## **MIRACLES**

The names and meaning of angel groups come from Quaballah,  
which is a very ancient set of teachings which together form a common precursor, or root, of three  
of the world's religions:

Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the  
earth,

and the angels who work with him or her.

The being and the angels share the same name.

This name is a key to their powers and influence.

Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of  
Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE  
OF MAGICAL EVOCATION, ISBN 3-921338-02-6,  
and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE  
QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important  
information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician",  
gives historical background and was compiled by his German publisher from notes written by Franz  
Bardon.

To understand Universal Consciousness, and immortality,

it is very helpful to read the first three volumes of The Life and Teachings of the Masters of The Far East by Baird Spalding

The first three volumes are field notes taken on a scientific expedition to Nepal in the late 1800's.

On the homepage of website, [www.spiritussanctus.com](http://www.spiritussanctus.com), click on the button at the top menu called SHARE MY WORK.

A window will drop down. Click on Downloads.

A page will open where there are LOTS of downloads to choose from. That should do it.

Thanks for sharing this music.
