Water Travel

Also known as

The Angels

of

Hipogo

Beloved,

**Since the beginning of time
we have inspired and watched over those who travel over, under, or
through water.**

**Whether it is swimming, or travel by raft, boat, water
or air flying machines or submarines,
we guide and protect every aspect of water travel.**

We inspire all technology concerning water travel.

***We can show you water travel inventions of the farthest
past or future.***

**For water travel to manifest
according to the original purity of divine intention,
we inspire mental and emotional states of spiritual
being
within the Children of Light that unite them with Divine
Light.**

**This creates conscious cooperation
with beings of air and water who joyfully enhance all
forms of water travel.**

**Through attunement to the divine virtues of the letters
of our name H-I-P-O-G-O,
soundless and almost vibrationless
technologies for water travel,
such as the sailing vessels of old,
protect sensitive hearing of water creatures.**

***It is our job to inspire technologies that replace any
forms of water travel
that cause suffering through damaging sounds.***

**Water and sound correspond to flowing
emotions,
just as fire corresponds to will and desire,
and air corresponds to thought,**

**and earth corresponds to solid physical matter
that has weight, length, width and depth.**

**We reveal how divine emotion and sound affects water
molecules.**

**For example, freeze water and study their crystals under
a microscope.**

**Water crystals of water exposed to positive vibrations
are symmetrical and beautiful.**

**Water crystals of water exposed to fear and suffering are
chaotic and unbalanced.**

**We teach how symmetry and beauty of water crystals
are necessary for entire food chains to thrive,
and therefore for all life upon earth.**

**Flowing emotions of love,
grace and mercy
result in supreme happiness,
which controls coherence.**

**We inspire realization that one of the most important functions of
the children of light
while traveling in water,
and for all water beings of any kind,
is to maintain vibrations of love, grace and mercy, peace and
happiness.**

We are charged by Divine Providence with aiding people to travel in and through waters in ways that protect and enhance the integrity, serenity, and beauty of the water environment and its soundscapes, for all water life, for all sensitive water beings.

Remember that the Human Body is comprised of approximately 80% of Water.

The surface of the earth is 80% water.

Since water is the physical manifestation of the realm of emotions, the control of water is found in the realm of emotions.

By learning how to flow with divine emotions, not only the water in the outer world is mastered, but also the water in the body, and therefore health itself.

Therefore, it is in the realm of Emotions that Water Travel is first mastered.

**By looking at the divine virtues of H-I-P-O-G-O,
the mastery of water travel can be understood.**

**HThe Power of the word is 'speaking' divine virtues
in being, will, thought, emotions, and sensations to manifest
miracles.**

***As any water traveler knows, a peaceful heart,
steady vision and great courage and faith are necessary
for water traveling mastery.***

ICause and Effect, which is the karma law, illumines reaping and
sowing, the mastery of shape,
measure, weight and number. This virtue awakens conscience and
memory as well.

**This virtue along with O, justice and harmony, reveal the importance
of such things as shape in water vehicles.**

PThe longing for Spiritual Perfection is the virtue of seeking beauty
and unity with The Divine Light.
This is a primary cause of the instinct for survival.

Umlaut O, er and O Seeing through the eyes of Love Divine causes
transmutation.

***With this virtue, love reveals the underlying divine
energy within everything, awakens it
and gives control over it in a way that is the highest
good of all concerned.***

**This virtue causes Divine Justice and Harmony, success and
satisfaction
in all endeavors.**

**Seeing through the eyes of love awakens skills and mastery of
metaphysics and astrophysics.**

GGrace and Mercy are flowing emotions of true divine blessing.

***These emotions create a down pouring of divine light,
that are the cause of spontaneous remissions,
karmic healings,
abundance and peacefulness of the spirit.***

**Emotions and water itself contain compressed information, like a
zip file.**

**When grace and mercy are mastered in the emotions,
all kinds of potential tragic timelines spontaneously heal,
so that beauty and peace manifest in physical reality.**

Umlaut O, er Transmutation through Loving cognition.

O... Divine Harmony and mastery of metaphysics and astrophysics.

**We have inspired technology in which speed increases and
resistance decreases
in both ancient and simple technologies.**

**Examples of this are boats with sails and paddles, and with long
flowing shape of hulls.**

**By working with the divine virtues of H-I-P-O-G-O,
the Children of Light are inventing new materials and technology
for travel in or on the water.**

**These inventions result in complete safety and comfort and the
highest good of all life.**

**We are inspiring the means of water travel that are marvels of
recycling
and cleanliness to the water environment.**

***We are inspiring shipbuilders with designs of great
beauty;
inside and out, so that water travel is a
magical spiritual journey in a mystical, heavenly water***

world.

Imagine a sleek graceful boat that is watertight all around, up and down.

Imagine that it goes right through a wave instead of over it.

Correct mystical ratios make such boats impervious to stormy conditions.

The ride is smooth even in stormy weather.

There is so little resistance that no matter what speed the boat is actually going, inside it feels as if the boat is standing still.

The boat is decorated with beautiful color and sounds.

There are lovely furnishings, such as soft curtains draping over doorways and walls, and exquisite furniture.

It has such a beautiful soft inspiring interior!

The boat itself is a meditation chamber, much like a living womb of light.

*Angels Are
Watching Over
You!*

During travel soothing and continuous beautiful music and fragrances of exquisite delight create deep relaxation and regeneration.

A journey can take as long or as short as desired for meditation in reaching the destination.

Upon arrival, emotions of happiness, of being reborn and renewed, bless all.

Every aspect of life, from the simplest organism to the most complex technological creations of mankind, is important in adding to the overall health and spiritual perfection of life.

As people flow in harmony closely with the heavenly hosts and the divine virtues in all areas of incarnate life, divine infinite wonder and splendor manifests perfectly into form.

ON EARTH AS IT IS IN HEAVEN!

**The greatest technology of all is consciousness itself combined
with
knowledge of the interworking of heavenly hosts and beings of the
four elements.**

**When this technology is used properly,
magnificent perfection is manifested with maximum efficiency and
minimum effort
in timely ways in all endeavors.**

All that I do ye shall do and more.

***Travel in great joy and spiritual ecstasies through the
waters of Earth!***

**We are the heavenly hosts of Hipogo
The Angels of Water Travel.**

MIRACLES

Footnotes

**The names and meaning of angel groups come from Quaballah,
which is a very ancient set of teachings which together form a common
precursor, or root, of three of the world's religions:**

**Judaism, Islam, and Christianity.
Each degree of the zodiac is ruled by a high being of the heavenly host in the
zone girdling the earth,**

and the angels who work with him or her.

The being and the angels share the same name.

This name is a key to their powers and influence.

Names, phrases, and sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

The Law of One is the original law of Creation, and is the supreme Law over all laws in all dimensions.

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM, and I am one with all there is;

**I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED happen.
I give thanks that this is done.**

**SO BE IT!
So it is!**
