

# Hermetic Angel Messages

PDF version

*Freed from the illusory chains I had created for myself, I soar toward the Light and coalesce with the essence of my Being, with the Universal Reality that I Am.*

**12 degrees Gemini**

**The Angels  
of  
*Telepathy***

Also known as

**The Angels  
of**

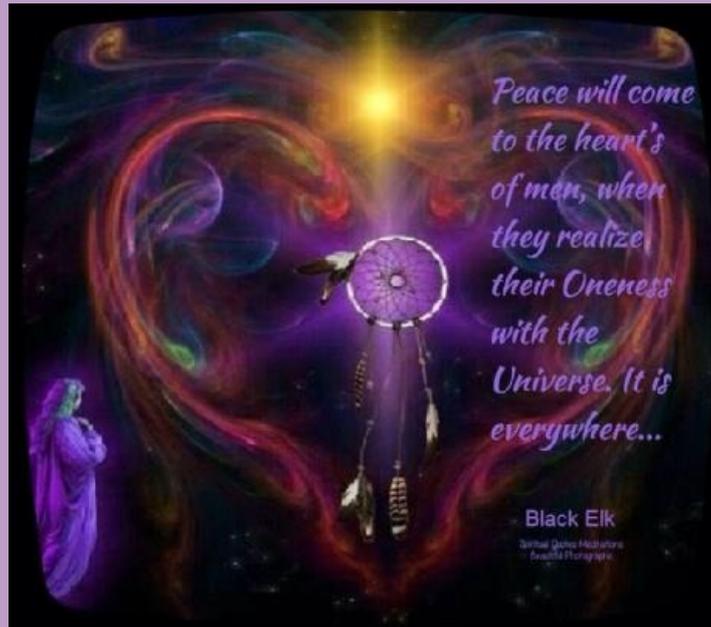

***Bagoloni***

**Beloved,**

**As the communication skills of previous degrees of  
Gemini are mastered,  
we offer advanced instruction in thought transference.**

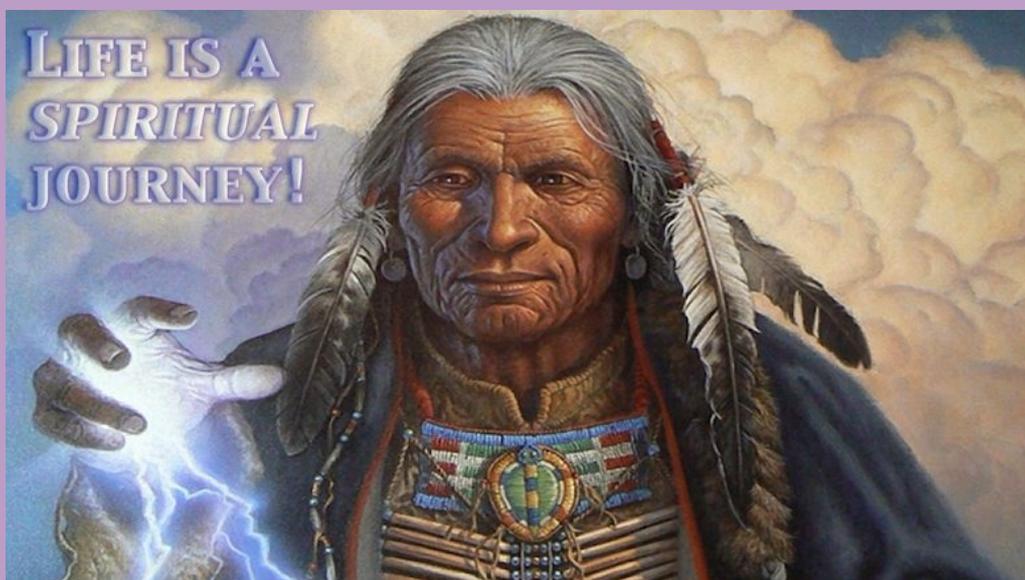

**We instruct those who are spiritually mature and seek**

**only the highest  
good of all concerned.**

**Remote viewing and sending of pictures and sound is  
our specialty.**

**We also excel in arousing high qualities of character  
in other people.**

**The virtue of Universal Life and Polarity is the first**

**letter B of our name.**

**By mastering the polarity of the ONE and THE MANY,  
a person experiences being an individual and one with  
another person or persons  
at the same time.**

