**28 degrees Virgo**

## **The Angels of Aeronautics**

**Also known as**

**The Angels  
of**

## **Astolitu**

**Beloved,**

**We are the custodians of many magic keys and secrets.**

**We lead and control aeronautics and all inventions in the field of  
aeronautics,  
for the highest good,  
for the purpose of divine happiness.**

**As people manifest enlightened states of love, wisdom and  
harmlessness,  
we inspire design and choreography  
of flying machines that are ever more wondrous.**

**In previous times,  
we inspired flying machines that make no noise and have  
little or no vibration.**

**These were able to reach speeds that approach the**

**rotational speed of the earth.**

**Heavy loads could be lifted with no effort.**

**In the past, in previous civilizations that are merely hinted at in your most ancient texts, our gifts were misused, and great cataclysmic harm was done as a result.**

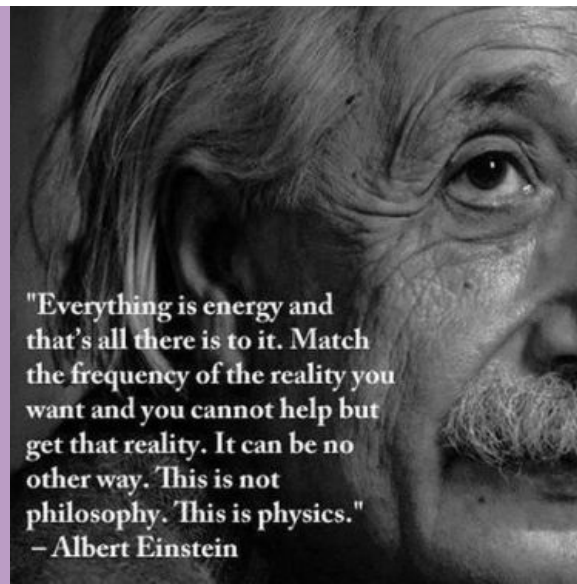

**Because of this, only as the children of God have the proper maturity, will we reveal the deeper secrets of gravity and how to understand and control its power.**

**A natural cycle in the rhythm of Universal Consciousness is catapulting the Children of Light and Divine Flowing Love into higher states of perfection in quantum leaps now.**

**It is the nature of the universe to do so at this time.**

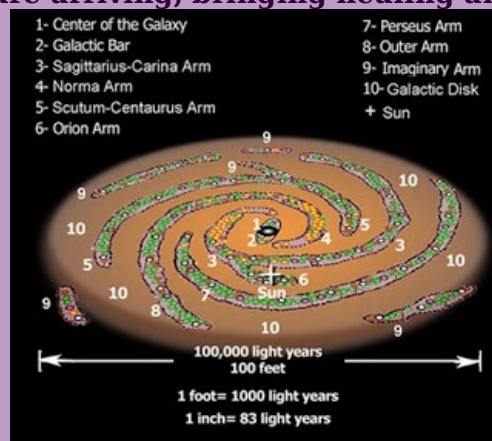

**When states of despair of the life force upon earth reach the point where extraordinary changes become necessary for survival, heavenly hosts respond to prayers that are directed to and heard by omnipresent, omnipotent, omniscient all loving ONE BEING, Divine Providence.**

**Flowing emotions of Cosmic Love, working through the rhythms of life, are encouraging the Children of Light to exist, survive, be supremely happy and reach unification with Divine Light. The omnipresence of Divine Being and the divine virtues and heavenly hosts have all situations in hand.**

**Heavenly hosts are arriving, bringing healing and enlightenment.**

**This is in respect to The Law of One.**

**We say this to you in reference to the fact that soon we can reveal to you even more about the secrets of gravity, for the mass consciousness will be in greater sympathetic resonance and unity with Divine Mind and Love that desires the highest good of all.**

**Already the minerals, the plants, and the animals are in sympathetic resonance,  
it is only right that the time arrive when man and woman are revealed in all of their glory and perfection as sons and daughters of The Divine.**

**For this reason we are excitedly waiting to reveal to you the most exciting inventions of all.**

**As this time comes, call on us, oh Children of Light and Flowing Divine Love!**

**We reveal all to you, and we dance the dances of joy together as you physically soar in the heavens!**

**Together as One.**

**MIRACLES**

# Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions:

Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name.

This name is a key to their powers and influence.

Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL

EVOCAATION, ISBN 3-921338-02-6,

and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH,

ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book "Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.
