**1 degree Virgo**

## **The Angels of Politics**

**Also known as**

**The Angels  
of**

**Peresch**

Beloved,

Divine will, mastered in the thirty degrees of Leo,  
now enters  
the Constellation of Virgo.

As the fifteenth degree of Leo,  
the previous constellation,  
the purest essence of Divine Will,  
taught that balance in the use of will is necessary,  
the Constellation Virgo represents balancing divine service to self  
with divine service to others in practical ways.

*Divine Will moves into Virgo,  
and materializes heaven on earth in practical  
everyday ways.*

Therefore, in this first degree of PRACTICAL DIVINE WISDOM,  
we inspire practical wisdom in politics, so that life is in alignment  
with the highest good of all.

A tree has many leaves, branches, and roots, but it is one tree, one  
life, that lives in them all.

The health of the tree depends on the health of the individual parts  
and vice versa.

The role of politics is to safeguard the health of the whole at the  
same time  
that it safeguards the health of individual parts, equally.

*All life strives toward Divine Light,  
towards spiritual perfection,  
towards beauty.*

The longing for spiritual perfection is the virtue of the first letter of  
our name.

Just as there is one unified life existing in the many parts of a tree,  
yet each part is individually aware and necessary to the health of  
the tree,  
so there is one life in the many parts of creation.

All the parts long for a balance between individual awareness and  
unity awareness.

The letter P represents the virtue of both the individual part and  
the collective,  
desiring this awareness of unity.

This unity awareness, the omnipresence of divine consciousness in  
all life,

is the virtue of the second and fourth letter of our name.

The first duty, the highest service of all,  
is representing omnipresent, omnipotent, and  
omniscient  
Divine Being, which exists throughout creation in  
everything.

*"What you do unto the least of these you do unto me."*

*"I and the Father are ONE."*

The myths of the grail king,  
and many other sacred stories throughout the  
universes,  
explain this ideal of guiding all of creation,  
letters P and E and R,  
with the help of the highest omnipotent  
DIVINE LIGHT  
AND  
WILL OF GOD,  
letter SCH.

*Therefore, in the original blueprints of divine mind,  
politics derives from ones highest loyalty  
to individual spiritual perfection  
equally  
with spiritual perfection of all life,  
with all sentient beings.*

No price is too great to pay, no task too daunting,  
for the king or politician who serves Highest  
Omnipotent Will  
for the highest good of all,  
and pursues the goal of  
the GREATEST SPIRITUAL PERFECTION FOR ALL.

Such a person is inspired with and realizes the  
interconnection of all life.

*By seeking harmony for every part in this  
interconnection of all life,  
the well being of even the least of God's creatures is  
perfected.*

This is done THROUGH CLEAR INNER GUIDANCE,  
which is the divine virtue of the letter, R, of our name.

Inner guidance connects a server in each situation to the POWER  
BY WHICH DIVINE PROVIDENCE CREATES THE FIRST  
OUTPOURING  
OF DIVINE CREATION, the original light and fire, the divine virtue

of letter SCH.

**This original POWER IS REGARDED AS THE HIGHEST VIRTUE.**

*[The sound of SCH is considered one letter in Quabbalah, the highest and original letter.]*

**The heart knows that it is the WILL OF THE MOST HIGH  
for people to serve Creation,  
protect Creation,  
and uplift and guide Creation  
in the GREATEST SPIRITUAL PERFECTION and beauty.**

**The divine archetype of the enlightened politician or  
king  
is  
THE WISE AND FAITHFUL SERVANT OF DIVINE WILL  
FOR THE WORLD,  
THE PEOPLE,  
THE EARTH,  
AND ALL INNOCENT CREATURES OF THE EARTH.**

**The least widow or orphan or humble creature finds  
protection  
and grace from SUCH A PERSON,  
one who is in a divine position to rule.**

**When inner guidance awakens desires to serve the  
world in sacred political ways,  
and bring greater spiritual perfection for all,  
to protect freedom and independence,  
to bring clarity of the highest divine blueprints from  
Divine Providence,  
we help remove all obstacles.**

