master of fate.*

and perfect clarity of flowing life giving Divine

We inspire clarity and perfect purity of flowing Divine emotions so that fate can be mastered.

Emotions are magnetic and attract new realities into physical manifestation.

By flowing with emotions of highest divine purity and clarity, the highest fates can manifest.

Check your emotions.

What are you feeling?

These emotions are attracting your experience of physical reality now.

Learn how to let imperfect emotions flow with focus and empathy and unconditional love for those parts of your self that are generating them, so that they heal naturally.

Just as comforting an upset child helps joy

**return to that child,
so does comforting those upset parts of yourself
help joy to return.**

**Emotions purify just as water does in the
presence of love,
when they are not bottled up,
but validated with empathy,
and are allowed to flow freely.
without causing more harm to self, others, or
property.**

**Our natural state is joy,
and life everlasting,
and emotions will naturally return to joy
when they are healed from all previous
wounding.**

**In this way they change and transform and
become more Divine, life giving, and beautiful.**

**By flowing in this way, in an atmosphere of
empathy and compassion,
emotions that have been painful change, and
become positive and happy once again.**

**Insights into previous emotional traumas arise
as old wounded emotions flow in safety,
bringing forgiveness and understanding of self
and others and the understanding
of why these events were allowed to happen by
the higher self to gain wisdom.**

**Much wisdom has been gained through these life experiences.
Give thanks.**

Once painful emotions are healed through flowing, stay with them as they become ever more beautiful and clear.

By flowing freely in an atmosphere of unconditional gratitude , happy emotions become even more happy, pure, clear and divine.

All emotions are this way, and flowing spins them into new higher frequencies, just as water molecules spin through flowing so that their surface tension protects them from impurities.

**Love conquers all.
Mastery of flowing emotions through unconditional love changes fate.**

"Love conquers all."

Love is the only vibration that transmutes everything in creation, for it knows we are all one, and desires the highest good for all concerned.

All emotions, of self and others, can evolve if they are allowed to flow in atmospheres of Divine Love.

If your emotions or someone else's are not happy and beautiful, then they need to heal, and those parts of yourself or themselves that are generating them need to heal as well.

By tuning in to emotions with empathy and love, your present time self is acting as an observer

**and healer ,
and,
as you know from Quantum Physics,
an observer affects what is observed.**

Healing happens naturally when observing is done with LOVE.

That is the miracle of love.

In this way your present time self re-parents the wounded inner child selves of the past.

In this way, LOVE CONQUERS ALL within, even through time and space.

As the inner world changes, the outer world does too.

We ask you not to be afraid or ashamed of your emotions when they are negative.

These emotions are normal and appropriate in response to wounding of the soul in unhappy circumstances of life.

Observe these emotions with Divine Love, and experience healing as they flow in meditation with your empathy and faith.

We remind you that in your choice of parents, country, gender, race, class, health, time, genes, and other circumstances of life, your soul embraced your present fate.

With guidance of Divine Providence itself, you chose this particular fate for your highest good.

Your choice was designed to give you the greatest chance of development in your journey to perfection.

The influences of fate, once chosen, can be favorable or unfavorable, easy or difficult.

If a fate is unfavorable, it was chosen because opportunities exist to learn the virtues of patience, fortitude, surrender, faith, service, humility, courage, persistence, compassion, strength, understanding, cause and effect, among others.

If a fate is favorable, it was chosen because opportunities exist to attain the virtues of happiness, satisfaction, joy, love, education, pleasure, abundance, beauty, power, and freedom, service, among others.

We help you understand your chosen fate.

We also inspire enlightenment so that even the most difficult fate can be transformed and transmuted into perfection.

We remind you that Divine Providence only allows each person to take on a fate that is most suited to his or her best development.

Divine Providence never allows a soul to take on more than it can accomplish.

We help people with the circumstances of fate.

Easy or difficult, we help them know that all is in Divine Harmony, that all is working out as it should.

This understanding itself changes fate.
We help each person call forth those virtues and qualities from Omnipresent, Omnipotent, Omniscient Divine Being that are required to successfully work with individual circumstances.

We make sure that each fate unfolds as it was intended.

When you desire to change your fate, we answer, for this desire itself is the beginning of the

change.
We teach how to serve through unity with the
omnipresent, omnipotent,
and omniscient will and love of Divine
Providence for the highest good of all.

We inspire emotions of flowing Bliss, and
highest Love, Wisdom, and Power.
*By learning how to flow with emotions of
highest Divine Purity and Clarity,
a person prepares to enter the gateways
of Leo, which are attunements to Divine
Omnipotence.*

Footnotes:

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name. This name is a key to their powers and influence.

* Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon. This book is helpful for understanding present day political issues.
