***The Angels of Faith
and
Healing Remedies***

Also known as

The Angels
of
Nablum

Beloved,

We help the sons and daughters of divine being understand that powers of divine emotions are necessary for miracles to manifest.

Spiritual maturity manifests coherence, and coherence is caused by divine happiness.

By combining divine happiness with emotions of divine faith, all things are possible.

We teach healing the intellect and confer abilities to know the state of spiritual development of any being.

We inspire the children of God to apply wisdom of the enlightened mind to reveal remedies for depression and dysfunctional programming.

We confer intuition and the power to heal disharmonies, cure diseases in the body, and charge remedies made from plants, metals, and fluids.

We reveal the mystery of magic equilibrium to balance and spiritualize, to glorify the greatness of God.

We evoke the highest form of intuition and inspiration.

We mentor masters of emotions, sensations, and vitality, who can intuitively diagnose mental, emotional, and physical disharmonies.

We focus on strong FLOWING EMOTIONS of faith and courage in intuitive alignment with omnipotent Will of Divine Providence for the highest good of all.

The heavenly host of Nablum inspire the children of Divine Being to use flowing emotions of FAITH, embodied in the form of fire, in preparing healing substances from herbs, water, metals, crystals, clays, and other materials.

The preparation of even the most simple glass of water, or a cup of herb tea can become a gateway to sublime healing as the liquid is charged in meditation with divine qualities empowered with attractive magnetism of emotions of faith, especially faith in omnipotent, omnipresent supreme divine happiness and all the divine virtues taken together.

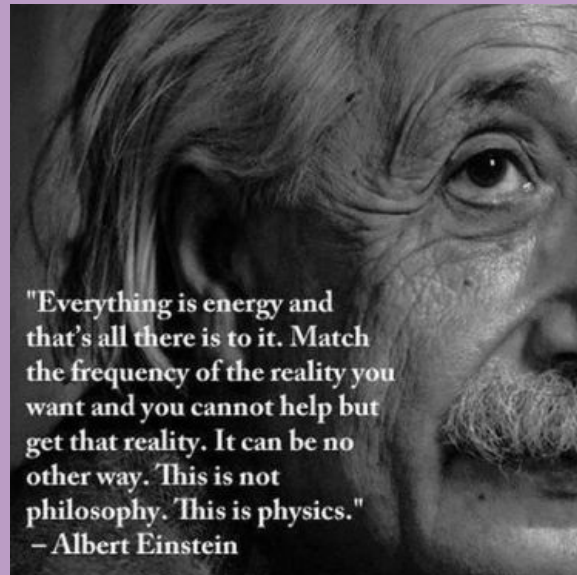

We inform which of the other divine virtues to use in these preparations, and thereby help determine the use of light, color, tone, oscillation etc.in the charging of healing remedies in meditation.

In this way we inspire people with the making of healing remedies from plants, liquids, crystals, metals, etc. for mental, emotional, and physical disharmonies.

By using the skills developed in the previous sign of Gemini, and paying particular attention to INTENSE FLOWING EMOTIONS OF OMNIPOTENCE AND FAITH in meditation on the divine virtues TO CHARGE THESE SUBSTANCES, powerful remedies are created that are capable of seemingly miraculous curative power.

The power of these skills can bring about miraculous healing in situations large or small, affecting one or many.

With the faith of a grain of mustard seed, even a large body of water can be charged with feelings of Divine Consciousness in this way, utilizing fire from the sun, by requesting the sun's rays to program the water with all of the divine virtues taken together.

We continually increase flowing emotions of FAITH.

This is the faith THAT MOVES MOUNTAINS, FOR THE HIGHEST GOOD OF ALL.

Remember that flowing emotions are the Divine Feminine Power, and the change process of creation.

Flowing emotions create magnetism and attract new realities into physical reality.

There are three primary rays of Divine Being.

They are Love, Wisdom, and Will-power.

There are four signs under each of these three aspects, making twelve signs in all.

The groups of four signs represent four elements or levels of consciousness.

These are Will, Mind, Emotion, and Sensation, or fire, air, water, and earth , and correspond to Delta, Theta, Alpha and Beta brainwave states.

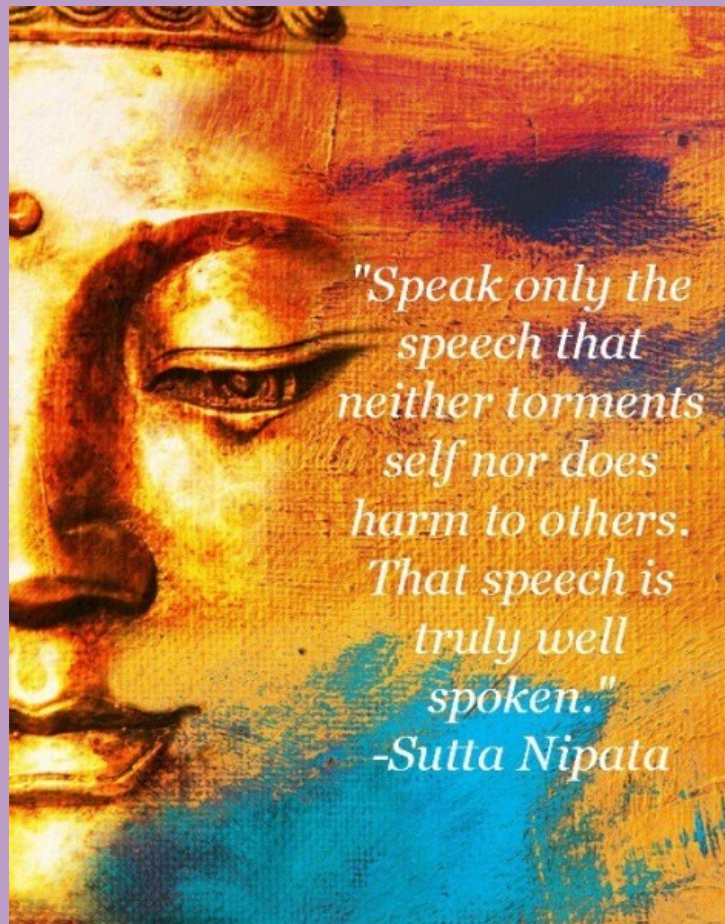

So under each of the three rays of Divine Love, Wisdom, and Will-Power, there is one sign each of Fire or Will, one of Mind or Air, one of Flowing Emotions or Water, and one of Sensation or Earth.

Cancer is the sign of Flowing Emotions under the ray of Divine Omnipotent Will-Power, or divine faith.

This means that flowing emotions of omnipotence and faith are developed step by step during the 30 degrees of Cancer.

Symbols of the heavenly hosts of Cancer are drawn in silvery white.

Our golden waters are not waste by-products, they are blood by-products.

There are many books written on this topic.

Many people of antiquity drank the sacred morning offering that the body produces each night.
In the ancient teachings of India, it is written that this source of nutrients is important and even necessary for youth and immortality.

Footnotes

This is a way of harmlessness and blessing to all.
The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions:
Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.
The being and the angels share the same name.
This name is a key to their powers and influence.
Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.
These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.
Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.