**This is necessary for telepathy to work.**

**Notice that the second letter is A, which is the original  
divine  
blueprints of creation, enlightenment,  
which awakens clairvoyance, clairaudience and other  
mystical faculties,  
including artistic talent.**

**It then becomes umlaut A, ae, which is the recognition  
and letting go of  
imperfections,  
of any desire, thought, emotion or sensation that is not  
the highest  
good of all concerned.**

**The next letter is G, which is grace and mercy.**

**Telepathy is used to bring true divine blessing and  
peacefulness of  
the spirit, to bring healing and spontaneous remission.**

**The O is the ability to see through the eyes of love,  
which turns into  
umlaut O, oe, that brings justice and harmony to all.**

**The L is all the divine virtues taken together, bringing  
true spiritual  
morality, vitality and youthening,  
and awareness of the splendor and majesty of divine  
being.**

**The N is supreme happiness, which reveals solutions  
to any problem.**

**The I is cause and effect, which awakens conscience  
and memory and gives  
control over the physical universe.**

**Since telepathy requires mastery of the divine virtue of  
Universal  
Life, which is the virtue of polarity,**

**here is an ancient practice for mental, emotional and  
sense mastery of  
polarity.**

**This is an exercise to develop the two hemispheres of  
your brain working  
simultaneously.**

**It is important that these emotions and images are  
very real to you  
as you meditate.**

**Take your time.**

**Pick any sense polarity such as:**

**Hot  
Cold**

**Big  
Small**

**Up  
Down**

**Light  
Heavy**

**Male  
Female**

**Spirit  
Matter**

**Unity  
Individuality**

**Green  
Red**

**Or if you want to work especially on emotions, pick a  
polarity of  
emotions such as :**

**Anger  
Peace**

**Hostility  
Love**

**Upset**

**Happy**

**Poor**

**Rich**

**Hard**

**Ease**

**Judgemental  
Compassionate**

**Accepted**

**Rejected**

**[there are infinite numbers of polarities and variations  
of them.**

**Accepted-rejected is a variation of judgemental-  
compassionate, or  
hostility-love.]**

**Etc.**

**Or a mental quality:**

**Dull**

**Smart**

**Bored**

**Interested**

**Confused**

**Clear**

**For our example, a good one to start with is hot and  
cold.**

**This one is used by some Tibetan Masters who sit in  
the snow wearing  
almost nothing and generate enough heat to melt the  
ice for yards around them,  
or walk into a burning fire and stay comfortable.**

**If you prefer to use another one, just insert that  
polarity in the  
place of hot and cold in this exercise.**

**Relax.**

**Slow your breathing.**

**Go deep into your inner world of imagination.**

**Imagine that you are very, very hot.**

**Keep imagining the feeling of hotness until you feel as if you are a flaming fire.**

**Imagine a flaming fire in your solar plexus.**

**Visualize and feel this fire burning hotter and bigger.**

**You can imagine you are in a desert!**

**Get very hot, feel like fire!**

**Feel and see it.**

**Ask us for help.**

**Take your time and do this well.**

**Then stop.**

**Now imagine you are cold.**

**Keep imagining that you are frigid deep coldness.**

**Imagine this until you feel as if you are frozen like ice.**

**You are very, very, very, cold! Shiver, shiver, shiver!**

**Now stop.**

**Switch back and imagine again that you are fire!**

**[ This should be especially quick and easy this time  
because you did  
this just a short while ago, and it is fresh in your  
memory.]**

