## The Angels of Evocation

Also known as  
The Angels of

***Kibigili***

Beloved,

As it was written:

***Ask and ye shall receive.***

**"Knock and it shall be opened unto you."**

**"Seek, and ye shall find."**

**"Let ME fight your battles for you."**

**Because visualization and emotions are the  
essence of miracles,  
visualize the vast company of enlightened beings,  
and omnipresent, omnipotent, and omniscient  
Divine Consciousness Itself,  
and ask them to help you,  
while, still in meditation, and imagine flowing  
with emotions of joy and fulfillment.**

**These flowing emotions of gratitude, love, relief,  
and joy etc. are magnetic,**

**and control the quantum field.**

**Both visualization and emotions are  
necessary and important in the process of  
manifesting heaven on earth.**

**We inspire spiritual seekers to visualize and flow  
emotions of true divine blessing,  
through faith and the art of evocation, which is  
the art of spiritual asking and seeking.**

***We help you understand the admonition of many sacred  
scriptures to ask for Divine assistance.***

***" I will send my angels to protect you."***

**Instead of fear, we inspire *joy* in the awareness of**

the splendor and majesty of God.

**"For I have not given you the spirit of fear, but of joy,  
and life everlasting."**

Visual meditations of divine beauty, creating emotions of  
awe,  
attract grace and mercy into manifestation in all situations.

Remember the words of the great sufi mystic and saint,  
Hazrat Inayat Khan,  
The more you depend on God, the more dependable God  
becomes.

***K*****We teach how to call forth empowerment to work  
miracles,  
the power of faith to manifest intentions at will,  
how to visualize a desired manifestation, and flow with  
gratitude and love.**

[The divine virtue of Omnipotence, the Highest Light and Will, as a quality,  
everything concerning the state of manifestation of belief.

The color is silvery blue, the element is fire, the musical note is B, and the left ear  
is formed from it.]

***I*****We teach the children of God to evoke the greatest  
miracles**

***in the physical world as masters of dimensionality.***

[The divine virtue of Cause and Effect, everything relating to conscience, memory,  
and reminiscence.

The color is light opal, the element is earth, the musical note G, and the left kidney  
is formed from it.]

***B*****We help you direct the course of fate, invoke  
protection Quabbalistically**

***through the power of meditation of the ancient language,  
and teach you how to exercise mastery to heal  
disharmonies.***

[The divine virtue of Universal Life, of polarity, of mastery over will and emotion,

everything which imparts absolute power over the electro-magnetic fluid.

The color is light violet, the element is earth, the musical note is A, and the right  
eyeball is formed from it.]

***I*****We encourage in you the ability to reawaken memories  
and control all life activities on earth subject to karmic**

*law.*

***GWe help you open the way to receive true divine blessings and peace in the spirit.***

[The divine virtue of Grace and Mercy, of peace in the spirit, of divine blessing and remission.

The color is deep grass green, the musical note is F, the element is water, and the left eye is formed from it.]

***IWe show you how to work with conscientiousness in the mental plane, in order to attune to and call forth unseen Beings and helpers and guides.***

***LWe reveal the mystery of magical equilibrium, which is the spiritualizing of emotions with visualizations of desired manifestations.***

***This helps you to prolong life and lighten the energy bodies.***

[The divine virtue of all the divine virtues taken together, or the splendor and majesty of God,

to the spiritual comprehension of true morality.

The color is olive green, the musical note is F, the element is air, and the spleen is formed from it.]

***IWe help you master the principles of breath, learn breathing techniques, and thereby experience enlivening and energizing powers.***

**In times of danger, we inspire people to ASK FOR HELP instead of reacting in fear.**

**Emotions of fear are a normal reaction to danger,**

**but unfortunately, due to the magnetic nature of emotions to attract new realities into physical manifestation, fear can attract the least desirable outcomes.**

**To help with mastery of flowing emotions during changing times,**

**so that positive emotions attract positive outcomes, our assignment from Divine Providence is to inspire Faith, such Omnipotent Faith that all obstacles are transformed and transmuted into the highest good of all.**

**We awaken remembrance of control of Will and Emotions, and The Laws of Cause and Effect.**

**As you sow, so shall you reap.  
Even if a person is buffeted by fear or malice of others,  
we help so that Divine  
Awareness protects and informs  
his or her visualizations and emotions.**

**All thoughts become focused on Omnipotent Will that  
creates and protects all of creation.**

**We are powerful heavenly host and protect you when you ask.**

**As you journey in consciousness through the many mansions of  
the created universe,  
do not underestimate the power of the Divine virtues that we  
manifest.**

**It has been spoken that people must not fight their battles  
in consciousness alone,  
for in truth all are ONE with All That Is**

.

**All That Is will help you manifest Omnipotent Will Divine for  
the highest good.**

**As The Law of One, which is the Law of Laws, states:  
WE ARE ALL ONE.**

**When one is harmed, all are harmed.**

**When one is helped, all are helped.**

**Therefore, in the name of who I AM, and I AM one with all there is,  
I ask that the HIGHEST GOOD  
of all concerned happen.  
I give thanks that this is done.**

**So we introduce ourselves to you this day.**

***We are one of the orders of the Angels of Protection.  
We are known as the Angels of Evocation,  
the Angels of Kibigili.***

Call on us now and let us help you this day and always.

The melody of our name is B, G, A, G, E, G, F, and G.

**Remember that when you evoke help from the heavenly hosts,  
it is one part of Omnipresent Divine Being, of the Unified Field,  
accessing another part.**

**This is analogous to the interrelatedness of different parts of the human body working together as a whole.**

**Let me fight your battles for you.**

**It is spoken in many holy books,  
that Divine Being wishes for his children to have faith, to ask, to visualize and feel,  
and rely on Divine Consciousness and the heavenly hosts for protection and for sustenance.**

**This pipeline to Divine consciousness becomes more serviceable with use.**

**By asking for help of the heavenly host,  
the power of The Unified Field is accessed through consciousness.**

**The power of The Unified Field, of Divine Being, accessed through evocation, is Omnipotent.**

**Remember that it was master Jesus who taught his disciples that,  
I of myself can do nothing, it is the Father within, it is He that doeth the works.**

**He also said, I and the Father are ONE.  
and**

**All that I do ye shall do and more.**

**Within mind and emotions are powers to evoke help,  
so that Divine Providence interacts through the consciousness  
of the heavenly hosts on all levels of being, will, thought,  
emotions, and sensations,  
to protect all that is the Divine birthright of the Children**

**of Light and Love.**

**On Earth as it is in Heaven.**

**We come when you summon us.**

**Whether your prayer for help and assistance is for yourself, for those you love, or for the entire world, the entire human family, or the entire creation, we come and answer your calls in the ways that are most appropriate according to Divine Providence.**

#### **Footnotes:**

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth,

and the angels who work with him or her.  
The being and the angels share the same name.

This name is a key to their powers and influence.

**Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.**

forgotten the gift.**
