[PDF version](#)

Note: A major cable outage in my area has kept me offline since Friday morning, so I'm sending all the angel messages to bring us up to today's message, which is 1 Leo, in order for your files.

If you are using these messages to interpret astrological charts, remember to round up to the next degree.

For example, if a planet is 6 degrees and 58 minutes Cancer, round up to 7 Cancer, as the planet has gone through the entire 6th degree and is already 58 minutes into the 7th degree.

Notice for a few moments the crop circle that appeared a year ago yesterday, July 18th in Wiltshire England.

What do you feel in your heart when you look at it?

What do you think?

**Angels of the Music of the  
Spheres**

Also known as  
The Angels of

***Mennolika***

**Beloved,**

As people learn to flow with divine love and other  
tangible feelings in the body of emotions of other divine  
virtues,  
they become much more sensitive to love and holy  
feelings flowing to and from all creation.

Experiencing these feelings opens up

more and more chemical changes in the body  
that result in clairvoyance, clairsentience, and other  
gifts of the spirit.

At this point, it is easy and natural to hear  
music coming from the Earth, and also from other  
planets .

We are the heavenly host that help them discover the  
music of the spheres.

Just as mountain ranges or beautiful sunsets inspire  
souls with the majesties of Divine Being,  
so too can the contemplation of the sounds and  
frequencies of divine qualities of all planets and spheres  
inspire lofty wisdom and states of ecstasy.

"In my Father's house are many mansions."

We serve the Creator in this way.

We inspire abundance of knowledge, ecstasy, majesty and  
happiness flowing through the deep skies.

We help awaken the experience of the beauty of celestial  
music.

Through the inspiration of the divine virtues of our  
name,  
we flood the children of light with music of the spheres.

When seeking to flow with the music of the spheres,  
meditate on these virtues.

Each letter represents a unique divine quality.

*M-E-N-N-O-L-I-K-A*

**M**We are masters of the process of transformation, the  
principle of fluidity,  
especially emotions, sensations and life spirit.

**E**We infuse ordinary with cosmic consciousness and  
inspire awareness of the divine omnipresence  
throughout manifestation.

**NWe are attuned to happiness,  
the seventh heaven of delight.**

**NWe help the children of God experience happiness, and  
learn to control the mind world,  
in order to see and understand the mental stage of  
maturity of self and other,  
and have the ability to enhance the problem solving  
abilities of others.**

**umlaut O, eu, and OWe open the eyes with love divine to  
see indwelling divine perfection in creation,  
for the purpose of transmutation.**

**We bring contentment, poise and the power to evoke  
harmony emotionally, and mentally.**

**We inspire highly discerning judgment and appreciation  
of the working of fate.**

**LWe teach Quabbalistic methods of charging medicinal  
remedies to effect cures and restore vital energies.**

**The Quabalistic methods are the meditations of the  
divine virtues on the level of will, mind, emotion, and  
sensation.**

**IWe work with breathing practices that also enliven and  
restore life.**

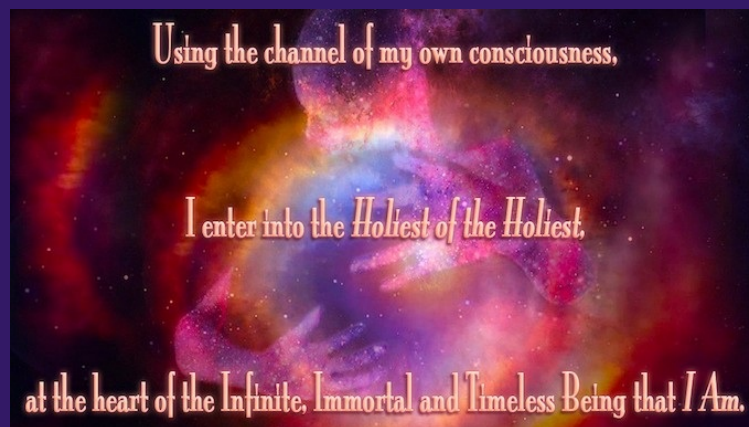

**KWe empower seekers to manifest ideas at will.**

***A and umlaut A, aeWe are masters of the mind world,  
with our main focus being on how the Quabbalistic  
utterance of different letters that represent divine ideas  
and qualities should be done to effect different  
purposes.***

***This utterance of divine qualities is understanding the  
divine virtues that each letter represents,  
and using the meditation of each divine virtue in will,  
mind, emotion, and sensation.  
We help with the recognition and release of  
imperfections for transformation.***

Know that it is we who are with you when you feel the  
ecstasy of the music of the spheres.  
Call on us when you gaze at the heavens and sense the  
infinite beauty and greatness of God.  
We join our consciousness with yours.  
We are one with the majesty of Divine Consciousness  
manifesting as the heavens.

As we help unify consciousness with Divine Qualities of  
interplanetary spheres during meditation,  
our specialty is rapture brought about by celestial music.

Hearing the celestial music of the spheres is a source of  
supreme happiness, faith, vitality and youthening,  
as the splendor and majesty of divine being flows  
through emotional states.

We awaken clairaudience and other gifts of the spirit  
that come through contemplating the original purity of  
all ideas in Divine Mind.

Every emotion and thought creates dramatic chemical  
changes in the body.

Flowing celestial music awakens thoughts and emotions  
that lead to youth, health, and ultimately, if desired, to  
immortality.

**Oftentimes in the stories of saints there are accounts of hearing celestial music.**

**This celestial music awakened faith and divine insights and revelations.**

**In the story of the birth of Jesus, the three wise men that followed the star to the manger experienced this beautiful music sometimes.**

## MIRACLES

## Footnotes:

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name. This name is a key to their powers and influence.

\* Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

**The Law of One is the original law of Creation,  
and is the supreme Law over all laws in all dimensions.**

**THE LAW OF ONE**

**We are all one.**

**When one is harmed, all are harmed.**

**When one is helped, all are helped.**

**Therefore, in the name of who I AM ,**

**and I AM one with all there is;**

**I ask that only THE HIGHEST GOOD OF ALL concerned  
happen.**

**I give thanks that this is done.**

**SO BE IT!**

**So it is.**