**Imagine that you are hot, hot, hot, burning hot! and  
that you are a fire.**

**See yourself as a flame of burning intensity.**

**Now stop.**

**Switch back again and imagine that you are ice cold  
again.**

**Cold, cold, cold, cold, cold ice.**

**You are ice.**

**Take your time.**

**Enjoy it.**

**Now stop.**

**Switch again and imagine yourself as fire.**

**[It should be MUCH quicker and easier this time.  
The memory is strong and fresh.]**

**You should be able to become a raging burning flame  
very quickly.**

**Now... STAY as a flame burning...very important, STAY  
HOT! dont stop  
this time and DONT SWITCH!!!!!!**

**Now, this is important and is the purpose of this  
exercise,  
AT THE SAME TIME THAT YOU ARE FEELING HOT,  
FEEL YOURSELF AS ICE COLD!**

**AT THE SAME TIME! HOT AND COLD TOGETHER!!!!**

**THIS is the key.**

**BE BOTH FIRE AND ICE AT THE SAME TIME.**

**STAY HERE FOR A WHILE.**

**Be aware of the  
the interesting sensations in your brain as you do this.**

**This exercise awakens both hemispheres at once.**

**Congratulations!**

**NOW YOU CAN BE ANOTHER POLARITY,  
YOU CAN PRACTICE BEING IN YOURSELF AND  
ANOTHER AT THE SAME TIME TOO!**

**This is an important key to telepathy.**

**At other times do this with other polarities for  
practice.**

**[\_You could do blue-orange, or wet-dry, hard-soft,  
silence-sound, for instance.**

**Imagine emotions such as boldness-shyness,  
peacefulness-upsetness,  
determined-hesitant, etc. ]**

**This exercise allows you to automatically encompass,  
or love, both  
sides of polarities simultaneously with ease.**

**Polarities are merely two opposite ends of ONE  
CONTINUUM of the SAME  
THING OR QUALITY.**

**This exercise gives you mastery over polarity instead  
of polarity having  
mastery over you!**

**[Other very important ones that are used for  
enlightenment are:**

**big - little, rich -poor, powerful - weak, fixed -  
changing, right -  
wrong, life - death, ignorance - enlightenment,  
love - hate, past - future, serious - playful. ]**

**Now that you have done this, for the purpose of  
mastering telepathy,  
we ask you to practice the polarity of HERE - THERE.**

