The Angels of Love

Also known as

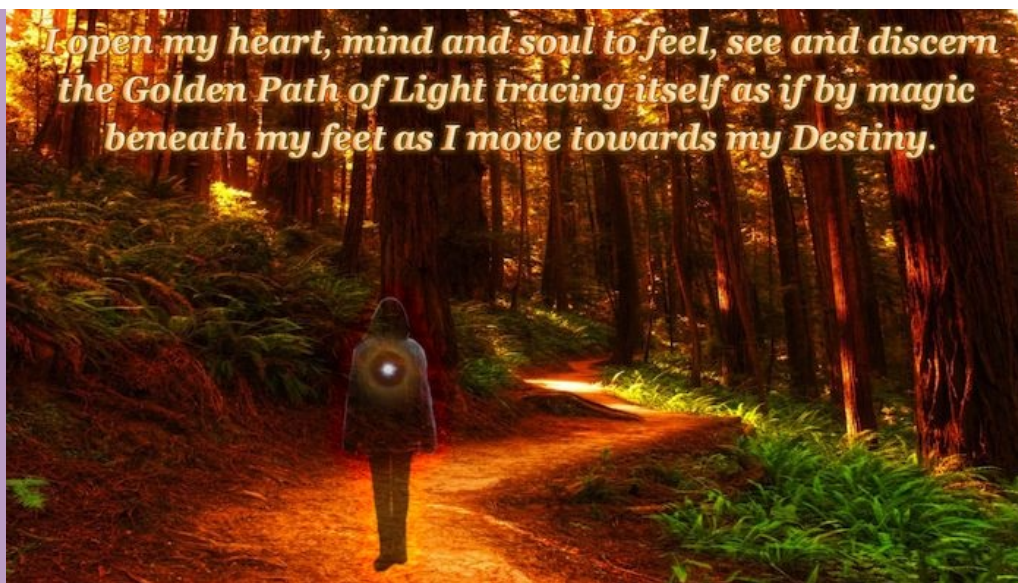

**The Angels
of**

Amagestol

Beloved,

**Practicing concentration on Divine Love,
seekers on the path of sainthood have sacrificed
everything.**

**Their focus on unconditional all encompassing divine
love,
their one pointed faith in divine love,
revealed to them that giving love
is a path to inner bliss and oneness with Divine Being.**

We initiate people into the secrets of love.

**'All aspects of love,
from the highest to the lowest;
whether animal love, human love,
or the most high divine Cosmic Love,
are under our guidance.**

**LOVE is the path that all life uses
to connect emotionally with the VITALITY OF THE
WEB OF LIFE,
the unified field of The One Being.**

Everything in creation connects with love.

**Love flows as tangible feelings in the body
of the emotions of the life sustaining power
of divine omnipresence.**

**Emotions are magnetic,
They are Divine Feminine Power.**

**Intention and thoughts are electric,
they are the Divine Masculine Power.**

Emotions are magnetism.

