**Beloved,**

**We help each person go deep within and connect with Divine Mind,  
and omnipotent faith,  
and focus cosmic love with guided beautiful visualizations  
of heaven on earth.**

**At this time connections between heavenly hosts, angels and people  
are very powerful in minds and hearts of those who seek Heaven to be  
completely  
manifested on Earth.**

**Desires for experiencing loving joy and unity  
are ever more clearly felt.**

**We help people learn about the art of meditation.**

**We reveal how powerful is the art of conscious use of being, will,  
visualization, thought,  
emotion and imagined sensation  
to bring divine virtues into creative manifestation.**

**We teach more clearly how manifestation works  
through powers of love flowing through a divine heart,  
and joyful clear imagined visual images of what is desired deep within.**

**We inspire understanding on how to manifest what you want,  
how to be, will, visualize, emote and sense divine situations and virtues.**

**In this way manifestation is certain.**

***"For I have given you dominion over all creation."***

**We help people apply correctly the divine virtues in analogy to the laws of creation, with the aim of spiritualization.**

**Remember, no one has to face the task of healing and uplifting self or humanity alone.**

**There are orders upon orders of Angels and heavenly hosts that will help with every conceivable purpose and need when you ask.**

*"Ask and ye shall receive."*

*"Knock, and it shall be opened unto you."*

*"Seek, and ye shall find."*

**As a person masters the ancient language of meditation, and evokes miracles to bring Heaven to Earth, multitudes of heavenly hosts come when help is requested.**

**Together as one we accomplish whatever spiritualization is necessary to heal, uplift, and bring forth joy for humanity and all sentient beings.**

**It is important to visualize the desired outcome as already happening.**

**Visual images are the language of the brain.**

**When visual images are combined with beautiful flowing emotions, of the desired outcome already manifesting, the necessary electro-magnetic codes are released into the quantum field.**

**Combine this with requests for additional support in manifesting the desired visualizations, and amazing miracles become ever more easy.**

**It is important to request that all be done in ways that are the highest good of all concerned.**

**The more the heavenly hosts are called, the more the interconnections of people and hosts of heaven are experienced.**

**Remember, we are all one.**

**Just as the arm is not separate from the leg,**

or the mind separate from the heart,  
so two are those who are in incarnation one with conscious awareness  
everywhere.

The more that calls for help are sent in meditations through strong  
clear visions  
of what is desired already manifesting,  
the more power and love and wisdom increase.

Creation is woven on the warp and woof of time and space.

The zero point of power in time is NOW.

By visualizing and feeling a desire already happening,  
the codes of NOW are sent out,  
instead of codes of the past or future.

By visualizing and feeling something happening HERE,  
the codes of HERE are sent out,  
instead of somewhere else.

Visualize love's desires as happening here and now already.

Imagine HERE as everywhere through the divine virtue of  
omnipresence.

Imagine NOW as the eternal now forever, again through the virtue of  
omnipresence,  
which is the virtue of letter E of our name.

Like everything else in life, the more something is repeated,  
the easier and more automatic it becomes.

We also reveal how important gratitude is in manifesting change.

By first giving thanks for the current situation  
or state that you wish to change,  
and then asking for transformation,  
a field of non resistance is created  
for the change to take place.

*"Give thanks for all things, for that is my will concerning you."*

*"All things work for good to those who believe."*

When a divine virtue has been experienced as self, willed, visualized,  
emoted and sensed twice everywhere,  
in the Akasha, which is consciousness-penetrating all,  
with an additional sixty times of deep focus in the mental sphere,  
and four hundred times of deep focus in the emotional sphere,  
making 462 times in all,  
a permanent volt is created.

This volt of divine energy is so powerful that henceforth,  
just willing it causes instant manifestation of that divine quality or  
virtue.

*All that I do ye shall do and more.*

We help people co-create with Divine Providence with absolute courage  
and conviction,  
knowing that this is the meaning of having dominion over all that is  
created.

**Through the divine virtues of the letters of our name, we attune each seeker to manifest Divine Virtues in practical and physical ways.**

**In this way, all of the Divine Virtues, such as power, enlightenment, cosmic love, justice, creativity, inspiration, grace, supreme happiness, and transformation, etc. manifest now in both the inner and outer worlds,  
of self and others.**

**We come to assist from the realms of Omnipresent, Omnipotent, Omniscient Divine Consciousness that indwells All in the Web of Life.**

**We come with unconditional all-encompassing love.**

**We give insight into the laws of creation to manifest Divine Virtues that are needed in any situation.**

**Call on us.**

**When one is helped, all are helped.**

### Footnotes:

**The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.**

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name. This name is a key to their powers and influence.

Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

If you have these, it may be helpful to read Frabato the Magician first, with appendixes, and then read appendixes from the other three for background.

Feel free to share these messages.

*The Law of One is the original law of Creation,  
and is the supreme Law over all laws in all dimensions.*

#### THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I AM one with all there is;

I ask that only THE HIGHEST GOOD OF ALL concerned happen .

I give thanks that this is done.

SO BE IT!

**So it is!**