**Heaven thus inspires political persons  
with the divine virtues of the letters of our name,  
Peresch.**

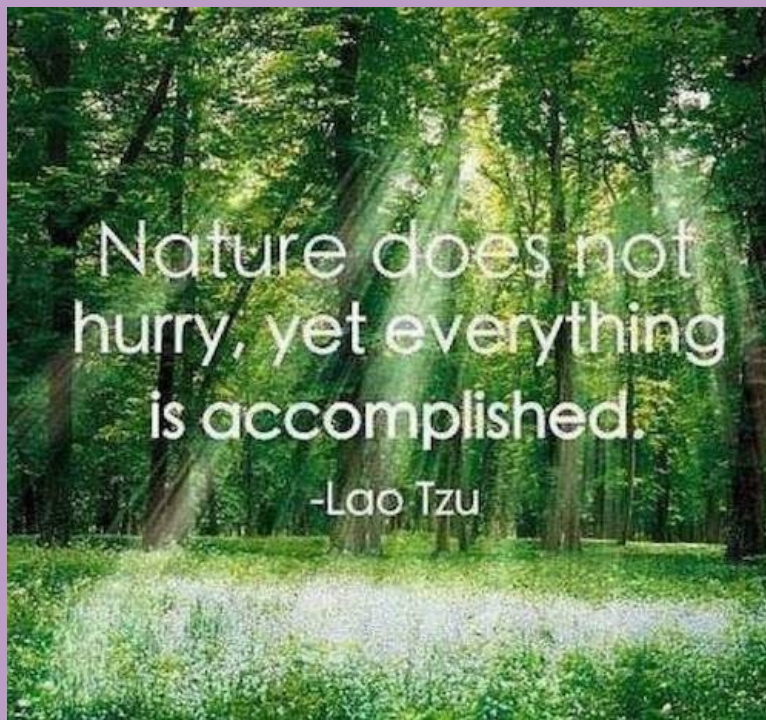

**We are the heavenly host who,**

depending on the degree of development and maturity of mankind,  
cause this or that idea to come to importance  
and we help determine social attitudes.

***We help determine the duration of a political power,  
and let political views have failure or success,  
as Divine Providence orders it.***

**We are at the time in the natural cycles and rhythms of Life that  
awakening mankind  
fulfills ORIGINAL BLUEPRINTS FOR HEAVEN ON EARTH.**

**This has been known in ancient teachings as the ancient future, or  
the ALPHA AND THE OMEGA.**

**As with any dawn, the darkness before the appearance of the Suns  
first rays heralds good tidings.**

***IT IS TIME FOR ALL POLITICIANS TO LEAD IN  
JOURNEYS  
OF HIGHEST SPIRITUAL PERFECTION for ALL,  
TO PROTECT FREEDOM AND INDEPENDENCE,  
TO BRING CLARITY AND REMOVE ALL OBSCURITY  
FROM THE DIVINE BLUEPRINTS FOR HEAVEN ON***

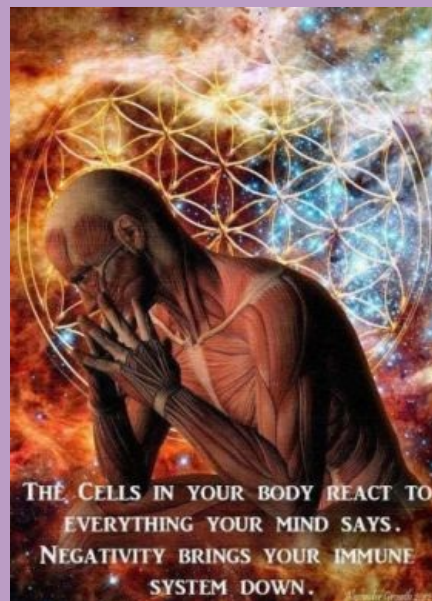

## ***EARTH.***

***If you wish it, we help you with a high political career,  
and equip  
you with the faculties of an excellent orator, so that you  
know how to bind people by word.***

***We inspire almighty faith in the divinity of unity and  
individuality both,  
with mastery over powers of consciousness.***

***The powers of consciousness are known as the elements  
of fire, air, water, and earth,  
which are flowing frequencies  
of desires, thoughts, feelings, and sensations in inward  
awareness,  
so that the eye is single and the body is filled with light.***

