## The Angels

of

## Religion

Also Known as

The Angels

of

## Argaro

Beloved,

*We design and empower whatever forms of religion deemed necessary,  
for the purpose of grace,*

*for each time,*

*culture,*

*and place.*

*We are custodians of all religions of the world  
from the beginning of mankind  
to the modern ages.*

*We protect and empower all relics, holy places,  
temples, churches, statues of saints, and pictures of saints.*

*We do this so that people may find  
and unite  
with Divinity that lies equally within them  
and all around them,  
in their inner and outer worlds.*

**Broad studies of different scriptures and pathways reveal eternal truths,  
as they have been revealed by Divine Providence to different peoples.**

**Heavenly hosts are instructed by Divine Providence  
to bring about forgiveness and reconciliation,**

**grace and mercy,**

**love and justice**

**between different religions**

**at this time**

**so that their teachings are shared more fully.**

**We reveal the pure eternal divine essence of omnipresent being**

**that all religions point toward.**

**As this happens, full pictures emerge from all of the pieces of the spiritual puzzle.**

**Like many pathways leading to the top of one mountain,  
the destination of unity with divine beauty is reached.**

Through the divine virtues of *Argaro*, we protect and guard religions and relics that are the highest good for all concerned.

We help people understand the divine meanings of religions and relics.

Many divine virtues are universally revealed in religions of the world.

We have similar powers to other orders of heavenly hosts who work with the impregnation of physical matter with spiritual qualities.

We help establish and protect working religions that use such physical forms.  
For example,

if a Child of Light creates a special clearing in a grove of trees in a forest,

through the divine virtues of *Argaro*,

this spot may be consecrated as sacred and empowered with divine qualities.

The heavenly hosts of *Argaro* protect and guide this place and those who worship there,  
from that time forth.

Remember that through the divine virtues of *Argaro*,  
we protect and guard religion and relics in ways  
that are the highest good of all concerned.

We help people understand their divine meanings

and apply them in creative ways  
to attract flowing emotions of grace and mercy  
to present time situations.

In this way, upon entering sanctuaries and consecrated temples,

consciousness can connect through inner guidance  
with all pure divine virtues and attributes  
represented by the physical structures themselves.

When gazing upon portraits of spiritual masters and saints,

very real and powerful bonds  
can be created between peoples consciousness  
and the consciousness of those in the portraits.

We help unveil the hidden truths that lie within the forms.

Statues that weep, and relics that exhibit miraculous effects,  
are all administered and protected by the heavenly host of *Argaro*.  
Divine Providence ordained that such physical manifestations of divinity exist.

These relics are charged with divine qualities and exist  
as ways for people to focus attention and unite with Divine Being.

By meditating on the following virtues

it is possible to create and receive  
the divine virtues hidden in any religion or sacred object.

## MIRACLES

## A

**The highest wisdom and enlightenment.**

*This sound [a soft a like a sighahhhhh] and virtue is an initiation into the highest wisdom and the purity of all its existence.*

*This has as a fundamental feature the enlightened mind. Reasoning, perception, the cognition of the most profound truths, highest knowledge, high intelligence, and the arousing of all intellectual faculties are expressed.*

*Musical gifts, eloquence, poetic talent, and clairvoyance, clairaudience, the art of levitation, and the control of element and its beings are all aroused by this initiation.*

*On the physical plane the command of the beings of the air, control over storms, are all made possible by initiation into the highest wisdom.*

**The color of wisdom and enlightenment is light blue, the musical note is G, the element is air so it has the sensation of ease, and the lungs are formed from it.**

**This opens the virtue of transformation, umlaut A, ae, the release of imperfections for changes into other states that are the highest good of all.**

**By releasing all previous limited vibrations and associations connected to an object, and seeing through the eyes of divine love [umlaut O, er], the object's most perfect frequency can be revealed.**

## R

**This is the sound of the divine virtue of independence and freedom, of following carefully inner guidance.**

**Inner guidance is the direct connection with Divine Providence Itself.**

*After learning all of the virtues associated with all of the letters of the alphabet in order starting with A, by the time you reach the letter R you have achieved a state of maturity by which your feeling of independence has been transformed into an absolute state of security and unimpeachability.*

*Mentally, you will have an eminent mind and the feeling of freedom of will and action.*

*Not only this, but also the state of maturity in which you will never violate a law, having yourself become a master of laws.*

*In spite of your freedom of will, you will find yourself willing to subject yourself freely to Divine Providence, and accept missions to serve Divine Providence with deep humility, immense gratitude and the highest devotion without loss of your feeling of absolute freedom of will in any way.*

*Such great ingenuity will proceed from this that you will be able to comprehend any knowledge quickly and without difficulty.*

*By following inner guidance, genius concerning any spiritual religion or object connected to any realm is accessed.*

**The color of this virtue is gold, the musical note is C, the element is earth so it is felt with a sensation of weight and the left side of the nose is formed from it.**

## G

This is Divine Grace, love, and Mercy.

This virtue is one of feelings, or the alpha brainwave state.

Feelings contain compressed information, like a zip file,  
that can be accessed in a rational way by the intellect at a later time.

Flowing emotions of grace and mercy, or true divine blessing, download immense amounts of divine information in a very short period of time.

*In the mind, this virtue gives the experience of peacefulness, and the faculty of giving true divine blessing*

*On an emotional level this virtue gives the feeling of happiness, of complete satisfaction.*

*Situations may be created by means of the elements and the will and feelings causing success and wealth in the world that is for the highest good of all concerned.*

*In the physical world this virtue represents all phases of riches and wealth, of happiness and satisfaction.*

*By this virtue Divine Providence has created abundance and, like the Creator, a child of God may also bring abundance to him or her self or other people, abundance in everything, should that be desired.*

*Spiritual religions and objects that are charged with grace and mercy bring blessings to all who connect with them.*

The color is deep grass green, like an emerald.

The musical note is F.

The element is water, so feel it with the sensation of chill turning to iciness.

See it shining as a tiny sun in the abdomen.

The left eye is formed from this virtue.

A

Wisdom and enlightenment, clairvoyance, clairsentience, control over the air.

Umlaut A, ae

Transformation, life and death.

By releasing anything that is imperfect to Divine Being for transformation into another state, control over negative beings is gained, along with the ability to release and not cling to imperfect states of being, thought, feeling or form.

This virtue reveals that in truth there is no death, only transformation.

R

Perfect freedom and independence, the ability to comprehend any knowledge quickly.

Umlaut O, er

Transmutation of what is perceived by cognition brought about by seeing through the eyes of Love to the Divine.

O

The sound of letter O is the sound of the initiation into the original principle of divine justice.

*Mentally you will be able to give expression to the absolute legality of harmony in all four basic qualities of the elements.*

*You will have a high power of judgement and the ability to comprehend spiritually any legality, any interference with Divine Providence for the sake of justice.*

*You will never be able to condemn anyone unjustly.*

*This will bring about the abilities to create any change in the emotional situations that you find yourself in and have absolute success and happiness on all levels.*

The ability to control emotions is the ability to control the element of water and magnetism, which is the ability to attract.

It is also the ability to manifest anything on the physical level.

This virtue has an ultramarine blue color, the musical note of C, and is the earth element so it has the sensation of weight.

It forms the throat and windpipe.

**Footnotes:**

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth and the angels who work with him or her. The being and the angels share the same name. This name is a key to their powers and influence.

\* Names, phrases, or sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters is referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.
