of the

Miracles of the Spheres

**Also known as
The Angels**

of

Zagol
Beloved,

We teach the children of God of the powers of cosmic spheres.

**We teach creating miracles with help
from other children of God of other planetary spheres.**

"In my fathers house are many mansions."

**Similar to obtaining help from spiritual essences of plants,
or from beautiful oceans,**

or from great teachers,
or from ancient teachings,

we are a specific group of heavenly hosts that help with
transference of consciousness,
and information,
from other spheres.

As humanity has pondered the planets over centuries,

*we have inspired philosophies concerning different
planets and their divine attributes.*

Roman and Greek mythology,

native American, Oriental, and other cultures,
are full of teachings
concerning divine identities of planets
and their powers
and qualities.

Each letter of our name,

as with all the names of the heavenly hosts,
represents a divine quality or virtue,

which creates a specific state of awareness that has specific
results.

Z-A-G-O-L

*ZWe train abilities to translate abstract ideas into easily
understandable terms and to send and receive messages
through the air*

with great endurance and resiliency.

*We awaken remembrance of all lifetimes on earth and on
other spheres.*

*A and umlaut A, aeWe access all divine wisdom, artistic
talents, eloquence, selected mystical abilities, rituals, and
ceremonies.*

*We enhance mental functioning to the degree of being able to
tap into other spheres and domains beyond the earth.*

*We inspire release of imperfection for transformation into
other states that are the highest good of all.*

*GWe confer peace in the spirit, true divine blessings, and
help seekers discern the working of grace in all spheres and
planes.*

*Umlaut O, eu, and OWe help the children of God see all
through the eyes of love and awaken indwelling perfection.
We help them attain discerning judgment and the realization
to grasp the purpose of any intervention by Divine
Providence for the sake of Justice.*

*LWe teach how to spiritualize the emotions in order to
perfectly attune to, and become one with, any and all divine
virtues.*

If a child of God places him or her self in any sphere with the
mental body,
in which he/she intends to use visualization and emotions of
a desired outcome,

or the ancient language to invoke divine virtues,
for the purpose of manifesting spiritual perfection,
he or she can evoke, into this sphere,
beings from other spheres,
in exactly the same way as if he/she were doing it in our
physical sphere.

**The Law of One,
the highest good of all concerned,
must be observed *especially when working with the miracles
of the spheres.***

**Just as there are no two snowflakes alike, no two pathways to
miracles are alike.**

And yet, they are similar, as snowflakes are similar.

**The most important step to remember,
whether working within or working with other spheres and
beings,
is to clearly visualize in meditation a desired outcome,
clearly visualize and meditate on an outcome of love which
results in happiness for all,
and flow with the joyous emotions of that manifesting.**

**Our influence is felt in contemplation of the spiritual
essences of interplanetary spheres
when there is desire for help from them.
We teach how to enjoy and obtain wisdom and healing
from the interplanetary spheres through meditation and
evocation.**

**Similar to obtaining help from spiritual essences of plants,
or from beautiful oceans, or from great teachers,**

**there is a specific group of heavenly hosts that helps with
transfer of consciousness,**

information and help from other spheres .

**When help is desired from interplanetary spheres
and from the heavenly hosts and angels that circle these
spheres,
we facilitate seekers to use the cosmic language of meditating
on divine outcomes and qualities,
just as is done with the heavenly hosts and angels of the
zone girdling the earth.**

**Just as different people have unique expressions of different
gifts of the spirit,**

**different planets also have different spiritual qualities and
gifts.**

As above, so below

Each of the planets is a manifestation on the physical plane

**of different combinations of divine attributes
of beingness, will, intellect, emotions and sensations.
As humanity has pondered the planets over centuries,**

**we have inspired philosophies concerning different planets
and their divine attributes.**

**Even though there are many planets throughout the
omniverse,**

**it is our joy to list a few of the divine attributes of the
beautiful planets in the zone girdling the earth:**

Mercury inspires receptivity of Wisdom.

Jupiter inspires Creative Wisdom.

Venus inspires receptivity of Divine Love.

and when you desire their help to manifest the Love, Wisdom,
and Will of Divine Perfection.
We are the angels of sphere miracles.
Call on us.
MIRACLES**

The whole of planet Earth
is a sacred site.
All people are the chosen people,
and the purpose of our lives
is a spiritual one.

May we care for each other,
and for the earth, for everything
relates to everything else.

Feeling this oneness,
may we radiate the light of love
and kindness that all may live
in unity and peace.

Footnotes:

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth,

and the angels who work with him or her.
The being and the angels share the same name.

This name is a key to their powers and influence.

* Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Due to my symbiotic relationship with all
Life on Earth, what I do to it, *I do to myself.*

Feel free to share these messages.

**The Law of One is the original law of Creation, and is the
supreme Law over all laws in all dimensions.**

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I AM one with all there is;

***I ask that only THE HIGHEST GOOD OF ALL concerned
happen.***

I give thanks that this is done.

SO BE IT!

So it is.

Living only
in the
physical,
mental and
emotional
realm
makes
energy
limited...

Tap into
the
Spiritual
dimension
and
energy is
limitless...