**THE CELLS IN YOUR BODY REACT TO  
EVERYTHING YOUR MIND SAYS.  
NEGATIVITY BRINGS YOUR IMMUNE  
SYSTEM DOWN.**

***We help you align with infinite faith and omnipresence  
of original divine will  
for the highest good of all concerned.***

***We also equip you with toughness and endurance  
which remains without comparison so that you can  
realize all of your wishes.***

**Inwardly, the Constellation Virgo opens receptivity to Divine  
Wisdom  
to be expressed in practical ways in the material world.**

**When you call upon us, the heavenly host of the first degree of  
Virgo,  
we inspire you in the five levels of initiation  
represented by the divine virtues associated with the letters of our  
name.**

**"We must do away with the  
absolutely specious notion that  
everybody has to earn a living.  
It is a fact today that one in ten**

**thousand of us can make a technological  
breakthrough capable of supporting all the rest. The  
youth of today are absolutely right in recognizing  
this nonsense of earning a living. We keep inventing  
jobs because of this false idea that everybody has to  
be employed at some kind of drudgery because,  
according to Malthusian- Darwinian theory, he must  
justify his right to exist. So we have inspectors of  
inspectors & people making instruments for  
inspectors to inspect inspectors. The true business  
of people should be to go back to school & think  
about whatever it was they were thinking about  
before somebody came along & told them they had  
to earn a living."**

**Richard Buckminster Fuller (1895 – 1983)**

## **Peresch**

***P***

***The first level is that of the longing for spiritual progress,  
spiritual perfection, beauty, and highest spiritualization, in general.***

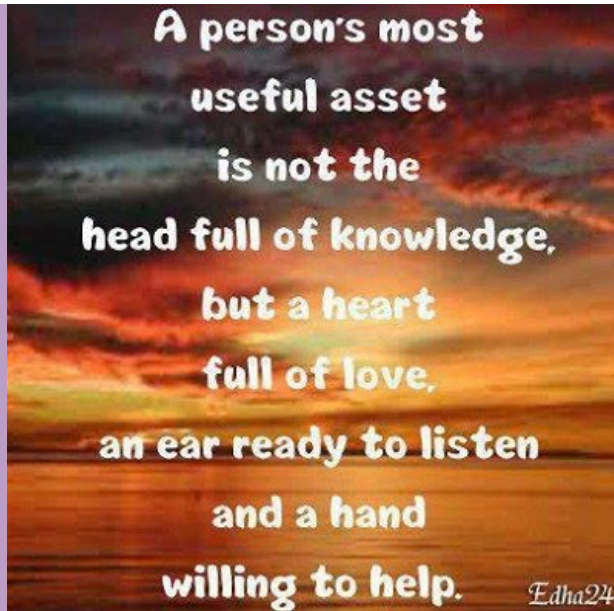

***Here you will feel the desire to strive upwards to the Divine Light,  
and sense an ever increasing profound longing for unification with the four  
qualities of divine will, thought, emotion, and form.***

***Enlightenment will awaken on how divine love, which is incarnated into every human being,  
will constantly urge you to be  
connected to divine omnipotence,  
love and wisdom and to have these incarnated within yourself.***

***This longing for unification with the four  
basic divine qualities, God incarnate in will, thought, emotion, and form,  
is a specific sensation which is only comprehensible to the  
practical expert and which one may live through but never be able to explain.***

***This virtue has a dark gray color, has the musical note of B, is the  
earth element so it has a sensation of gravity and weight, and the right side of the nose is formed  
from it.***

*E*

*The second initiation is into universal consciousness, which represents, as a divine idea and virtue, its omnipresence in everything that has ever been created.*

*This will unite your normal consciousness with the universal consciousness, with the cosmic consciousness, so that you can attain, in the akasha principle omnipresence yourself. This is known in oriental wisdom as Nirvi-Kalpa-Samadhi.*

*You will attain the highest form of intuition in your mental world, you will be able to transfer your consciousness so that there exists no sense of time and space.*

*Divinity in His highest form will be able to speak through you.*

*The most profound mysteries of materialization and dematerialization will become obvious to you as you master this, everything that is material may be transferred back into its refined and most subtle form and any idea can be intensified in such a way that it will become physically visible.*

