**The Moon Angels of Sexual  
Attraction**

**Angels of '*E-N-Ch-E-D-E*'**

**6th Day of Lunar Cycle**

**Beloved,**

*Being immortal, the sons and daughters of*

***divine being have experienced  
many lifetimes in many forms and  
circumstances.***

***It is time now that mastery of time,  
and space,  
blossoms,  
so that wisdom gained through many lifetimes  
is easily remembered.***

***We inspire clarity of emotions that are divine,  
so that only the highest good of all concerned  
happens,  
on all levels of density.  
This includes the physical, the emotional, the  
mental, and***

***the spiritual levels of awareness.***

***The original divine blueprints  
of sacred courtship,  
sacred friendship,  
and sacred divine love and marriage,  
are holy,***

***outpicturing divine will  
for the highest good of all,  
for we are all one, we are whole,  
in essence.***

***These are blueprints of the highest good of all  
concerned,  
that attract  
into manifestation***

***flowing joys and sacred happiness.***

***"For I have not given you the spirit of fear,  
but of joy,  
and life everlasting."***

***Will is electric.  
Emotions are magnetic.  
Emotions contain compressed information,  
like zip files.  
They attract corresponding realities into  
manifestation out of the quantum field  
of infinite possibilities.***

***Flowing tangible feelings of divine happiness  
attract blessings to all.***

***We help each man and woman discover the kingdom of heaven  
within,  
and walk the path of manifest true divinity,  
so that relationships are governed by clear inner guidance  
and beautiful feelings,  
that are the highest good of all.***

***When the children of God call on us,***

***we inspire divine flowing tangible sacred feelings in the body that  
purify sexual energy,***

***so that sexual energy is a preserver***

as well as a giver of life.

**Beautiful desires, visual images, and ideas in meditation,  
which are the electric creative masculine power,  
create beautiful emotional states that are tangible feelings and  
sensations,  
the flowing magnetic feminine power.**

**A man radiates masculine powers of divine desires, imagination,  
and ideas to bless the emotional and sensual realms of reality  
that are the feminine polarity.  
As the feminine magnetic energy is blessed  
spiritually, creatively, emotionally, and physically,  
hearts open  
and  
glands throughout the body temples of both partners  
release powerful anti aging  
and health strengthening chemicals.**

We illumine the mysteries of polarity.

Just as the inbreath becomes the outbreath,  
so does the outbreath become the inbreath.

**We inspire men with clarity of omnipotence, omniscience,  
and omnipresence,**

**so that a man does not alter polarities by seeking to receive  
divine pleasure from a woman,  
but rather to give divine pleasure, staying in his masculine  
polarity of electricity, or giving.**

**He discovers that with the giving automatically comes the  
receiving.**

**A woman receiving pleasure on all levels from a man goes into  
bliss,  
and this bliss is reflected back to the man on all levels  
automatically.**

**We inspire clarity of divine emotions and sensations of  
women, so that a woman receives from a man,  
in her feminine polarity of magnetism, or receiving.**

**She discovers that with the receiving automatically comes the  
giving.**

**A man who is bringing his mate into divine bliss on all levels**

receives the sacred rapture of her soul on all levels,  
and his bliss is ignited automatically on all levels.

Properly opened,  
healed,  
and directed

divine sexual tangible feelings and emotions

open and expand gateways to Cosmic Consciousness.

Tangible feelings are compressed information that determine which  
realities manifest

on the physical plane out of the infinite possible realities in the  
quantum field.

That is why sexual attraction must co-ordinate bliss on all seven  
levels

of awareness to manifest heaven on earth.

*Chackras, like spinning flowers, open as sexual  
energy  
courses up and down the spine,  
enlivening everything along the way.*

*That is why sexual energy is so precious when  
properly directed,  
as these spinning vortexes of energy along the*

***spine  
are living scriptures of divine consciousness.***

These chackras are activated by the beautiful sexual emotions which trigger glandular secretions from all seven chackra centers, so that physical, emotional, creative, and spiritual ecstasies occur.

