## ***The Angels of Invisibility***

Also known as

The Angels  
of

***Camalo***

Beloved,

Whenever it becomes necessary to be invisible to maintain privacy,  
safety,  
and personal concentration,  
on the spiritual path,  
we help with necessary sacred visualizations and emotions for this to occur.

A and umlaut A, aeWe access highest wisdom and illumination.

We teach how to control negative passions through release of imperfections,  
how to control negative spirits,  
and how to be free of clinging to any imperfect desires,  
thoughts, emotions, or sensations.

MAs perfect masters of emotions, sensations and life spirit, we teach and empower you to transmute emotions.

A and umlaut A, aeWe teach you the most profound truths of enlightened mind that are expressed as mystical powers, and help with the release of imperfections for transformation.

LWe teach true morality and how to spiritualize emotions to become invisible.

Umlaut O, eu, and OWe confer the ability to see through the eyes of love divine, causing transmutation into perfection.

We confer control of the mental and emotional functioning of the human body, establish harmony and justice, and mentor masters of metaphysics.

Chemical changes in the physical body caused by thoughts and emotions are well documented in science.

Within one minute of having a thought, over a hundred thousand chemical reactions occur in the physical body.

As children of Light and Love flow with sacred emotional states, great perfection and beautiful changes occur in physicality, both in physical bodies and in other material forms.

The letter C of our name represents the divine virtue of the spiritualization of matter with divine qualities.

Whenever a person feels, through inner guidance from Divine Providence, that invisibility is required to preserve life for the highest good of all in any situation, his or her causal, emotional and physical bodies can be impregnated with the necessary Divine qualities.

***Entire areas can be made invisible when necessary.***

Invisibility can apply to the mental, emotional, or physical level or all three.

We are well informed on the remotest secrets of magical science and show a child of God means and ways, as well as methods, by which to be invisible.

***It is with Camalos help that a child of God becomes invisible, i.e. that he/she can betake him/herself into all spheres, mentally, astrally [emotionally] and , if necessary, also physically, without being recognized there.***

The human body, and in fact all matter, is capable of manifesting instantaneous changes.

These changes often are perceived as miracles by those who are not initiates.

Accounts of these types of changes are recorded throughout history.

The ability to walk unharmed over fire and hot coals is practiced in various cultures even to this day.

This is done by control of imagined visualizations in the mind, combined with accompanying flowing emotions.

Changes in matter, including instantaneous changes, are caused by clear intentional visualization, especially in a state of experiencing the Oneness of all life, combined with powerful focused flowing appropriate Divine Emotions.

People become extremely sensitive to the world of emotions as they

become spiritually mature  
and master co-creating the physical world and maintaining Heaven on Earth.

Emotion is Energy in Motion,  
and IS THE CHANGE PROCESS.

IT IS IN THE REALM OF  
EMOTIONS THAT INSTANTANEOUS CHANGES  
ARE CAUSED, SO THAT THEY CAN OCCUR EVEN ON THE PHYSICAL  
LEVEL.

THE ASTRAL PLANE, THE PLANE OF EMOTIONS, IS ALWAYS THE PRIME  
ARENA  
OF THE CHANGE PROCESS.

As emotions flow, they create magnetism that attracts new realities into form.

Strong flowing emotions of Omnipotent Faith and INTENT to be invisible ,  
combined with an imagined visual image of being invisible,  
sets into motion required changes  
in the electro-magnetic field of the mind, emotion, and form.

Such omnipotent intent and visualization of being invisible with  
corresponding emotions of being invisible,  
with gratitude for this state, result in invisibility.

This important skill is easy once a person learns how to remain focused  
on his or her own sacred reality in the moment to the exclusion of all else.

Focus on omnipotent faith with the intent to appear invisible,  
and an inward visualization of yourself being invisible.

Meditate, and flow with emotions of this wonderful experience of being  
invisible.

We help a child of divine being focus on the virtue of spiritualization  
of his or her body, on all levels, with Divine qualities,  
maintaining emotional connection with Divine Omnipotence  
and seeing all through the eyes of Love Divine.

Visualization and Divine flowing emotions attract this desired reality into  
manifestation.

If a person intends to be invisible only on mental level and emotional levels,  
then their thoughts and emotions become invisible to others.

If he or she is doing mental or astral wandering, then on those levels  
he or she remains invisible.

If a person intends to be invisible mentally, emotionally, and physically, then even the body is not noticed by others.

Perfect concentration and faith, or will and mastery of flowing tangible feelings  
in the body of emotions,  
make for perfect invisibility.

Remember that flowing emotions are magnetic and attract changes in matter, even to the point of levitation or invisibility of self or objects.

When flowing emotions are clear and pure enough, all miracles are possible to attract, including actual physical invisibility.

By flowing with focused emotions of spiritual splendor, the physical body can actually be invisible to others with the intent, visualization, and emotions of doing so.

***The human body is capable of levitation in this manner also.***

In this case, emotions of the original purity of all ideas in Divine Mind, sensations of lightness and floating, pure and focused without subconscious emotions of fear, doubt, or intruding sensations of weightiness, cause matter in a body to manifest lightness.

Great mastery over focus and flowing emotions is required to maintain a desired manifestation.

Do not become distracted.

As you can see, people must be masters of emotions to be masters of all worlds,  
especially the physical world, and maintain Heaven on Earth.

Any limited or wounded emotions of self can be healed.

To do so, painful emotions are seen through the eyes of Love Divine when they arise, and are allowed to flow safely and nondestructively with an attitude of validation for their existence due to legitimate experiences of suffering.

This evolves into praise, respect, thanksgiving and love for the wisdom they have made possible,  
recognizing that suffering on any level personally demonstrates on an irrefutable level the necessity of harmony and beauty in life.

**I KNOW THAT THE UNIVERSE ONLY  
WANTS MY GOOD THROUGH  
EVERYTHING THAT HAPPENS TO  
ME, ALL THAT I EXPERIENCE,  
FEEL, THINK AND IS,  
FOR ONLY IN THIS WAY  
DOES EVERYTHING  
LINE UP PERFECTLY.**

Being exposed to this validation and appreciation, and no longer resisted, denied, or acted out destructively, they go through the necessary and natural process of healing, bathed in love and gratitude, and regain divine purity.

Emotions of omnipotent will and faith arise from identification with Divine Being and oneness with all creation.

The experience of being ONE with Divine Being and with all creation awakens heartfelt desire for the highest good of all.

This Omnipotent desire and faith make possible all things.

With this faith and desire for divine beauty on all levels, for all beings including the self, the heavenly hosts and all beings act as one in manifesting miracles.

As a person utilizes loving emotions of courage and faith, in the fire of will through The Power of the Word, electrical impulses of pure fire light up the web of life.

MIRACLES

NUMBER TWO is the number of duality, of polarity, of the positive and the negative principle.

In the material world, the two indicates electricity and magnetism, love and hate, light and shadow.

It is always a pole and its anti-pole, of which one could not exist without the other.

It is God and man.

It appertains to those religions which regard God as something separate, whereby the dualistic principle is to be found in all forms of existence.

Two can be represented by a horizontal line.

### Footnotes:

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name. This name is a key to their powers and influence.

Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

If you have these, it is helpful to read Frabato the Magician first, with appendixes, and then read appendixes from the other three for background.
