

Hermetic Angel Messages

PDF version

Today is the full moon partial eclipse.

A very significant day.

The sun highlights our true being.

The moon highlights the sacredness of matter.

The north node of the moon, the direction of the chart, is evolution, 18 Cancer.

25 degrees Cancer

Beloved,

**The highest and purest spiritual leaders clothe themselves in a
mantle of divine power.**

**This mantle is woven in the warp and the woof of time and space
through deepest oneness with Divine Emanation.**

**In this oneness, emotions flow with divine virtues,
and therefore attract only divinity in all situations.**

**Remember that we are all one,
and we are but extensions of yourself.**

**Assume your rightful place as the caretakers of creation, claim dominion,
through a combination of your energies and ours.**

**Know that we answer your calls as you take command of the kingdom
in the name of The Law of One, of Divine Wisdom, Will and Love.**

**We help you manifest the original purity of all ideas in Divine Mind
with grace, true divine legality and love.**

**As you call forth help from Divine Being to bring heavenly virtues
into the world,**

**beginning within your own beingness,
will, visualizations, emotions, and sensations in meditation,
we, along with the Angels of Akahimo,**

**help you create a descent of superior power from the first light into
the Akasha.**

This affects all creation.

***We assist those who are ready to ascend to highest consciousness of
Divine Light,
to experience the highest enlightenment imaginable.***

We connect emanations of *the first light* into the plane of Akasha.

**Akasha is the deep Delta brainwave experience of pure being and unity with
Divine Being and all creation.**

**By connecting the light of your own spirit and soul with the plane of Akasha,
the mantle of divine power is created.**

Stand firmly rooted in pure original beingness.

**As you stand in your own physical, emotional, mental and spiritual incarnation
in time and space,**

visualize and FEEL divine light descending and filling all.

Sense this creating emotions of ecstasy and harmony and flow with them.

These emotions are magnetic, and anchor the divine light into physical form.

**As you experience the pentacostal outpouring of brilliance from above filling
you,**

this descending light forms around you a MANTLE OF DIVINE POWER.

**Meditate on the first light at the center of your being,
and experience yourself at one with omnipresent Divine Being,**

**in its highest and purest expression,
so that the mantle of divine power shines forth from you.**

Divine Grace is based on profound love for all.

**True Divine Blessing is based on the understanding that when one is harmed,
all are harmed,
and that when one is helped,
all are helped,
because unity is truth and we are all one in Divine Being.**

What you do to the least of these you do unto me.

All that I do, ye shall do and more.

We respond to desire for unity with Divine Consciousness.

We help you obtain the highest enlightenment.

**We rejoice with your beingness, will, visualization, emotions and sensations of
the outpouring of light.**

**We rejoice with you as divine virtues shine
from the First Light of Divine Providence at the beginning of Cause.**

We profoundly help you with this.

**Beautiful mastery can be obtained through meditating on the divine virtues of
the letters of our name.**

Footnotes:

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor,

or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name. This name is a key to their powers and influence.

*** Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.**

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6,

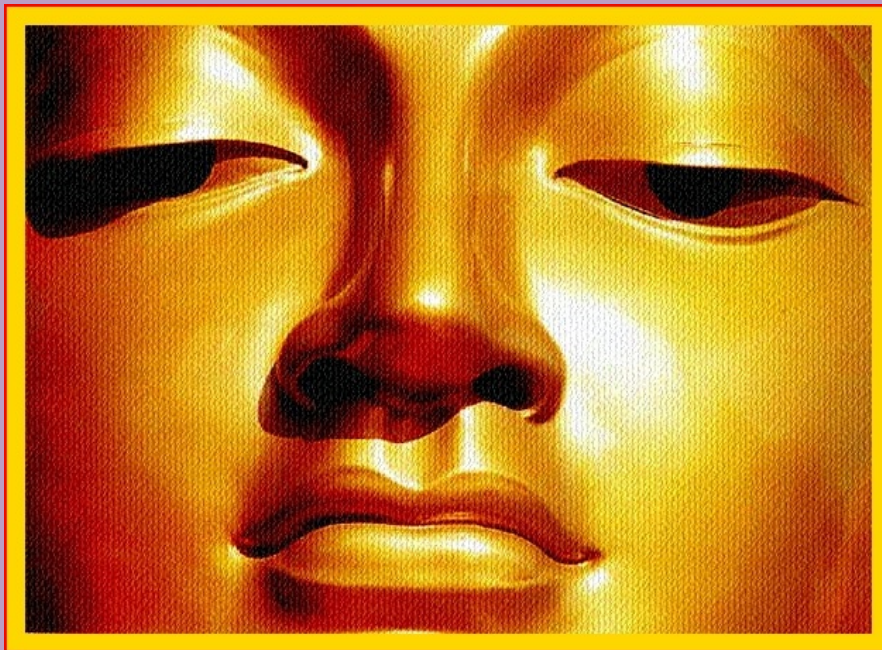

and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book,

"Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

**The Law of One is the original law of Creation,
and is the supreme Law over all laws in all dimensions.**

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I AM one with all there is;

I ask that only THE HIGHEST GOOD OF

ALL concerned happen.

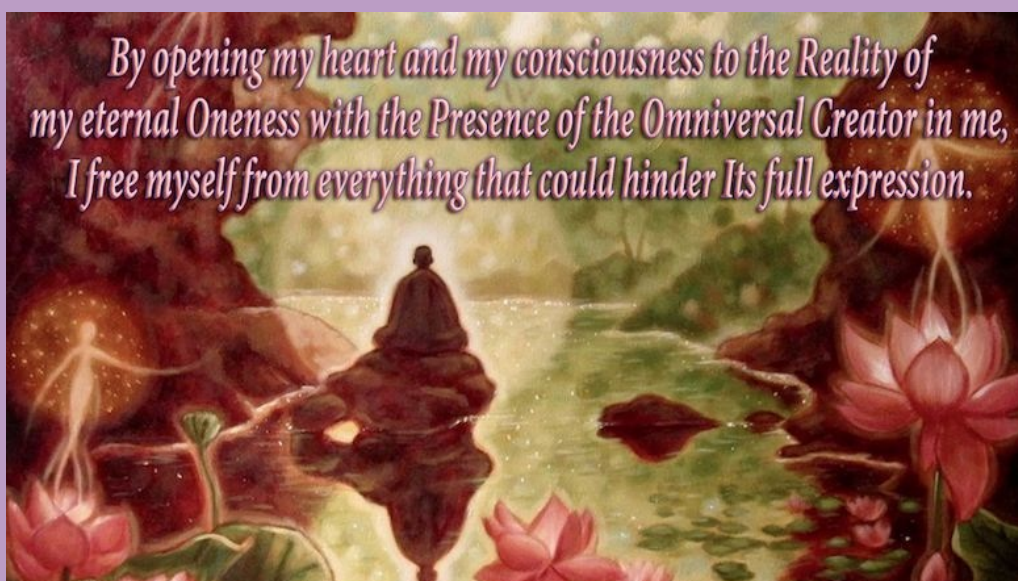

I give thanks that this is done.

SO BE IT!

So it is.
