The Angels of Philosophy

Also known as
The Angels of

Gagison

Beloved,

**We help you comprehend all religious
systems of this physical world
of the past and the present.**

We inspire universal philosophy.

We help you get to the bottom of any religious system and find the universal laws effective in it.

We also show to what extent universal laws have been hidden, veiled, misused, and misunderstood, and we help you correct these errors

from the philosophical point of view for
your personal use.

**We inspire the experience and
understanding that there is ONE LIFE**

**that lives and moves in all beings,
large and small,
so**

**whenever any life is helped,
no matter how small,
the unified field of life is blessed as a
whole.**

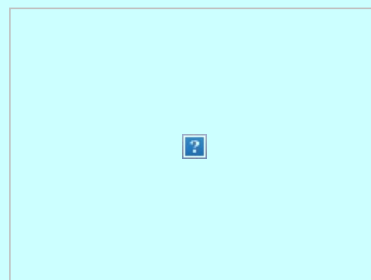

**That is why these and similar sayings ring
true:**

***"What you do unto the least of these you
do unto Me."***

***"Do unto others as you would have them
do unto you"!***

**"Step on a blade of grass and the universe
trembles."**

"God is aware of the least sparrow".
**Blessing others is the core and essence of
the divine virtue of Grace and Mercy,
the
letter G, which is the first letter of our
name.**

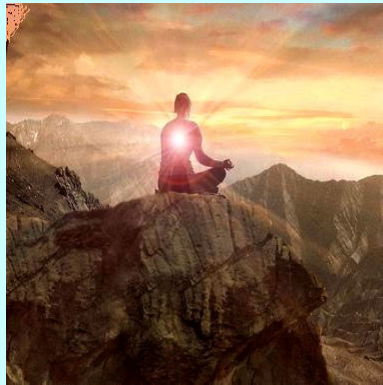

**Meditating on this virtue enlivens true
divine blessing for self and others.
We inspire the sons and daughters of
Divine Life to meditate on divine grace
and mercy in all their aspects.**

We help with the understanding of how far legality goes and how divine grace and mercy effects man and animal to bring success and satisfaction to all.

**Meditate on the virtue of divine peace in the spirit,
the experience of peacefulness and the blessing of Divine Providence.**

Flow with emotions of divine happiness and complete satisfaction.

**Because emotions send out frequencies that attract new realities on the physical plane,
doing this anchors the original divine will for Heaven on Earth.**

Meditate on all phases of true abundance and success in the physical world for all beings

2

This is the age when spirit and soul unite in perfect union.

***Finally we realize that we are all ONE,
and that all religions are different
pathways to the top of the same mountain
called truth.***

*As we embrace The Law of One, the
highest good of all,*

*then each pathway does not have to have
dangerous blocks,
and the journey to the top is relaxed,
joyful, easy and inspiring.*

**We help with understanding that
according to the law of Reciprocal Action,
the law of cause and effect**

**negative results of past mistakes become
a bitter harvest.**

**By continuously uplifting ones state of
being, desires, thoughts, emotions,
and actions in holiness and helpfulness
through grace and mercy,
a person greatly heightens his or her own
vibrational field
which reduces dire effects of returning
negative karmas.**

**True divine blessing brings peacefulness
of the spirit,
and encourages helpfulness in all
concerned.**
**Remember that a higher frequency results
from turning away from harmfulness
and aligning individual will with
Omnipotent Divine Will for the highest
good of all.**

**A higher frequency repels lower
frequencies of returning negative karmas.**

**In this way negative karma is greatly
weakened in its effects,**

**and manifests symbolically instead of
harmfully.**

**All of the web of life is then blessed
because it is spared ripple effects of
suffering
resulting from unfortunate effects of past
misdeeds.**

**If the dire effects of every wrong were
not made less through**

**the virtue of Grace and Mercy,
the painful results, the painful reapings,
could be grievous to the entire web of life.**

**Because everything is connected to
everything else, harm anywhere effects
everything everywhere,
so whenever a person turns away from
harmful activities,
and embraces Divine Will, so great is the
rejoicing in Heaven for this very reason!**

**By meditating on the divine virtue of
wisdom and enlightenment,
the second letter of our name, the
letter A,
the original purity of all ideas in Divine
Mind are comprehended.**

**In this way, a person can look at any idea
in any religious system
and determine how much it corresponds
to the original purity of all ideas.**

**All imperfections can then be released,
let go, for changes into other states,
through the virtue of**

umlaut A, ae.