**Other useful \_polarities for telepathy\_ are:**

**Past - future**

**Now - past**

**Now - future**

**Me - you**

**Knowing - ignorant**

**Weak - strong**

**Etc.**

**All encompassing, unconditional love holds all polarities within itself.**

**"God's love is like the sun, it shines equally on the good and bad alike."**

**Of such are the worlds of created form.**

**Love conquers all.**

**Divine Unconditional All Encompassing Love allows all to be,**

**to exist,**

**and is the frequency that activates**

**the original divine blueprints of creation,**

**the original DNA codes of beauty and divinity,**

**in which all things on**

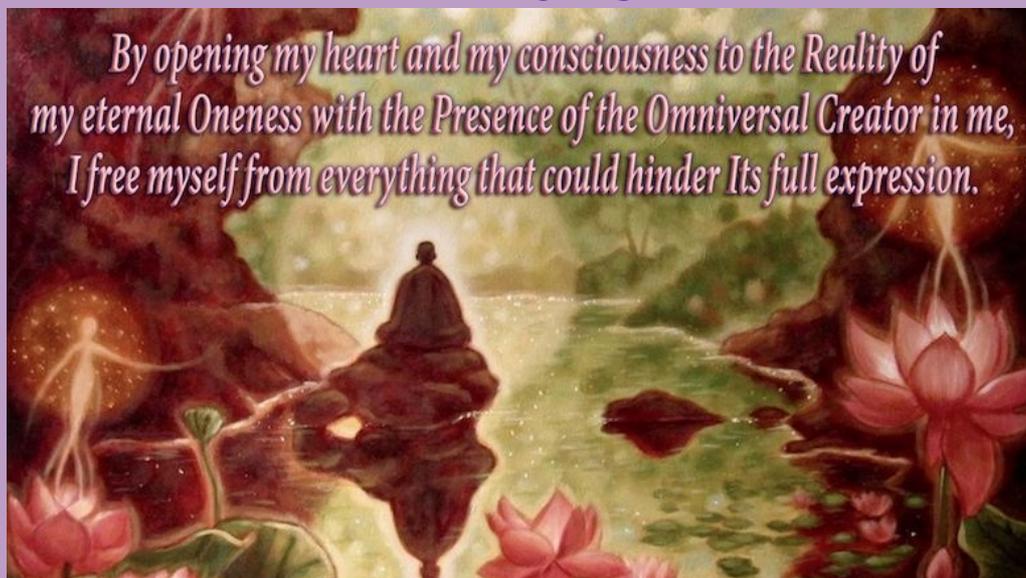

**every level**

**exist and move and evolve in harmony and love.**

**Remember it was spoken by a great teacher,**

**"God is Power, Wisdom, and Love, and the greatest of these is love."**

### **MIRACLES**

**B-A-G-O-L-O-N-I**

**BBy understanding and teaching polarity, we help**

**seekers perceive  
universal life.**

**A and umlaut A, ae**We teach how to access profound  
truths of the  
enlightened mind and spiritual abilities such as  
telepathy.

**We help with the release of imperfections for changes  
into other states  
that are the highest good of all concerned.**

**W**With the true divine blessing of Divine Providence,  
we  
empower seekers to give the same to others,

**Umlaut O, eu, and O**and to see through the eyes of love  
divine with  
an absolute sense of justice and appreciation of  
fairness.

**L**Filled with the greatness and majesty of God in terms  
of pure  
divine virtues,

**umlaut O, eu, and O**we inspire transmutation into  
divine perfection  
and impart peaceful feelings of satisfaction and  
infallibility that comes  
from absolute security in divine law.

**N**Using the laws of coherence as absolute masters of  
men and  
animals and as healers

**I**we evoke great miracles on earth, uniting body and  
soul, as  
absolute masters of metaphysics.

**We are able to evoke any remembrance and bring  
forth any images to  
consciousness.**

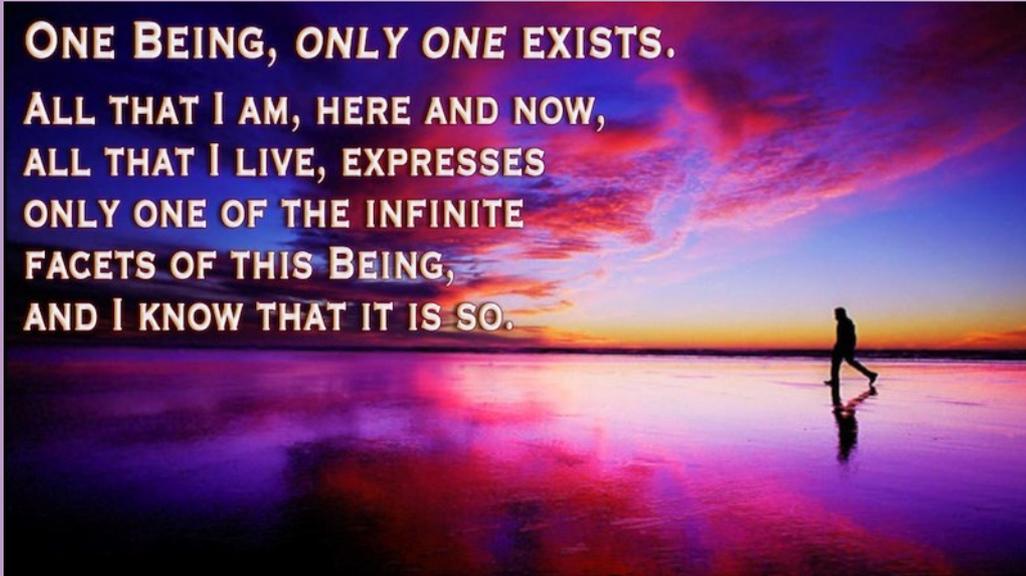

**The melody of the letters of our name is the notes of A,**

**G, C, F,  
D-sharp, G, F, D-sharp, G, A, and G.**

## **Miracles**

**ONE BEING, ONLY ONE EXISTS.**

**ALL THAT I AM, HERE AND NOW,  
ALL THAT I LIVE, EXPRESSES  
ONLY ONE OF THE INFINITE  
FACETS OF THIS BEING,  
AND I KNOW THAT IT IS SO.**

