

# Hermetic Angel Messages

[PDF version](#)

**The moon is highlighting the sacredness of matter:**

## 25 degrees Capricorn The Angels of Matter

Also known as  
The Angels of **Segosel**

**Beloved,**

**Matter is holy.**

**Everything in creation is sacred.**

**We protect the knowledge of everything related to the physical world.**

**As the angels of Kama, of air, explained in the previous message,**

**the necessity for harmlessness requires that some of this information is not revealed,**

**until the ability to see through the eyes of love  
and true spiritual morality is established worldwide.**

**In revealing the secrets of matter,  
we empower an awakened World Server to create whatever is needed in any  
situation on the physical plane,  
to manifest Heaven to Earth, for the highest good and perfection of all  
concerned.**

**We are the keepers of the secret of the matter.**

**It is for us to inspire mankind with the secrets of matter  
of the physical world in its chemical and physical effects.**

**However, because of divine grace in evolutionary changes and  
interventions,  
deeper secrets of matter will soon be understood.**

***Enlightenment is dawning, as people awaken to true  
spiritual morality,***

***and do their part to make sure that no harm is done,***

***even to matter, Heaven and Earth are truly one.***

**Galactic assistance and assistance from the heavenly hosts,  
along with solar, interplanetary, and photon changes, world  
service,  
the cycles of life, and clearer inner guidance,  
are enhancing development of biological development  
and whole brain divine awareness in the Children of Light,  
uniting Delta, Theta, Alpha, and Beta brainwave states.**

**The conscious use of this 'quadrapolar magnet' is required to  
experience the oneness of the unified field**

and be one with and understand and control the deeper secrets of matter.

THE 14<sup>TH</sup> DAY OF THE 28 DAY MOON CYCLE

FULL MOON

## *The Angels of Moon Magic*

Also known as

The Moon Angels

of

## *Ezhobar*

Beloved,

When emotions run at full power, magnetic attraction peaks.

Remember,  
magnetic attraction, caused by strong feelings, attracts changes in matter.

That is why tangible feelings of divine happiness are so important.

It is also why we help the children of divine being remember,  
intuitively,  
all that has been so carefully learned throughout lifetimes,  
in the infinities of time,  
that the soul has experienced in beingness.

These lessons, or experiences,  
help a person to see through eyes of love,  
and in this way bring about justice and harmony for all.

We help each person experience oneness with all life,  
so that only the highest good of all concerned is desired.

Emotions attract particular realities out of infinite potentialities,

that correspond to their frequencies, and manifest thereby specific physical worlds.

During the time of a full moon, emotions are at their most powerful, so manifesting changes on the physical plane is easier at this time.

This is why it is so important to attune emotions to the highest frequency possible, by healing negative ones and aligning with highest will and thoughts with their corresponding feelings.

Polarity is a fact of creation on all levels and emotions have polarity.

By mastering polarity in the emotions, all things are possible, including levitation of self, others, and objects.

The key is mastery of whole brain concentration on the four levels of being, simultaneously, while feeling powerful emotions.

The level of Delta brainwaves allows a person to feel oneness with the unified field of energy, oneness with Divine Consciousness and with all life.

At the end of the spectrum of Delta brainwaves, INTENT or WILL is generated for manifesting a divine virtue for the benefit of the unified field.

This is the level of electrical energy.

The stronger the WILL, the larger will be the mold that is created on the next level, which is thought.

At the level of Theta brainwaves, a person contemplates the MEANING of a divine virtue that is being generated.

Clear and precise intellectual understanding of the divine virtue creates a blueprint,

or mold that will be filled on the next level with magnetic feeling energy.

The next level, Alpha brainwaves, is the level of EMOTION.

Strength of EMOTION determines the strength of the magnetic power generated to fill the mold that was created on the previous level.

When the mold, or blueprint is filled, it manifests on the next level, which is the level of form or matter.

The level of form is comprehended by Beta brainwaves, which register the five senses, memory, language and linear thought.