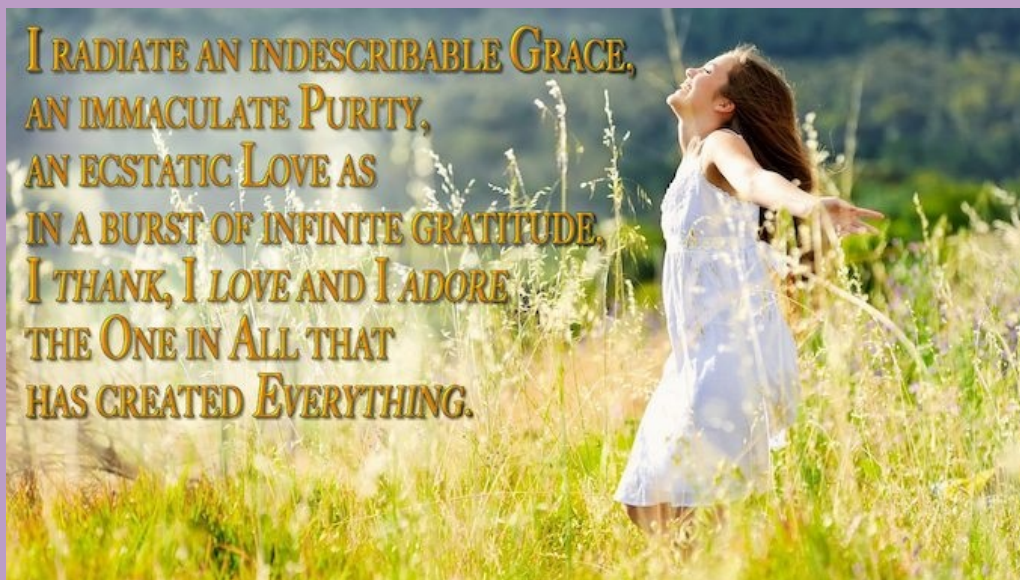

**Feelings and emotions of love on any level;
animal, human, or cosmic,
attract life, vitality, and sensation into form.**

**ALL beings who love each other are surrounded by our
protection.**

**We have taught mankind for ages that Love conquers
all,
that Love is the most powerful energy there is,
and that Love is the essence of Divine Consciousness
Itself.**

**Holy books of every spiritual path have taught that
Divine Love
is the most important quality to nurture on the
journey of spiritual
perfection.**

**I RADIATE AN INDESCRIBABLE GRACE,
AN IMMACULATE PURITY,
AN ECSTATIC LOVE AS
IN A BURST OF INFINITE GRATITUDE,
I THANK, I LOVE AND I ADORE
THE ONE IN ALL THAT
HAS CREATED EVERYTHING.**

**Surrendering to Divine Love humanizes even those
who may have
previously hardened their hearts,
and makes a final victory and success out of lifetimes
of incarnations
which have been fraught with misdeeds.**

Living in love is the secret to a life worth living.

Love conquers all.

**Divine Love is the key to cognition that causes
transmutation,
and it is also the key to the mysteries of creation.**

**In protecting and inspiring all beings who love each
other,
we protect the process of Spirit enlivening Form,
of Heaven manifesting on Earth.**

**Love brings about clairvoyant tendencies between
the Lover and the Beloved.**

**The gifts of love bring about true miracles on every
level of being.**

Here is one of our stories:

WHEN LOVE COMES KNOCKING

**Once upon a time there was a very lonely lady named
Francine.**

**Everyday she woke up and looked wistfully out of her
kitchen window at
the garden as she drank her tea,
wondering if anything would happen this day to make
her life any
different at all.**

**When she was a little girl,
every day was excitement and wonder.**

**But now life just did not seem to flow
with much real juice or meaning for her.**

She did her best to feel better.

**She reminded herself of all her
blessings; she tried to think lovely positive thoughts.**

She had so much to be thankful for.

She couldnt figure out what was wrong with her.

**No matter what she did though, she felt like
something was missing.**

**It was an effort to face each day and her back bent
over as though the
weight of the world sat upon her shoulders.**

**This morning, as she looked down into her cup, a tear
fell into the
tea, making a little ripple.**

Deep within her a flame flickered.

As a young girl she had been very loving.

She loved everyone in her family.

**She loved the animals, the trees, and the very sky
itself!**

People had been warmed by her love.

**Her love had quietly blessed the lives of everything
around her.**

**The ripples from her little tear drop had barely
subsided when the
Angels of Amagestol responded to this plea of despair
rising from her
forlorn heart.**

**They checked with Divine Providence and received
guidance to act.**

**That very morning a man had a flat tire right in front
of Francines house!**

He got out of the car to see what had happened.

It was an expensive new tire!

How could it have gone flat?

**When he went to put on the spare, he found that it was
flat too.**

**So, scratching his head in disbelief,
he marched up to Francines door and knocked.**

Who could be knocking?

Francine jerked up her head.

Who could that be?