### ***Note on the polarity of Saturn and Jupiter:***

**Just as hot and cold are a polarity, so are Jupiter and Saturn a polarity.**

**They are a polarity of expansion of wisdom [Jupiter] and contraction restriction/form, the receiving of divine will to manifest that wisdom, [Saturn].**

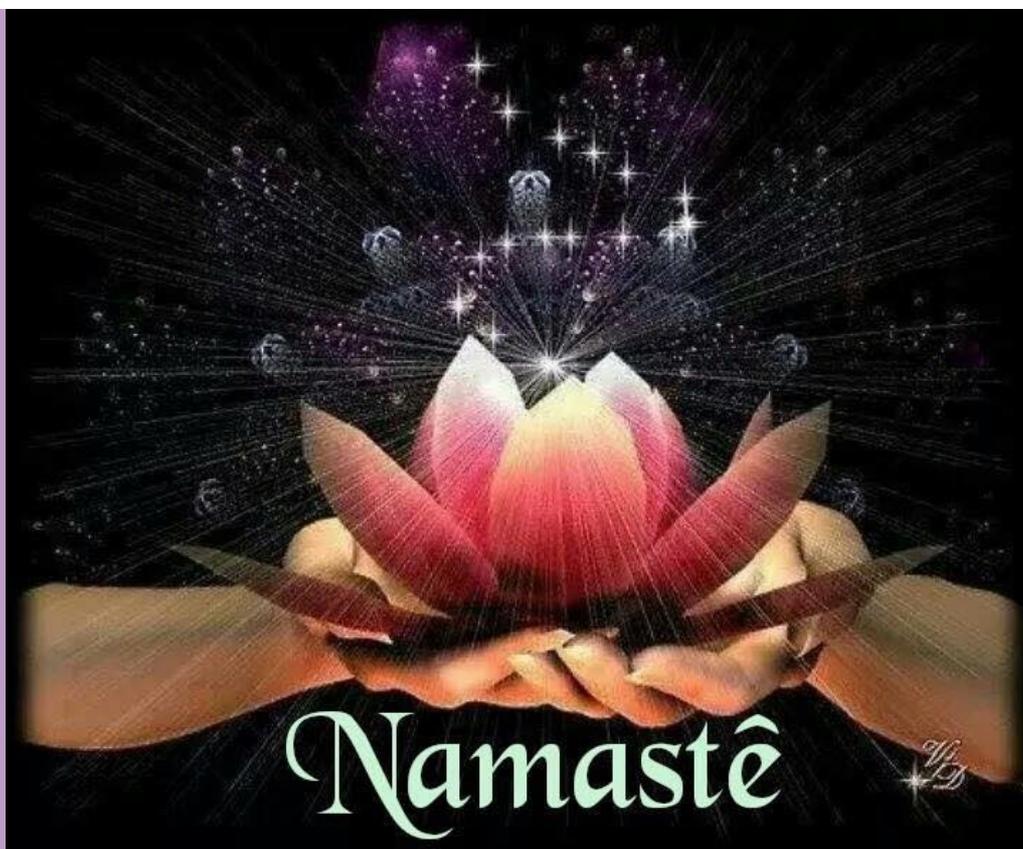

**Therefore, since they are two polarities forming one continuum,  
in order to reach a harmonious balance [the middle path],  
when I desire an expanding and beneficial change [Jupiter],  
I realize that a specific form must be recognized and chosen for it to  
manifest through [Saturn].**

