The Angels of Wisdom

Also known as
The Angels of

Arakuson

**Beloved,
Many who attain excellence in world service use
great personal mastery.**

**They have become aware of Divine Laws
and understand and use them.
It is of this that we wish to speak.**

A-R-A-K-U-S-O-N

AWe are attuned to highest wisdom, truth, and illumination.

We reveal imperfections, and inspire their transformation into the highest good of all.

RWe inspire true inner guidance, deep humility, sacredness, a sense of impeccable service and an eminent mind.

A and umlaut A, aeWe teach high intelligence, highest knowledge, cognition of the most profound truths, and the ability to work miracles. umlaut A, aeWe teach the mysteries of life and death, of transformation, of control of passion and negative beings, of freedom from clinging to any possession of desire, thought, emotion, or form when they are out of harmony.

KWe evoke absolute faith, and mastery of all earthly treasures in order to acquire anything the seeker desires in a way that is the highest good of all.

UWe teach seekers how to induce trance states and apply secrets of high mysticism to change fate of self and others for the highest good of all.

SWe mentor developing an attunement to the most subtle essence of the divine spirit. We inspire all penetrating power to work miracles.

Umlaut O, oe, and OWe initiate you with the ability to see through the eyes of love and awaken perfection in any person, situation, or place. We awaken impeccable appreciation and recognition of divine law, with emphasis on justice and harmony, success and satisfaction.

NWe confer emotional invincibility, unassailability, and ultimately life extension through supreme happiness.

In the area of service to humanity, any effort to benefit others, without attachment to getting credit or payment for it,

leads to a return which is surprisingly more wonderful than words can describe.

The greater the numbers of beings which are helped, the more powerful are the resultant good emotions and circumstances to the unselfish benefactor.

Remember that the ability to flow with strong emotions of Divine virtues gives a Child of Light mastery over magnetism, the ability to attract happy realities of perfection into physical manifestation.

Through many lifetimes, a person travels

*through many gateways, to finally realize
that A LIFE PATH DEAD ENDS
when the road itself is too narrow and
fails to link up in Divine Love with
anything outside of itself.*

*When the energy is divine love, how
beautiful are the results!*

*When the energy is divine love, how
beautiful are the results!*

*When the energy is divine love, how
beautiful are the results!*

Therefore, as a person realizes that an action
performed with the purpose of reaping some
commensurate reward
does not result in the beautiful results
that the same amount of energy expended on a
kind and selfless deed brings about, they desire
to create with love.

The rewards are much greater than could
rationally be expected.

This is because a decision made from the
rational brain is binary,
while a decision made from the heart is
multidimensional.

If an action is performed for some specific
reward, the limits of the energy of the action are
built in
circumscribed by the imagination and intent of
the nature of the reward.

An action performed from the heart creates
unlimited potential.

*Another way to explain it is that the
outgoing energy*

*is being held back by the persons limiting
concepts and attachment to it.*

*When an action is performed simply for
the goodness of it, with no thought of
personal reward,
then there is no limit to the flow of the
energy.*

It will go out into infinity to bless all beings with
a force corresponding to the intensity of the will

**with which it was performed,
drawing to itself similar energy to the loving
abundant emotion with which it was performed.**

**When this happens, the person who sent it out
receives this same energy, greatly potentized,
FROM EVERYWHERE through all TIME.**

**We help people understand the causes,
purposes and effects of diverse Divine Laws in
order to gain wisdom
and manifest miracles that bring
The Kingdom of Heaven to Earth.**

**"All that I do ye shall do and more."
In every moment of your day, there exists the
choice to focus your attention freely on whatever
you wish.**

**When the decision is made to dedicate your life
to the service of bringing beauty and truth to the
world,
an intense process of learning and preparation
begins.**

**This beauty and truth must first be found and
enlivened within.**

**"Seek ye first the Kingdom of Heaven and ALL will
be added unto you."**

***"The Kingdom of Heaven is within."*
This sometimes takes many years and requires
the help of many teachers.
So it is that we become your teachers and help
you in your meditations, especially meditations on
the ancient language,
the study of the Divine virtues
in being, will, intellect, emotion, and sensation.
We help you attune to the original purity of all
ideas in Divine Mind.**

**We help you release imperfection, to release
limitations in desire, thought, emotions or
sensations,
for changes into other states that are the highest
good of all.**

**We help you attune to clear inner guidance in
each moment, with amazing faith.**

"With faith all things are possible."

*Miracles happen
to those who
believe in them*

**We help you understand the source of everything
in creation, and to create causes that change
fate,
perceiving all through the eyes of love and
manifesting supreme happiness.**

**A particular emphasis is on the study of will and
emotions.**

***A most important concept to understand is that
WILL GIVES THE IMPULSE FOR CHANGE
AND FLOWING emotions ATTRACT THIS
CHANGE INTO FORM.***

**Taking these principles a step further, a secret to
manifesting new realities into form
is bringing ALL LEVELS of conscious awareness
into alignment.**