*The color of this virtue is deep violet, the musical note is D, the element is akasha, which has the sensation of God-penetrating-all, and the spine is formed from it.*

*R*

*This is the sound of the divine virtue of independence and freedom.*

*After learning all of the virtues associated with all of the letters of the alphabet in order starting with A, by the time you reach the letter R you have achieved a state of maturity by which your feeling of independence has been transformed into an absolute state of security and unimpeachability.*

*Mentally, you will have an eminent mind and the feeling of freedom of will and action.*

*Not only this, but also the state of maturity in which you will never violate a law, having yourself become a master of all laws.*

*In spite of your freedom of will, you will find yourself willing to subject yourself freely to Divine Providence, and accept missions to serve Divine Providence with deep humility, immense gratitude and the highest devotion without losing your feeling of absolute freedom of will in any way.*

*Such great ingenuity will proceed from this that you will be able to comprehend any knowledge quickly and without difficulty.*

*The color of this virtue is gold, the musical note is C, the element is earth so it is felt with a sensation of weight, and the left side of the nose is formed from it.*

*E*

*The fourth level is a repeat of the second, which is immersion into consciousness universal, immersion into the omnipresence of Divine Consciousness in everything that has been created, the unification of your consciousness with the consciousness of God in everything.*

### **SCH**

*This is the virtue by which Divine Providence creates the first outpouring of divine creation.*

*It is regarded as the highest virtue.  
The virtue of Sch connects both original light and original fire,  
and thus indicates the non-manifestable omnipotence.*

*The S oscillation is the original fire [all penetrating will]. The  
K oscillation is the original light [omnipotence].*

*The Sch therefore represents the original principle superior to the  
K and S.*

*This is the original masculine electric force of DIVINE WILL.*

*Its color is blazing red. Its musical note is C. It is the element of fire so it is felt with warmth.*

*The brain is formed from this virtue.*

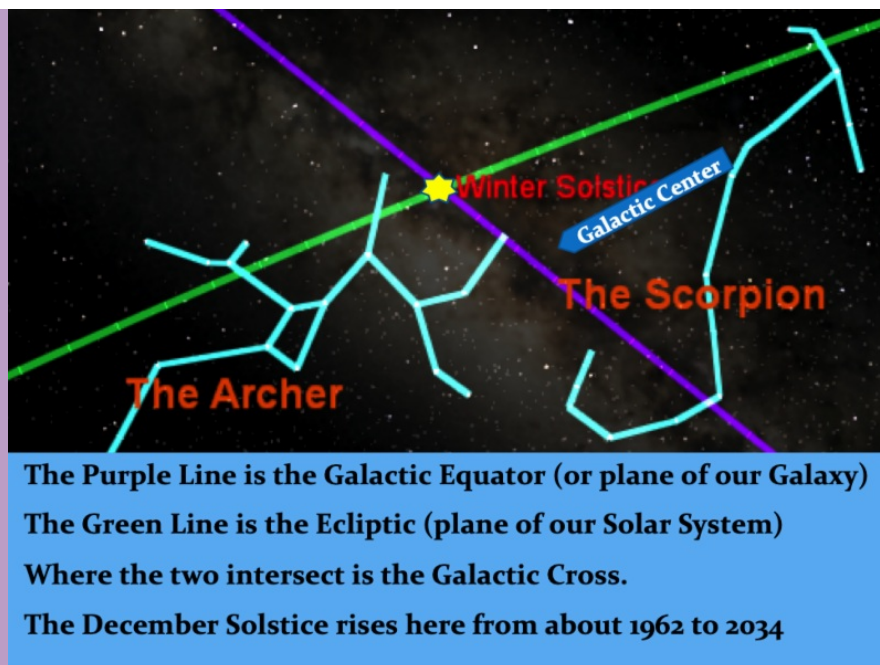

*We are the Angels of the first degree of Virgo, the Angels of World Service in the role of politics.*

*Take your time and practice carefully the five meditations that we have  
outlined here for you when receive guidance from within to serve in a position of political power.*

*Even if you find yourself suddenly thrust in a political situation where you need our help,  
or if you wish to help another who is serving in politics,  
call on us, the heavenly host of P-E-R-E-Sch and we assist for the highest good of all concerned.*

### Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name.

This name is a key to their powers and influence.

Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.