**She looked out the window and saw the flat tire and
hurried to the door.**

**A most wonderful emotion of mystical magic was
coursing through her!**

**Under the influence of the Angels of Amagestol,
it never occurred to her to feel afraid.**

She opened the door and looked at this rather balding

gentleman,
who still had a beautiful full beard,
standing in front of her.

He had a kind look.

Very humbly he held his hat in his hand.

Excuse me, he said, I..

He never finished, because Francine already knew and
interrupted him.

I see you have a flat tire!, she brightly pointed out.

She grabbed him by the hand,
ushered him right in and pulled him over to the phone.

The phone wouldnt work!

The line was dead!

Francine couldnt understand it, because she had just
received a call
on it that morning.

The next fifteen minutes were spent checking the
cords and trying to
make it work.

Finally, somewhat flustered, they decided to go into
the kitchen and
have a cup of tea to think about it and discuss the next
step.

The Angels of Amagestol attuned Francine to the
beauty of Franks
soul and vice versa.

Frank began to look at Francine with intense
discernment.

He noticed that she was just as lonely as he, and just
as intelligent.

**Miraculous endeavors of the angels of love
transmuted years of personal trauma
in each of them
as they sat sipping their tea.**

**Frank say that Francine was sensitive, caring, and
sweet.**

**Her eyes were a beautiful blue, and her hair was a
natural soft honey blond.**

Finally Frank got up and slapped the back of his chair.

**Francine,he sputtered, I have a thought that we are
supposed to each other!**

**I bet that is why the tire went flat and the phone didnt
work.**

**I bet you anything the phone works by now, and I
think that you and I
should have dinner tonight!**

Sure enough, the phone worked perfectly.

Frank called and got his tire fixed.

**Over a lovely dinner that evening they discussed
several amazing
similarities of their lives.**

After that they dated for a long time.

**They went slowly, for both of them were careful middle
aged people.**

**Francines back quickly straightened up, however, and
her step
became more lively.**

**The sparkles returned to her eyes that had not been
there for years.**

**Frank was beside himself with gratitude and
happiness.**

He had given up on ever finding a mate years ago.

He was one of the shyest people he had ever met.

**He had always been too shy to ever break the ice with
any woman.**

Thank God for that flat tire and dead phone!

**As time went by, they discovered how much they really
loved each other!**

It was beautiful!

**Francine sat at the table each morning looking out at
the garden, in
rapture at the beauty of each detail.**

**She saw the perfection of divine love expressing in
even the smallest creature.**

**Every butterfly and dragonfly caught her attention,
every nuance sent
her into poetic reveries.**

**Finally Frank and Francine got married in the small
cozy chapel near the river.**

It was a beautiful wedding.

**Only a few people attended, but the sunlight coming
through the windows
flickered with hundreds of administering angels.**

They settled down.

**Frank was so glad to move out of his rental apartment
and into
Francines house.**

He painted and spruced it up.

**Francine made bunches of lovely new dresses on her
sewing machine and
started wearing flowers in her hair.**

Two stray cats showed up and moved in.

**Then they added a sweet stray dog that they found
meandering in the
woods behind the house.**

**In the winter they all loved to sit together in front of
the fire deep
in thought.**

**Francine and Frank believed that the animals were
actually meditating.**

**Frank was so comfortable sharing with Francine that
sometimes Frank
would burst out with an idea to talk about and then
they would end up
launching into warm discussions
of spiritual insights, memories, or daily events deep
into the night.**

**The hearts of the dog and cats and Francine and Frank
opened more and more.**

Love blossomed.

**The heavens rejoiced in the warmth and beauty of
their love.**

The Angels of Amegestol watched over them carefully.

