The Angels *of* Fortune-telling

Also known as

**The Angels
of
*Elipinon***

Beloved,

**We guide seekers of spiritual perfection
to the best methods and fortune-tellers
for their stages of maturity.**

***We help seekers facilitate integration of
higher truths and insights.***

**When a seeker has traveled a long and perilous journey,
reaping past karmas,
and the time has come to embrace higher truth
and thereby create happiness,
and the time has come to understand the laws of cause
and effect,
we often speak through readings of these things.**

**Divine Providence throughout time has often spoken in
this way.**

***We also teach, guide, inspire, and protect
people
who seek to become masters of this art
for the purpose of helping others.***

**We inspire understandings that destinations for journeys of
divination are divine happiness,
with transmutation into perfection,
and harmony for all.**

***From the beginning of time we instruct and train
experts
in the mantic arts and true spiritual morality.***

**As a person creates and interprets a divination,
or map,
of a path of enlightenment,
we inspire changes in awareness
so that FATE is brought to states of happiness.**

**Frequencies of Happiness cause cohesion,
which,
like gravity,
is necessary for creation to exist.**

"For I have not given you the spirit of fear, but of joy, and life everlasting."

**The purpose of divination is to access inner guidance
through working with archetypes
and make corrections,
if need be,
in pathways to spiritual perfection.**

**When there are warnings of karmic hardship,
we help seekers understand causes behind this,
and change the causes and therefore the effects.**

**We do this so that the outworking of divine justice and
harmony
are fulfilled through grace and mercy as much as
possible.**

**This is important to the entire Unified Field of Creation,
because what effects one affects ALL.**

**The fate of the least sparrow affects the divine fabric of universal
consciousness.**

**With Omnipotent Will, wisdom, and Omnipresence,
Divine Providence always intends for everything in Creation to flow
with happiness and joy.**

**By following inner guidance and high inspiration, understanding
cause and effect,
sharing wisdom and insight, a divine fortune-teller becomes a way
shower into higher states of awareness.**

**Even if a person is reading the meaning of the archetypes from a
book,
we enhance awareness so that the words of the teacher who wrote
the book reach across time and space,
and facilitate initiations into higher consciousness.**

**Often both helpful and harmful tendencies of seekers
are revealed, understood, and uplifted through receiving help in
these ways.**

**Combined with desires for spiritual perfection, this lessens
potential misfortunes.**

**Each time this happens,
there is rejoicing in the kingdom of heaven and all creation is
blessed.**

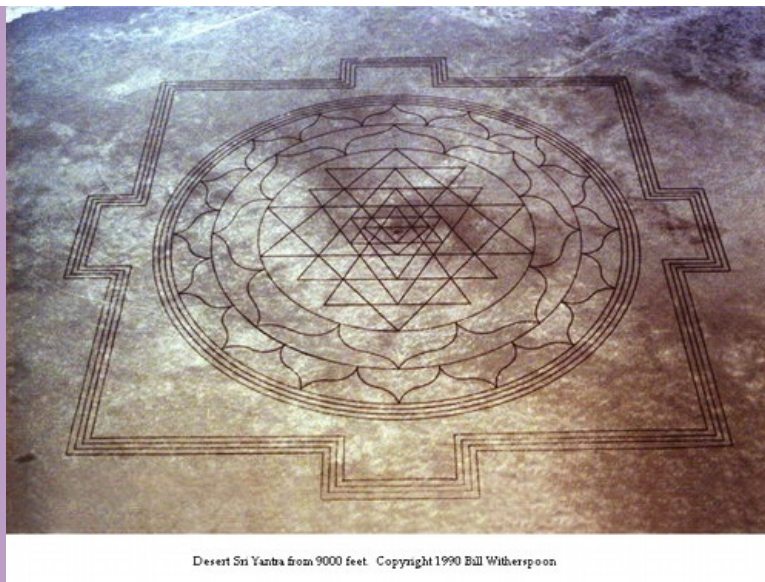

Through the divine virtues of the letters of our name *Elipinon*,
we inspire understanding of analogies between the micro- and the
macrocosm
in the use of tarot,
I-Ching,
chiromancy,
astrology,
and other systems,
that symbolically represent rhythmically unfolding stages of life.
These are blueprints of creation known as archetypes in modern
time.

Everything follows original divine blueprints of perfection.
Different cards and divinatory systems are usually collections of
symbols
that represent stages of understanding and mastering these
blueprints.

Different stages are represented by archetypes.
Archetypes represent different stages of growth that people pass
through in their journeys
to spiritual perfection and maturity.

We inspire intuitive understandings of Universal Consciousness
through these ancient symbols, or archetypes.

*We also inspire seeing symbols form in smoke,
in fire,
in patterns of geese flying over,
among many others.*

Throughout history we inspire mandalas that are used to find and read archetypal development.

These mandalas often reveal, through analogy, the status of peoples psyche and development.

**When we receive an inquiry from anyone using these symbol systems for the highest good,
a connection between the intuitive mind of the reader
and the all-knowing aspect of Divine Mind strengthens.**

How does this happen?

**Let us take a journey through the divine virtues that are symbolized
by the letters of our name.**

Elipinon

EOmnipresence of Divine Consciousness in all things.

***By going into a deep state of pure being and unity with Divine Being and all creation,
a person communicates with the ONE LIFE that dwells in all
and therefore with any person or being through Divine Mind.***

**L...All of the Divine Virtues taken together, the splendor and
majesty of Divine Being,
the source of true morality and vitality.**

***By becoming one with all of the divine qualities taken together,
all becomes possible,
and true spiritual morality is understood and applied.***

**IKnowledge of Cause and Effect, the Karma Law, reaping and
sowing,
memory, conscience and remembrance, the mastery of measure,
shape, number, and weight.**

P Desire for Perfection, the longing for unity with the First Light.

People seek help because deep down they long for survival and for spiritual perfection.

It is important that both the reader and the person being helped seek this spiritual perfection above all else.

"Seek ye first the Kingdom of Heaven, and all else shall be added unto you."

"The kingdom of Heaven is found within."

I Knowledge of Cause and Effect.

NDivine Happiness, the seventh heaven of delight.

This virtue reveals the level of a persons spiritual maturity and awakens desires for self preservation.

***As understanding dawns, greater happiness is the result.
Proper causes are embraced to create effects of spiritual perfection.***

MIRACLES

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.
 The being and the angels share the same name.
 This name is a key to their powers and influence.
 Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6,

and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book, "Frabato the Magician",

gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

Love brings miracles of happiness.

**The Law of One is the original law of Creation,
and is the supreme Law over all laws in all dimensions.**

THE LAW OF ONE

We are all one.

**When one is harmed, all are harmed.
When one is helped, all are helped.**

**Therefore, in the name of who I AM, and I am one with all there is;
I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED happen .
I give thanks that this is done.**

SO BE IT!
So it is.