**Once the original perfection of all ideas
are understood,
the importance of true divine blessing
becomes more obvious.**

**That is why the letter G, the divine virtue
of Grace and Mercy,
appears again as the next letter in our
name.**

**Whatever is identified with, whatever is
desired, whatever is thought,**

**whatever is felt, and whatever is sensed
goes out and gathers more of its kind
through**

**the
Law of Attraction and
returns to the sender much stronger than
when it went out.**

**Meditating on The Law of Cause and
Effect, which is the divine virtue of letter
I,
allows a person to comprehend Karmic
Law, the Law of Sowing and Reaping.**

**This virtue awakens memory,
remembrance and conscience
and points again to the great importance
of using free will very carefully.**

**This virtue reveals strengths and
weaknesses in philosophical systems.**

**The divine virtue of all-penetrating-divine-
will-power is the letter S.**

**By attuning to omnipresent Divine Will,
The Law of One,
and understanding that Divine Will
penetrates all and is found within ALL of
creation,
a person foresees the direction of any
philosophy, any being or group of beings,
because all creation must travel in the
direction of Divine Will to survive.**

**The Law of One is the original law of
Creation,
and is the supreme Law over all laws in all
dimensions.**

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I am one with all;

**I ask that ONLY THE HIGHEST GOOD OF
ALL CONCERNED happen.**

**I give thanks that this is done.
SO BE IT!**

**To the extent that the original purity of
Divine Will for the highest good of all is
aligned with,
happiness and joy are the outcome.**

To the extent that Divine Will is not aligned with, misery and suffering are the outcome.

**It is easy to see.
As it was in the beginning, is now and ever shall be, world without end.
By seeing a person, situation, or anything in creation through eyes of Love Divine, indwelling Divine Perfection is perceived and enlivened.**

This is the action of transmutation, the

**letter umlaut O, eu.
This awakens mastery of Divine Harmony and Justice, The Law of One,
which is the letter O of our name.**

All lessor laws come from this one great original law.

By meditating on harmony and justice, a person understands

**that success and satisfaction for all creatures and beings is the LEGALITY of life in the manifested universes.
And finally, the divine virtue of Supreme happiness, the letter N, reveals solutions to problems.
With this virtue, the spiritual maturity of any person or philosophy is perceived.**

Waves of JOY, BLISS, AND SUPREME HAPPINESS IN ALL forms the Mental-Emotional Matrix of Creation, and is the essence of coherence.

**"For I have not given you the spirit of fear, but of joy and life everlasting."

MIRACLES

PEOPLE ARE OFTEN UNREASONABLE, IRRATIONAL, AND SELF-CENTERED.

FORGIVE THEM ANYWAY.

IF YOU ARE KIND, PEOPLE MAY ACCUSE YOU OF SELFISH, ULTERIOR MOTIVES.

BE KIND ANYWAY.

IF YOU ARE SUCCESSFUL, YOU WILL WIN SOME UNFAITHFUL FRIENDS AND SOME GENUINE ENEMIES.

SUCCEED ANYWAY.

IF YOU ARE HONEST AND SINCERE PEOPLE MAY DECEIVE YOU.

BE HONEST AND SINCERE ANYWAY.

WHAT YOU SPEND YEARS CREATING, OTHERS COULD DESTROY OVERNIGHT.

CREATE ANYWAY.

IF YOU FIND SERENITY AND HAPPINESS, SOME MAY BE JEALOUS.

BE HAPPY ANYWAY.

THE GOOD YOU DO TODAY WILL OFTEN BE FORGOTTEN.

DO GOOD ANYWAY.

GIVE THE BEST YOU HAVE, AND IT WILL NEVER BE ENOUGH.

GIVE YOUR BEST ANYWAY.

IN THE FINAL ANALYSIS, IT IS BETWEEN YOU AND GOD.

IT WAS NEVER BETWEEN YOU AND THEM ANYWAY.

MOTHER TERESA

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name. This name is a key to their powers and influence.

Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from

THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

Feel free to share these messages.
