The Angels of Evolution

Also known as

The Angels

of

Sikesti

Beloved,

*We inspire divine faith in the children of light,
faith in the goodness and beauty of creation,
faith in the intelligent processes at work that guide
the evolution of everything.*

**We inspire a child of God to know about the act of creation, of everything
as Divine Providence purposes it.**

**Divine Purpose may be understood through analogy,
wherein a person is inspired to read the deeper meaning behind the
most subtle clues.**

**Meditate on perfect shapes of snowflakes, of which no two are alike,
or the delicate flushes of morning lights that turn into brightness of
days,
and then into twilights,
and then from evenings into the darkness of nights.**

**We inspire understanding evolution from the smallest particle to the
largest universe.**

**Through the understanding of analogy [even the most subtle analogy]
a person sees all-penetrating Divine Purpose and high inspiration
behind all of creation.**

It is our joy to help each seeker understand evolution in this way.

Divine Purpose guides the growth of all creation.

**We reveal that evolution manifests from omnipresent,
omnipotent flowing emotions of Loving Divine Will for the
highest good of all.**

***We inspire divine faith and understanding in the children of light,
faith and understanding of the goodness and beauty of creation,
faith and understanding of intelligent processes at work that guide the
evolution of everything.***

Martinsell Hill, Nr Wootton Rivers, Wiltshire. Reported 7th July, 2018.

**We respond whenever a person desires to understand spiritual growth
and
evolution in spirit, mind, emotions, and body.**

**We have taught since the beginning of time,
providing all that is needed to understand divine evolution into highest
destiny.**

On Earth as it is in Heaven.

We are One.

We are One.

Footnotes:

**The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions:
Judaism, Islam, and Christianity.**

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name.

This name is a key to their powers and influence.

Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

Feel free to share these messages.

**The Law of One is the original law of Creation,
and is the supreme Law over all laws in all dimensions.**

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I am one with all there is;

I ask that THE HIGHEST GOOD OF ALL concerned happen.

I give thanks that this is done.

SO BE IT!

So it is.
