logic,
that has been conditioned by outer information,

so that Divine Will for perfect harmony and peace
can be best known in each unique moment.**

**Meditate on high inspiration, the letter T, so that
genius concerning anything
that is focused upon aligns fire, air, water, and
earth.**

**High inspiration aligns being, will, thought,
emotion and sensation to accomplish control over
the elements.**

Through this inner guidance genius awakens.

**With high inspiration,
the intellect,

which was created to be a faithful servant of the
intuition,

better translates intuitive guidance into action
and form
in the physical world of gross matter.**

**Always remember that Earth and the underground
realms are infused with Divine Consciousness,
because this consciousness of Divine Being and
Love is omnipresent,
omnipotent and omniscient in all realms.**

Call on The Law of One,

**and the true spiritual morality of all the divine
virtues taken together,**

**to manifest the splendor and majesty of Divine
Being everywhere,
including this beautiful Earth.**

**Because so many people spent generations using
intellect and logic to determine direction,
instead of following divine high inspiration,**

Divine Will

**for perfect beauty and harmony with all realms of
creation
was sometimes not obeyed,
and gross ugliness and disease resulted in the
physical world.**

**The gnomes, who out picture the effects of the
will of mankind,**

**were saddened and sickened by these results of
mankinds intellect.**

**Now is the time when victorious conquering
divine love,
flowing through the heart
awakens high inspiration and true spiritual
morality**

in the children of Divine Love.

"Love conquers all."

The original purity of all ideas in Divine Mind

**are once again inspiring the release of
imperfections**

**for changes into other states
that are the highest good of all.**

**Now is the time when the intellect performs its
functions as a perfect and good servant of true
spiritual morality,
as it was always meant to do.**

On Earth as it is in Heaven.

**Now is the time that people in purity, humility and
love
learn from the Laws of Nature
and work in cooperation with them.**

**Together we out picture Divine Will,
and lovingly guide the gnomes of the Earth
to manifest Heaven on Earth.**

**One of the most beautiful gifts mankind can give
back to The Divine Being is gratitude for the
privilege of life,
with the use of free will to follow Divine Laws of
Nature
to manifest Divine Love for all Creation.**

**By seeing through the eyes of love,
we manifest the beauty and splendor of all the
divine virtues taken together on Earth.**

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions:

Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name.
This name is a key to their powers and influence.
Names, phrases, and sections, in the angel messages are quoted or

paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from

THE PRACTICE OF MAGICAL EVOCATION,
ISBN 3-921338-02-6, and Information of the divine virtues and the
letters are referenced from THE KEY TO THE TRUE QUABALLAH,
ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books
have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a
preparatory book for the others. Franz Bardon's last
autobiographical book, "Frabato the Magician",

gives historical background and was compiled by his German
publisher from notes written by Franz Bardon.

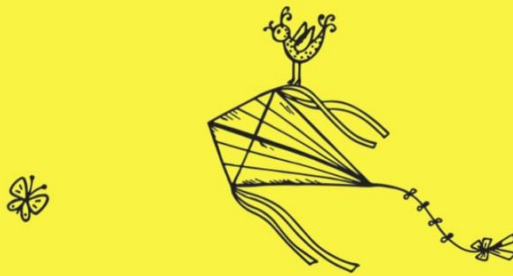

If you have these, read Frabato the Magician first, with appendixes,
and then read appendixes from the other three for background.

Feel free to share these messages.

Step one for **changing** the entire world is
falling in love with it as it **already** is.

Same for changing yourself.

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I am one with all;

***I ask that ONLY THE HIGHEST GOOD OF ALL
CONCERNED happen.***

***I give thanks that this is done.
SO BE IT!***