We inspire teachings of sexual ecstasy,  
how the masculine power gives to the feminine in four ways:  
physically, emotionally, creatively,  
and through willpower and intention

These four ways of the masculine are the crown for willpower, or guru essence,  
the throat for creativity, or magician essence,  
the navel for emotions, or the lover essence,  
and the bottom chackra for physical touch and security, which is the divine warrior essence.

We teach how the divine feminine receives, loves, and sees in divine union.

These three ways are the second chackra of relationship,  
the heart, which is the generator of plasma or life force,  
and the third eye, which is wisdom.

Because the heart has an energy torus field 5000 times stronger than the brain,  
when a man is truly loved by a woman,  
who is fulfilled by his warrior, guru, lover, and magician selves,  
her love empowers them both.

A powerful scalar wave is then produced that can alter the fate of the entire unified field.

***Supreme happiness is necessary to creation for cohesion.***

**Sexual and relationship energy of all kinds must produce happiness on all levels of awareness for all involved .**

**All parts of the human body temple are important and designed for divine alchemy to work properly, so**

**we teach the purpose of hair, including facial hair on men, and foreskins, and every aspect of physical creation.**

\*

**Whenever a child of God wishes to arouse emotions of Divine sexual attraction for the purpose of supreme happiness and the highest good of all, we respond bringing clarity and and perfect purity, removing all obscurity.**

**Divine Flowing emotions of divine sexual ecstasy are transmitted throughout the Unified Field by the heavenly hosts of 'E-N-Ch-E-D-E'.**

**During the 6th day of each moon cycle, flowing emotions of sexual kundalini, or life force, is heightened and protected and blessed throughout all kingdoms of life.**

**Propagation, maturity, and decay of life unfolds according to perfect rhythms and cycles.**

**We help the development of sacred and harmonious love, sympathy, popularity, and sexual attractiveness.**

**We give instructions on infusing flowing emotions of sexual attraction into jewelry, such as rings of endearment. We instruct on the differences between man and woman, and how the arousing of sexual energy occurs differently within each one.**

**We inspire the sons of God to focus mastery of will, to visualize and understand divine beauty and perfection on every level of awareness, to delight the divine feminine sensually and emotionally, and in so doing, create for both the greatest rapture.**

**As a woman's physical, emotional, creative and spiritual being is blessed by the masculine electric energy, so in turn does she produce plasma in her heart of love, and nurture realities that are being created by the masculine energy, and behold the divine masculine in awe.**

**Emotions are the language of the quantum field, and determine the outcome of timelines.**

**By infusing sexual energy with emotions of supreme happiness,**

**oneness with all, clarity and perfect purity that removes all obscurity,**

**joy of creating new realities of love, the quantum field is blessed with harmony.**

**Divine sexual flowing emotions create supreme happiness in each**

**individual**

**as well as in the relationship, and blesses all life.**

**It is wise to direct sexual emotions with intention of The Law of One,**

**so that kundalini flows upwards along the spine to invigorate and balance all the glandular centers, and their corresponding stages of consciousness and emotions.**

***The Law of One***

***We are all one.***

***When one is harmed, all are harmed.***

***When one is helped, all are helped.***

***Therefore, in the name of who I AM,***

***and I am one with all there is,***

***I ask that only the highest good of all concerned happen.***

***I give thanks that this is done.***

***So be it.***

***So it is.***

**When the children of God call on us, we inspire flowing emotions that purify sexual energy to engage and connect all levels of awareness in both partners**

**and is a preserver as well as a giver of life.**

**The magnetism of sexual emotions used in this way anchors ecstasy and bliss to Earth, and attract conditions of health, success, and happiness for all life.**

**On the sixth day of each 28-Day Moon Cycle we flood the Earth**

with emotions of sexual attraction in a way that leads  
to happiness and the spiritualization of emotion.