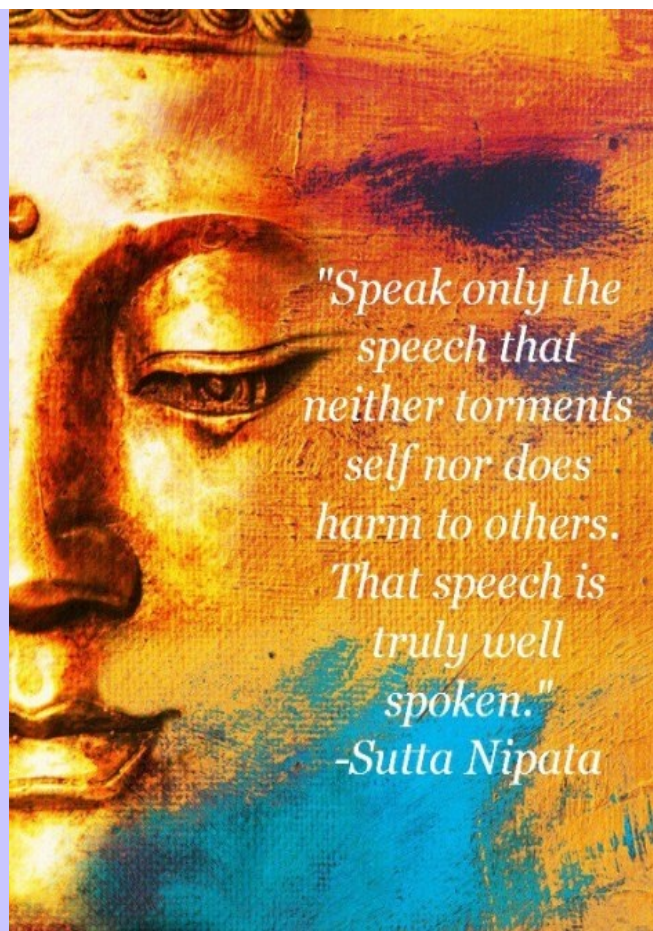

**One old saying emphasizes the power of
synchronizing all levels:**

***Anything which you sincerely believe, fervently
feel, staunchly intend and
persistently and clearly visualize must inevitably
come to pass.***

**Thus, the most common impediment to
manifesting miracles is the erroneous practice
of putting out mixed messages or contradictions
in consciousness.**

**If, for example, you want something very much,
but are so afraid that its opposite may happen
instead,**

**so that you worry extensively as you continue to
imagine the unwanted outcome,
the mixed message you are sending with 2/3 of
your creative energies is undermining what you
want from manifesting.**

*"Speak only the
speech that
neither torments
self nor does
harm to others.
That speech is
truly well
spoken."
-Sutta Nipata*

In this case it would be necessary to heal and resolve the negative emotions of fear first.

As you heal the negative emotions , associated negative beliefs about reality will also heal.

Therefore, the most important levels to synchronize for miracles are intentions (will) and emotions , both of which are best strengthened by imagining congruent visual impressions.

**The (unconscious) brain responds directly to visual pictures.
Will is electrical energy and feelings emotions are magnetic energy.**

Acting together congruently, essentially the male and female principles, they comprise an extremely powerful, balanced whole that can accomplish miracles.

Align personal will with Omnipotent Divine Will.

**This synchrony is accomplished by decreeing
the highest good of all
with powerful congruent will, visualization
and emotions of this happening.**

**By attuning to inner guidance to choose a
particular Divine Virtue, and to BE, WILL,
VISUALIZE,
think about, FLOW WITH EMOTIONS, and sense
this virtue,
a great cause is created in the Akasha, or
consciousness-penetrating-all.
DIVINE WILL AND EMOTIONS that shine with
strong belief, faith AND LOVE,
create
ongoing effects through time that bring justice,
harmony and happiness.
We come when you seek to understand the
energies of male and female,
Cause and Effect, WILL AND EMOTIONS of Divine
Virtues.**

We guide you in your great quest for understanding, purpose and mastery of various Divine Laws, such as The Laws of Justice and Harmony that lie behind creation. It is your destiny to be successful in following the footsteps of the masters who performed great miracles in your world.

Once seekers understand how energy works within the universe, they long for situations that give them opportunities to do unselfish deeds.

To sum up then, to cause divine effects in the physical world, desire and imagine divine changes in will, thoughts, emotions, and sensations, in the self, and then in others.

By making changes in the inner world, changes are created in the outer world. The same laws apply to the micro and the macrocosm.

As above, so below.

As within, so without.

We rejoice in this day, that we can make our presence known to you.

When you step upon the path of service and MIRACLES, know that you are not alone.

We, the Angels of Wisdom, are here to serve you and guide you.

It is we who join mighty angelic choirs of thanksgiving whenever any man or woman follows in the footsteps of the great masters of Divine Laws. It is ordained by Divine Love and Providence that we answer your call for assistance. We are here to help you excel in your path of service.

MIRACLES

Footnotes:

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings

which together form a common precursor, or root, of three of the world's religions:

Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth,

**and the angels who work with him or her.
The being and the angels share the same name.**

This name is a key to their powers and influence.

*** Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.**

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

If you have these, it might be helpful to read Frabato the Magician first, with appendixes,

and then read appendixes from the other three for background.

Feel free to share these messages.

**The Law of One is the original law of Creation,
and is the supreme Law over all laws in all
dimensions.**

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I AM one with all there is;

I ask that THE HIGHEST GOOD OF ALL happen.

**I give thanks that this is done.
SO BE IT!**
