*The constellation Gemini is about mental wisdom,
it is about seeing both sides of everything*

between the lower and higher selves.*

Beloved,

**Sacred tears of joy
flow in the blessings of divine prose and poetry.**

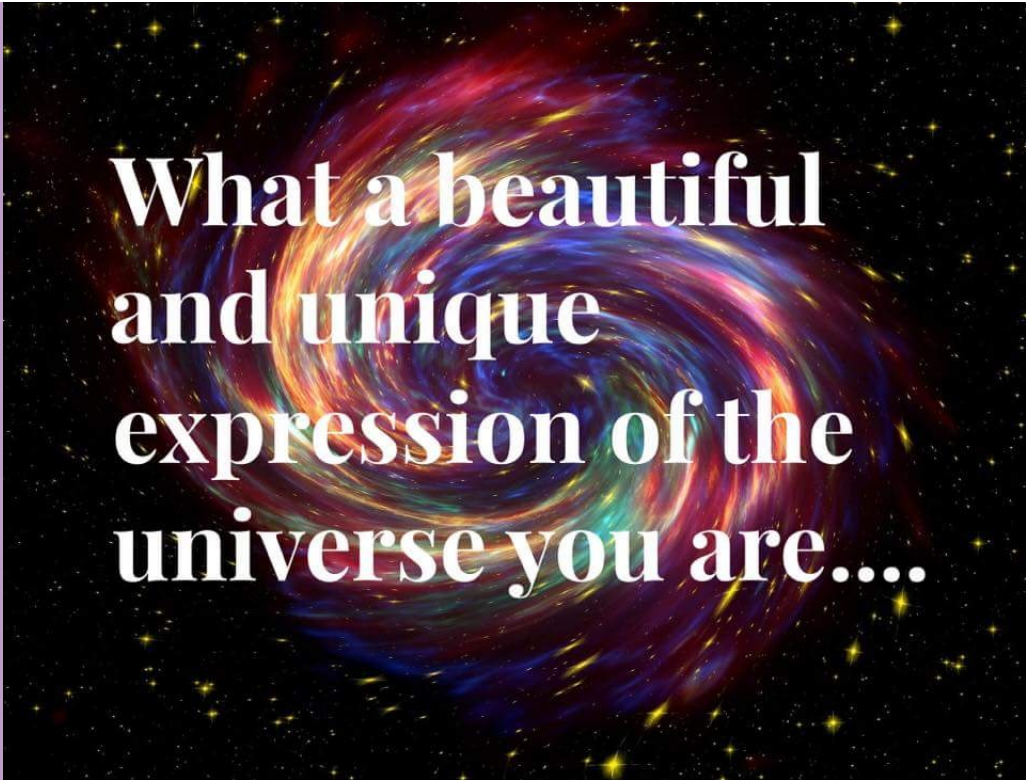

**We are the heavenly host that are regarded as the
head of all poets and writers.**

We fan flames of longing for spiritual perfection.

**This longing for sacred beauty, for striving upwards to
Divine Light,
for oneness with the perfection of the Creator,
exists in all beings.**

We help writers express tangible feelings

**What a beautiful
and unique
expression of the
universe you are....**

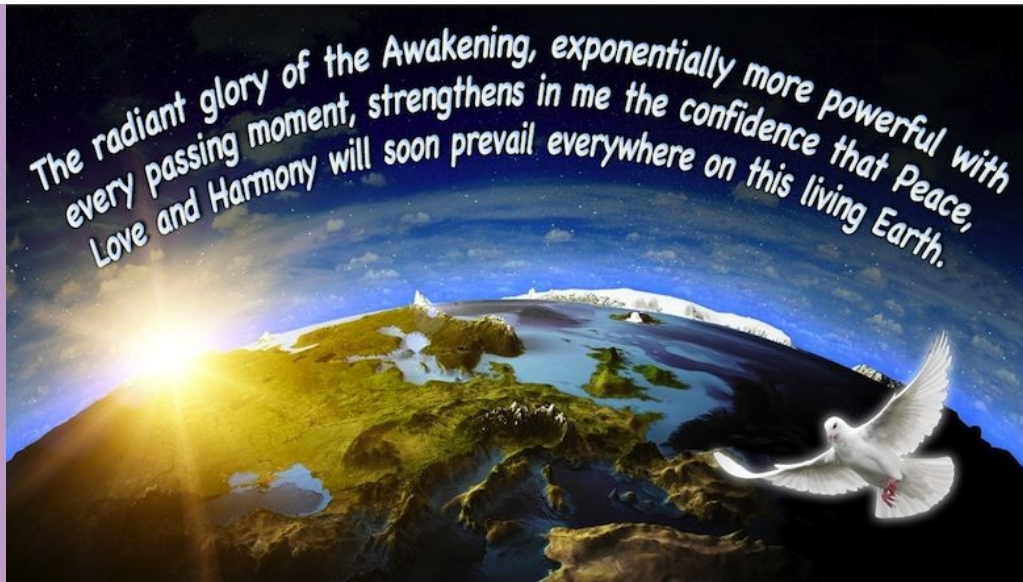

**in the body of flowing emotions
of the longing for divine spiritual purity,
and mastery of cause and effect, and grace.**

**These religious feelings and emotions awaken deep
humility,
and the desire to serve others.**

**Visualize and write beautiful literary works
of all creation spiraling upwards towards Divine
Light!**

**The fifteenth degree of any sign is its most pure
expression,
because it is the furthest from the previous and
succeeding signs.**

**Here in this fifteenth degree, through poetry and
writing, the wisdom of the mind blooms.**

We help writers and poets on paths of spiritual perfection through divine inspiration, inspiring right words and expressions.

Understanding of cause and effect, of memory, remembrance and conscience, are enlivened through true divine blessings in this way.

Through cognition brought about by Love Divine, indwelling Divine perfection is enlivened in Divine Transmutation so that harmony and satisfaction bloom.

Through inspired writings and poetry many are brought into alignment with indwelling Omnipotent Divine Will for the highest good of all.

The Law of Evolution for all spirits is embodied in the longing for spiritual progress and union with Divine Ecstasies.

Visualize Divine Consciousness manifesting completely in Being, Will, Mind, Emotion, and Sensation within you, as well as in your literary works and in those who read them.

Relax into awareness of spiritual beauty, purity and profundity.

Heaven rejoices as divine laughter and sacred tears of joy

flow in the blessings of divine prose and poetry.

Footnotes:

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions:

Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name. This name is a key to their powers and influence.

Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

*The Law of One is the original law of Creation, and is the supreme Law
over all laws in all dimensions.*

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM that I AM,

one with all;

**I ask that ONLY THE HIGHEST GOOD OF ALL
CONCERNED happen.**

I give thanks that this is done.

SO BE IT!
