The Angels of Love and Rapture

Also known as

The Angels of

Jvar

Beloved,

**Spiritual love is the ultimate magnetism that attracts
amazing changes of divine beauty,
in the intentions, mind, emotions, and bodies of self and
others, and in the world.**

**Spiritual loving emotions attract beneficial changes in all
realms.**

As divine love flows through the emotional body

***blood chemistry in the physical body changes dramatically
for the better.***

**Divine love is the emotion with the strongest magnetic
power,
this love attracts original divine perfection into form on
the material plane.**

***Emotions of Divine Love therefore are the greatest
treasure,
to be directed and protected wisely.***

**When harmony on any level of life is missing,
attuning to emotions of the rapture of Divine Love restores
it.**

***Spiritual raptures, with their loving emotions, are
so powerful***

***that they attract miraculous changes into every
level of awareness,***

and especially physical manifestation.

**Remember that the rapture of divine love flows as
an infinite ocean through all time and space.**

By slowing down and entering the silence within,

and asking divine beingness within you for help,

**we help you embark upon and sail this ocean of
divine cosmic love in consciousness,
directing the winds of enlightenment**

with free will aligned with omnipotent Divine Will

for the highest good of all.

**Flowing emotions of Divine Love awaken harmony in being,
will, thought, emotion and sensation.**

**Enlightenment, transformation, and inner guidance guide
these currents of love.**

**We inspire people to remember that as divine love is
directed in positive ways**

**through will power attuned to Divine Being,
powerful magnetism attracts beautiful miracles in all
worlds of self and others.**

**LOVE EVERY ASPECT OF YOURSELF.
LOVE EVERYTHING THAT COMES UP,
PHYSICALLY, MENTALLY, EMOTIONALLY, AND SPIRITUALLY.**

Just as a mother loves and comforts a small child,
so comfort your own inner being.

In so doing, the inner being is healed.

**Then it will be natural and easy to also love and transmute
everything
in the outer world with unconditional divine love.**

**Flowing Love attracts beneficial changes in weather and in
behaviors and forms of all beings,
including the animal, plant, and mineral kingdoms.**

**If negative or wounded emotions run unchecked and are
left to play themselves out in harmful ways,
destruction is the result,
like a powerful storm that destroys everything in its path,
or a parching drought that brings devastation.**

**We help, through the rapture of love,
to safely heal wounded and frightened emotions of the
inner child**

who has somehow survived previous emotional traumas.

**This same love discovers and reveals the power of
radical forgiveness for self and others.**

**Just as a nondestructive storm can be very beautiful,
and brings much needed rain and other benefits to nature,**

so too powerful outbursts of enlightened emotions of divine
rapture and love
bring great beauty and nourishment

through will aligned with Divine Being.

**We reveal to the children of light the
wonderful potentials of flowing divine love.**

**We understand the keys of emotional mastery through
willpower and enlightenment.**

*We inspire mastery of how to direct the energy of love into
miracles.*

**We are happy when you call on us,
the Angels of Rapture and Love,
when you need our help.**

*We show you how to be as a mighty ship sailing the
seas of love,*

*safely riding heaving cosmic seas of change ,
directing the winds of enlightenment*

*with free will aligned with all powerful faith and
Divine Will.*

Great is the joy, the exuberance,

the wild freedom of loves mighty flows
in winds of enlightenment and inner guidance.

Footnotes:

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name. This name is a key to their powers and influence.

*** Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.**

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6,

**and information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].
Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.**

These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book,

"Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

If you have these, is helpful to read Frabato the Magician first, with appendixes, and then read appendixes from the other three for background.

Feel free to share these messages.

To understand Universal Consciousness, and immortality, it is very helpful to read the first three volumes of *The Life and Teachings of the Masters of The Far East* by Baird Spalding

The first three volumes are field notes taken on a scientific expedition to Nepal in the late 1800's.

**The Law of One is the original law of Creation,
and is the supreme Law over all laws in all dimensions.**

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

**Therefore, in the name of who I AM ,
and I AM one with all there is;
I ask that only THE HIGHEST GOOD OF**

**ALL happen concerned .
I give thanks that this is done.
SO BE IT!**

So it is.
