***The Angels of Divine Law
and
Human and Animal Rights***

Also known as

The Angels

of

Mimosah

Beloved,

Injustice to any sentient being is very serious to the fabric of the quantum field.

"God is aware of the least sparrow."

"Step on a blade of grass and the universe trembles."

"What you do unto the least of these, you do unto me."

Remember that a good deed, like a pebble cast into a pond, sends ripples of healing out to the furthest reaches of creation.

When anything in creation, especially the children of Divine Being and beloved animal life, suffers from false accusations or miscarriages of justice, trauma to the web of life is inter and multi-dimensional, with repercussions that echo on and on throughout time and space.

**For this reason, we influence understanding and mastery of emotions
and
the resulting sensations of the children of God,
to bring about fluidity in change that attracts realities that are the
highest good of all.**

**We control all doings and activities according to karmic law and can
strengthen or weaken conscience as needed and reawaken vitality.**

**We understand and control movement of tangible feelings in the body of
emotions,
and thus the change process.**

**We transmute reality through cognition brought about by love divine,
so that the original purity of all ideas in Divine Mind manifest in
splendor and majesty.**

**As absolute masters of divine justice, impeccably adhering to laws
of fairness, we work to ensure that no one is ever condemned unfairly
and we cause outcomes in the material world that are successful and
happy.**

**We influence the consciousness of the children of God and evoke
clairvoyance and other talents,
powers and abilities to control mental programming for the highest
good of all.**

**We guard and master justice in the material world and use the power of
the word, the ancient language,
to ensure that justice prevails on earth.**

Remember that injury of body, emotions, mind and spirit to self or anyone or anything, including animals, cannot be fully hidden, it is not done in isolation.

Damage is not quarantined on the web of life.

When the children of Divine Being and beloved animal life suffer from false accusations or miscarriages of justice, trauma to the web of life is inter and multi-dimensional, with repercussions that echo on and on throughout time and space.

To those who are guilty of such false accusations or miscarriages of justice and harmony, the resulting karmas are profound.

We open the eyes to love, to harmony, and to Divine indwelling original omnipotence for the highest good of all concerned.

We attune the mind to the original purity of all ideas in Divine Mind, and release imperfections for transformations into other states.

We encourage the children of Divine Being to use The Power of the Word, the attunement to divine virtues in Being, Will, Thought, Emotions, and Sensations.

This is the focus of awareness on divine virtues in all levels of awareness, in the Delta, Theta, Alpha, and Beta brainwaves.

We are heavenly hosts of human and animal rights and justice on Earth.

Lawyers, judges, and all people dealing with law for the highest good of all concerned, are under our care and supervision.

The Web of Life, which is a unified field of energy, is similar to a spider's web in that the whole responds to what happens in any part of it.

That is why it was written that God is aware of even the least

sparrow and step on a blade of grass and the universe trembles.

So much may be at stake for The Web of Life in a decision of a legal nature, that responsibility for the rights of humans and ALL sentient beings is a most critical aspect of divine mental wisdom.

Universal Consciousness weeps whenever even one small injustice is done to even the least of Gods creatures.

In situations where injustices are allowed to prevail, resulting feelings of suffering, betrayal and helplessness of victims are harmful to The Web of Life.

**In the currently emerging time of The Alpha and The Omega, injustices are being revealed and new paradigms of the highest good of all concerned,
The Law of One, right all wrongs quickly.**

Delays between sowing and reaping, of karmic returns, are becoming less and less.

Whenever the sons and daughters of Divine Being use free will to trust and call on us for divine justice and harmony, we respond with great power.

We especially inspire the uplifting and healing of emotions, so that emotions of beautiful divine qualities attract harmonious solutions into physical reality.

We awaken memory, remembrance and conscience, so that the understanding of cause and effect blooms.

Divine Providence has given us the authority to guide every aspect of law and justice and to protect the rights of all.

We use our great powers to assure fair and happy outcomes in all legal situations.

Footnotes:

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name. This name is a key to their powers and influence.

Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.
These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.
Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

Feel free to share these messages.