It is on this level that changes in form are experienced by the five senses and subject to memory,

when they can be remembered at any future time.

During a full moon, a person can align his/her strongest emotions with the most powerful emotional energy of the Unified Field with great ease,

and piggyback personal feeling energy with Divine Feeling Energy.

In this way, the most amazing manifestations in magnetic and physical

creation are mastered.

Ideally, in the previous two weeks, divine intention/will, concept/thought, feeling/passion and sensations of desired changes in physical manifestation have been pondered and created.

Now, by feeling these creations with the greatest passion, is the time of ultimate manifestation.

Meditate on the divine virtues associated with the letters of our name, and call on our help, to gain the following:

***E-Z-H-O-B-A-R***

*E...We infuse cosmic consciousness and awaken talents and abilities, especially clairvoyance,*

*and help you understand symbols and the ancient language of Quaballah.*

*Z...We impart an excellent gift for prophecy, and the ability to see the working of magic in the physical world.*

*H...We teach all languages of all spheres, and confer power to raise the dead,*

*and perform miracles using the power of the word according to the meditations of the ancient language.*

*O...We help you attain acute power of judgment, especially regarding justice and fate.*

*B...We initiate masters over life and death and the power to change fate.*

*We also gift magic powers and teach the need for the existence of polarity.*

*A...We aid development of artistic talents, eloquence, and magic powers like levitation and learning the language of symbols.*

*R...We cause mind expansion in order to learn new information quickly and easily.*

***We impart ingenuity that manifests itself in a number of abilities.'***

**"As above, so below."**

**The cycles of the moon are the natural cycles and rhythms of the sea of magnetic energy,  
the sea of the emotions of the universe.**

**By consciously aligning personal emotions with moon cycles,  
a state of almost indescribable bliss and well being can be maintained on an on-going basis.**

**Periods of quietness at the dark of the moon gives birth to new feelings  
which grow gracefully into periods of intense excitement and completion at  
the full of the moon.**

**The period of passionate completion of the full moon then gradually relaxes  
into satisfaction and serenity at the end of the cycle, at the dark of the moon,  
again.**

**The 28 day cycle of the moon, the dark of the moon waxing to the full moon  
and the waning back again to the dark of the moon,  
carefully guides the emotional sea of magnetic energy for all creation,  
according to impeccable rhythms of harmony and life.**

**Here is a useful exercise to help master polarity of emotion:**

**Choose a polarity such as excitement/relaxation.**

**Close your eyes and feel excitement.**

**Concentrate fully until your entire being is infused with the feeling of  
excitement!**

**Next feel relaxation.**

**Concentrate fully until your entire being is peaceful and floating, filled with  
feelings of relaxation.**

**Now feel excitement again!**

Feel it fully, taking your time to work up to full awareness of its power!  
Now feel relaxation again, feel it until you merge fully into peaceful, calm,  
quiet, being.

Now remain in a state of relaxation WHILE AT THE SAME TIME FEELING  
EXCITEMENT!

Feel these two feelings AT THE SAME TIME!

This exercise enhances wholebrain awareness.

It becomes effortless with practice.

This is useful to master any polarity such as acceptance/rejection,  
joy/sadness, confidence/fear, etc.

On the 14<sup>th</sup> day of every 28-Day Moon Cycle,

we flood the earth with powerful feelings to manifest miracles.

ECSTASY

Names, phrases, or sections, in Italics or single quotation marks are quoted  
or paraphrased from the books of Franz Bardon, [The Practice of Magical

Evocation ISBN 3-921338-02-6 and The Key to the True Quaballah, ISBN  
3-921338-13-4]. Publisher is Dieter Ruggeberg, Wuppertal/ W. Germany.

These books have detailed information on the meanings of the letters on all  
four levels of will, mind, feeling, and form, and all of the beings of the zodiac.

For additional study of the ancient language and easy reference, you  
can purchase these books online at:
