and circumstances to unselfish benefactors.
Remember that flowing with strong emotions of*

**Divine virtues gives Children of Light mastery
over magnetism,
that attracts happy realities of perfection into
physical manifestation.**

Through many lifetimes,

a person travels many gateways,

***to finally realize that A LIFE PATH DEAD
ENDS***

***when the road itself is too narrow
and fails to link up in Divine Love with
those outside of self.***

***When the energy is divine love, how
beautiful are the results!***

***When the energy is divine love, how
beautiful are the results!***

***When the energy is divine love, how
beautiful are the results!***

**We help people realize that actions which are
performed with purposes of reaping some
commensurate reward
do not result in the beautiful results
that the same amount of energy expended in
kind and selfless deeds bring about.**

**We inspire them to create with love, for the sake
of love itself.**

"Love conquers all."

"The greatest of these is love."

"God is love."

**As this is done, rewards are much greater
than could rationally be expected.**

**This is because a decision made from the
rational brain is binary,
while a decision made from the heart is
multidimensional.**

If an action is performed for some specific reward, the limits of the energy of the action are built in circumscribed by the imagination and intent of the nature of the reward.

Actions performed from the heart create unlimited potentials.

Another way to explain it,

is that the outgoing energy is being held back by a persons limiting concepts and attachment to it.

When an action is performed simply for the goodness of it, with no thoughts of personal rewards, there are no limits to the flowing of energy.

This loving unlimited energy goes out into infinity,

blessing all beings with a force corresponding to the intensity of the will with which it is performed, drawing to itself similar energies of the loving abundant emotions with which it was performed.

As

this happens, the person who sent it out receives this same energy, greatly potentized, FROM EVERYWHERE through all TIME.

The time is dawning when abundance of every good thing is freely available for all, removing double binds of lack and neediness, so that children of God are not stressed between self care and care of others.

***"Take no thought of the morrow."
"Consider the lilies of the field. Even Solomon, in all his glory, was not arrayed as one of these."***

We help people understand the causes, purposes and effects of diverse Divine Laws in order to gain wisdom. In this way they manifest miracles that bring The Kingdom of Heaven to Earth.

"All that I do ye shall do and more."

In every moment of your day, there exists the choice to focus your attention freely on whatever you wish.

When the decision is made to dedicate life to the service of bringing beauty and truth to inner and outer worlds, an intense process of learning and preparation begins.

This beauty and truth must first be found and enlivened within.

"Seek ye first the Kingdom of Heaven and ALL will be added unto you."

"The Kingdom of Heaven is within."

This sometimes takes many years and requires the help of many teachers.

So it is that we become teachers, and help in meditations, especially meditations on the ancient language, the study of the Divine virtues in being, will, intellect, emotion, and sensation. We help attune to the original purity of all ideas in Divine Mind.

We help with the release of imperfections, release of limitations in desire, thought, emotions or sensations, for changes into other states that are the highest good of all.

We help attune to clear inner guidance in each moment, with amazing faith.

"With faith all things are possible."

We help you understand the source of everything in creation, and to create causes that change fate, perceiving all through the eyes of love and manifesting supreme happiness.

A particular emphasis is on the study of will and emotions.

A most important concept to understand is that WILL GIVES IMPULSES FOR CHANGE

**AND FLOWING *emotions* ATTRACT THESE
CHANGES INTO FORM.**

**Taking these principles a step further, a secret to
manifesting new realities into form
is bringing each LEVEL of conscious awareness
into alignment.**

**These levels are; pure being, intent, thought,
emotion, and sensation.**

**One old saying emphasizes the power of
synchronizing all levels:**

*Anything which you sincerely believe, fervently
feel, staunchly intend and
persistently and clearly visualize must inevitably
come to pass.*

**Thus, the most common impediment to
manifesting miracles is the erroneous practice
of putting out mixed messages or contradictions
in consciousness.**

**If, for example, you want something very much,
but are so afraid that its opposite may happen
instead,**

**so that you worry extensively, continueing to
imagine the unwanted outcome,
the mixed message you are sending with 2/3 of
your creative energies is undermining what you
want from manifesting.**

**In this case it would be necessary to heal and
resolve the negative emotions of fear first.**

**As you heal the negative emotions , associated
negative beliefs about reality will also heal.**

**Therefore, the most important levels to
synchronize for miracles are intentions (will) and
emotions ,**

both of which are best strengthened by imagining congruent visual impressions.

The (unconscious) brain responds directly to visual pictures.

Will is electrical energy and feelings and emotions are magnetic energy.

Acting together congruently, essentially the male and female principles, they comprise an extremely powerful, balanced whole that accomplishes miracles.

Align personal will with Omnipotent Divine Will.

This synchrony is accomplished by decreeing the highest good of all with powerful congruent will, visualization and emotions of this happening.

By attuning to inner guidance to choose a particular Divine Virtue, and BE, WILL, VISUALIZE, think about, FLOW WITH EMOTIONS, and sense this virtue, a great cause is created in the Akasha, or consciousness-penetrating-all. DIVINE WILL AND EMOTIONS that shine with strong belief, faith AND LOVE, create ongoing effects through time that bring justice, harmony and happiness.

We come when you seek to understand the energies of male and female, Cause and Effect, WILL AND EMOTIONS of Divine Virtues.

We guide you in the great quest for understanding, purpose and mastery of various Divine Laws, such as The Laws of Justice and Harmony that lie behind creation.

It is destiny to be successful in following the footsteps of the masters who performed great miracles in your world.

Once seekers understand how energy works within the universe, they long for situations that give them opportunities to do unselfish deeds.

To sum up then, to cause divine effects in the physical world, desire and imagine divine changes in will, thoughts, emotions, and sensations, in the self,

and then in others .

By making changes in the inner world,

changes are created in the outer world. The same laws apply to the micro and the macrocosm.

As above, so below.

As within, so without.

We rejoice in this day,
that we can make our presence known to you.
When you step upon the path of service and
MIRACLES,
know that you are not alone.

***We, the Angels of Wisdom, are here to
serve and guide.***

It is we who join mighty angelic choirs of
thanksgiving

whenever any man or woman follows in the
footsteps of the great masters
of Divine Laws.

It is ordained by Divine Love and Providence that
we answer your call for assistance.

We are here to help you excel in your path of
service.

MIRACLES

Footnotes:

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name. This name is a key to their powers and influence.

* Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W Germany. These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

If you have these, it might be helpful to read Frabato the Magician first, with appendixes, and then read appendixes from the other three for background.

**The Law of One is the original law of Creation,
and is the supreme Law over all laws in all
dimensions.**

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I AM one with all there is;

I ask that THE HIGHEST GOOD OF ALL happen.

*I give thanks that this is done.
SO BE IT!
So it is.*
