The Angels of Cosmic Love

Also known as

The Angels of

Odac

Beloved,

DIVINE BEINGNESS IS LOVE.

Ancient teachings reveal that flowing feelings of LOVE

**are the strongest and most powerful
of all Divine attributes.**

LOVE alone conquers ALL.

**The quantum field is malleable to love,
and spontaneously ignites into divinity in love's
presence.**

**Love from the heart is plasma,
or life energy,
and creates a tube torus field around the body
that is at least 10 feet in diameter.**

**We inspire programming the subconscious and
superconscious minds
to desire and visualize only the highest good of all,
grounding in loving flowing of the heart.**

miracles happen.

**Cognition brought about by flowing love divine
processes trillions of bits of information a second
to heal and bless all with the highest good.**

**We are all one.
What affects one affects all.
Whether harm is done to self, to help others,
or harm is done to others, to help self,
harm begets harm,
and all are harmed.**

**In enlightenment, the virtue of the 3rd letter of our name,
the oneness of the many is understood.**

**When one loves one's own divine self, it is effortless to love others.
When others divinely love you,
it is because they have first found love within for their own divinity.**

Love is the cure.

Where love is not, there is stress.

Stress is a cause of disease and dysfunction.

Feelings of LOVE are the remedy.

**Feelings of DIVINE LOVE are the source of all alchemical
transformation and transmutation.**

Love brings The Omega, which is justice and harmony for all.

**Feelings of LOVE are the source of Creativity and the perfection of
matter.**

**LOVE manifests The Alpha and brings The Omega,
the beginning and the end
as Heaven manifests on Earth.**

**Ancient teachings say that when people want to heal the world,
it is imperative that they heal their own inner worlds first.**

Feelings of Love heal and greater LOVE is the result of healing.

**Any imperfection on any level can be transformed through the powers of
feelings of love.**

**Thank these creations, for the experiences and lessons they have taught
you and others.**

**Love them and respect them, and in so doing they thankfully return to
states of grace.**

**Fear, judgment, anger, shame and guilt are compressed information
caused by lack of love.**

**By loving that which has not been loved,
healing happens.**

It is love that transforms and heals.

We are made in the image and likeness of Divine Being.

Divine Being is love.

When a child of light responds to imperfections within the self or within others with flowing feelings of love, miracles of change happen.

"God's love is like the sun, it shines equally on the good and the bad alike."

I, of myself, can do nothing.

It is the Father within, it is He that doeth the works.

It is true that in the beginning and in the end, all are one in awareness with Divine Being.

However, in the cycles of life between the beginning and the end, a person believes him or her self to be separate from God. When under the illusion of separation, a person may feel helpless, as if he or she can do nothing.

"Ask and ye shall receive."

When an individual desires alignment with Divine Will for the highest good of all concerned, help from Divine Providence is provided when asked.

The Angels of Cosmic Love transform feelings of separation into feelings of loving Unity with Divine Being and all creation.

What you do to the least of these you do unto me.

This transforming love awakens enlightenment and wisdom, and spiritualizes will, mind, feelings and sensations in meditation.

In Divine Unity of flowing feelings of Cosmic Love, cycles of time are mastered.

Old realities can be dematerialized, and beautiful loving realities materialized.

All illusion of separation is transmuted. Then can PERFECT GOD IN PERFECT FORM manifest in each and every person.

"All that I do, ye shall do and more."

In this state there is no time between asking and receiving.

This is an ultimate teaching and ultimate healing.
This is Heaven on Earth.

We, The Angels of Flowing Feelings of Cosmic Divine Love
were with you as you entered incarnation.

We surrounded you in your prenatal development.
We rejoiced when you took your first breath as an infant.

We are with you as you grow in spiritual perfection.

We are in rapture as you experience The Exalted State of Oneness with
Divine Being.

Through the divine virtues of the letters of our name,
we teach people the power of flowing Cosmic Love to transform the
world.

I and the Father are One.

Odac

Umlaut O, eu Umlaut O is dark orange, has the musical note of D-sharp, is the element of akashic-earth

which has the sensation of weight penetrating everything.

The ovaries and testicles are formed from this virtue of the profound cognition brought about by
Love Divine

. In healing, heal the left ovary first and then the right one.

*

*Akasha: In the principle of consciousness penetrating all, the umlaut O oscillation evokes the most
profound cognition*

which can only be brought about by love divine.

By the help of this a person gets to know all the possibilities of transformation of the spirit,

*all the systems and ways serving this end,
and all knowledge concerning transformation in all other fields.
He/she is informed about everything that, deriving from the act of creation,
had to pass through all the mode of transformation to be reunited.*

*A person must attain all the faculties that are offered by this profound cognition made possible
by Love Divine,*

*in the principle of consciousness-penetrating-all, and must make use of all possibilities,
in order to get convinced that they cannot be described by words, by must be experienced, lived
through.*

*I have mentioned the letters umlaut A and umlaut O as the last ones in this series of exercises,
because by the help of their virtues*

the crown of all wisdom in the micro- and macrocosms, from the act of creation to the present
state of evolution,
and even to the final development.*

*

*Mental: Evoked in the intellect, the virtue of profound cognition brought about by love divine
gives the understanding of the transformation of ideas, virtues, etc. by the quabbalistically
pronounced word,*

*

*Astral/ emotional level: In the feelings, the virtue of profound cognition brought about by love
divine d
velops the faculty of perfect astral projection and the mastery of all occult*

and magical phenomena that have reference to transformation,

*so that a person may, for instance, assume any desired vibration in the emotional body
without being recognized by other beings and with only Divine Providence seeing through him/her.*

*Apart from this, a person is able to transform any emotional oscillation
into the oscillation he wants and to do the same with any element.*

*

*Material: When mastered in the physical body, the profound cognition brought about by love divine
leads to perfect knowledge of quabbalistic [the use of will, thought, feeling, and sensation] alchemy
in the material world.*

*A person is taught the true preparation and charging of the philosophers stone in the physical
sense.*

*He/she can influence, at will, any oscillationatomic, oscillation, electronic oscillation- by
quabbalah,*

and he/she is able to transform it into the oscillation desired by him/her.

Therefore he/she perfectly masters the laws of transmutation

and is able to transform any metal into gold, any stone into a precious stone, etc. if desired.

*By the help of this virtue a person is furnished with many other faculties
of which he/she cannot even dream now and which non-initiates would regard as absolutely
impossible.*

This opens the virtue of justice and harmony, O, which shines with an ultramarine blue light.

*

Being

to change into other states that are the highest good of all concerned.

negative beings,
negative beliefs, thoughts, feelings, and possessions.

Footnotes:

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name. This name is a key to their powers and influence.

Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

If you have these, it might be helpful to read Frabato the Magician first, with appendixes, and then read appendixes from the other three for background.

Feel free to share these messages.

The Law of One is the original law of Creation, and is the supreme Law over all laws in all dimensions.

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM that I AM,

one with all;

***I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED
happen.***

I give thanks that this is done.

SO BE IT!

So it is.
