**Beloved,**

**Great are joys of heaven as teachers and students  
connect.**

**The heartbeat and rhythms  
of the heavens beat within  
each of us.** Harold W. Becker

**In Islam, there is an ancient name for those we serve;  
the name is The Rasuls,  
the Rasuls of God.**

**It means; THE GREAT TEACHERS AND PROPHETS.**

**It is through the long line of spiritual teachers stretching  
throughout history,  
through their deeds and through their words written down in books,  
that divine sparks have remained alive even through the darkest  
nights.**

**So great is the the full scope of grace and mercy that comes  
through acts of teaching,  
that the angels of heaven stand in awe at the power and majesty of  
teaching and the written word.**

**All creation rejoices  
as sparks of divine cognition burst into flames of higher  
understandings and abilities.**

**We are heavenly hosts that inspire teaching in its widest  
applications.**

**All teachers, writers, journalists and editors are inspired and  
protected by us.**

**Teachers have the divine joy of taking burdens  
of ignorance  
and fear from students,  
and transforming these into spiritual growth  
and opportunities.**

**For this reason, it has been said that there is no greater calling and no greater act of service.**

**Teachers following spiritual inner guidance  
are Divine Initiators of those whose lives come under their sphere  
of influence.**

**They do this by being conduits of High Cognition, Grace and Mercy,  
Transmutation, Harmony and Justice, Enlightenment and  
Happiness.**

**It is said that over 80% of communication is nonverbal.**

**A great teacher communicates by being an example of divine  
awareness.**

**Divine teaching is a function of the higher intellectual faculties,  
of cognition in its highest sense.**

**The soul is eternal, and before the present life many experiences  
have been acquired in the journey to perfection.**

**Through the divine virtues  
represented by the letters of our name, Zagriona,  
teachers renew intellectual gifts and talents that have been**

**acquired in former lives.**

**All kinds of artistic faculties are awakened.**

**Abilities of clothing abstract ideas into words that are easy to grasp develop.**

**Great cheerfulness and skills in bringing about gaiety and amusement are heightened.**

**Flowing feelings of supreme happiness awaken the greatest learning in both teacher and students.**

**When people call upon us to help with teaching others, we are happy to secure not only divine abilities themselves but also means by which they can be successful in a career.**

**To bring about a general increase of intellectual talents and abilities in self and others, meditate on the eight divine virtues represented by the letters of our name.**

**Z**

**Higher cognition, remembrance, the actual merging with past life abilities.**