Footnotes:

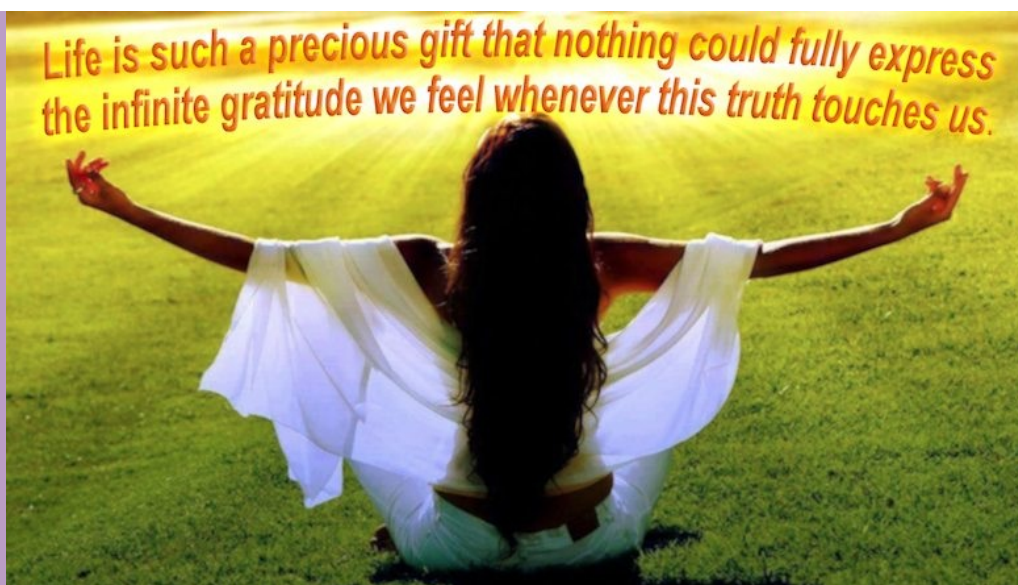

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name. This name is a key to their powers and influence.

Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

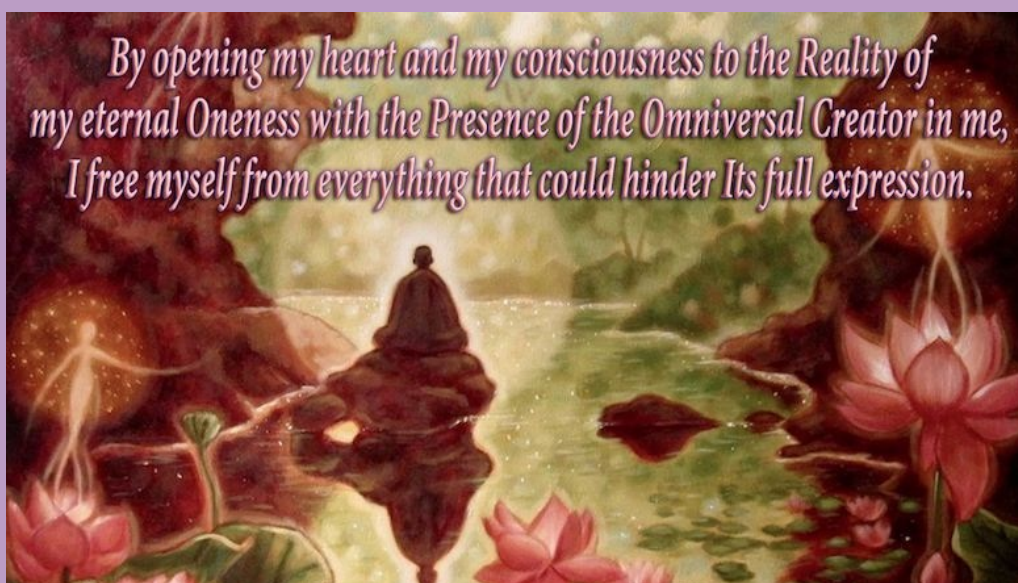

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

*If you have these, it might be helpful to read Frabato the Magician first,
with appendixes,
and then read appendixes from the other three for background.*

*The Law of One is the original law of Creation, and is the supreme Law
over all laws in all dimensions.*

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

***Therefore, in the name of who I AM that I AM,
one with all;***

***I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED
happen.***

***I give thanks that this is done.
SO BE IT!***