**In day to day life, I surrender specific details  
of expansion and contraction to Divine Providence.**

**When a desire for expansion arises, I ask Divine Providence to reveal  
exactly what to desire so that it is the highest good of all concerned.**

**I use The Law of One to ask that expansive  
beneficial changes being brought about. manifest only in ways  
that are the highest good of all concerned.**

**I leave the details of this to Divine Providence,  
while asking for clear inner guidance and high inspiration.**

**Footnotes:**

**The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.**

**Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name. This name is a key to their powers and influence.**

**Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.**

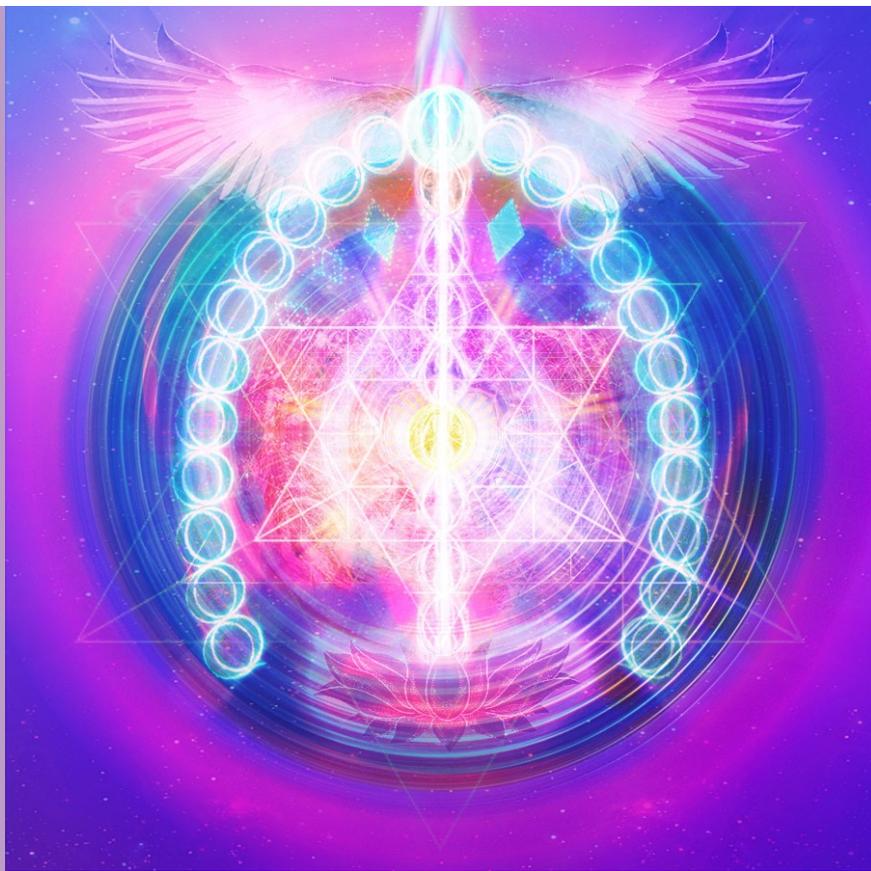

**Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].**

**Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.  
These books have very important information for these studies.**

**The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.**

**Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.**

**If you have these, it may be helpful to read Frabato the Magician first, with appendixes,  
and then read appendixes from the other three for background.**

**A beautiful quote:**

**" In the  
culture of my people,  
the Dagara,  
we have no word for the supernatural.**

**The closest we come to this concept is**

**Yielbongura:**

**'the thing that knowledge can't eat.' "**

**-- Malidoma Patrice Somé**

**Feel free to share these messages.**

***The Law of One is the original law of Creation, and is  
the supreme Law  
over all laws in all dimensions.***

**THE LAW OF ONE**

**We are all one.**

**When one is harmed, all are harmed.**

**When one is helped, all are helped.**

**Therefore, in the name of who I AM that I AM,**

**one with all;**

**I ask that ONLY HIGHEST GOOD OF ALL CONCERNED happen.**

**I give thanks that this is done.**

***SO BE IT!***

**So it is.**
