of

## Batamabub

Beloved,

Know ye not that ye are gods?

Beautiful and symbolic clothing is an ancient and future art  
of presenting authentically and symbolically  
the divinity of physical bodies of the children of Light and Love.

Through the divine virtues of the letters of our name Batamabub,  
we inspire each person to understand and feel  
the sacredness and ceremonial importance of divine raiment.

With these divine virtues, we bless and guide each step of the process  
of creating garments and headgear, from the initial concept to finished product.

*We inspire enlightenment of each person and make sure that revelations  
of the powers of visual appearance,  
that reveal unique spiritual identity and soul purpose,  
are expressed in clothing worn each day.*

Even more than that, we increase blessings over the years and years and years that each garment,  
made in sacredness,  
is worn and enjoyed.

**It is the highest good of the entire Unified Field  
of Divine Consciousness  
that great beauty, meaning and comfort,  
are enjoyed in clothing worn by Children of Light.**

**The brain communicates in visual images.  
Within one minute of having a thought,  
over a hundred thousand chemical reactions  
occur in the human body.**

**Clothing is a powerful way of inspiring  
enlightened thoughts.**

*We are inspiring awareness that whatever energy goes into the making  
and selling of clothing strongly affects both the person wearing it and  
everyone else around them.*

*We inspire Divine Guidance, beautiful divine feelings,  
and adherence to the original purity of all ideas so that each garment is  
blessed.*

**At this time, spiritual and soul sensitivities of the Children  
of Light on Earth blossom.**

**The influences and importance of awareness and  
consciousness  
on physical appearance  
become ever more acutely felt.**

**Now, more than ever,  
it is important to realize that communication is 80%  
nonverbal.**

**What we wear, the colors, the cloth,  
the overall impact of the appearance of our physical body,**

**on the spirits and souls of those around us,  
is taken into profound consideration.**

**Each person changes the outcome of what unfolds for self  
and others  
in each moment and situation,  
and the choice of clothing has a powerful impact.**

**Clothing is much more than mere convenience,  
social conditioning or habit.**

*We inspire each person on the path to divine perfection to create and  
wear creative garments that out picture uniqueness and individuality of spirit and soul.*

*All fashion designers and dressmakers,  
and anyone who is involved in the making of inspired clothing that is the highest good of all, are  
inspired and protected by us.*

***The dawning of Heaven on Earth brings beauty and  
creativity  
in this wonderful time of the Alpha and the Omega.***

***Now, more than ever, we awaken within the children of  
light the importance of enlightenment,  
and how expressing each one's inner divine unique spirit  
and soul essence  
in choice of clothing  
has profound effects on the quantum field of infinite  
possibilities.***

**The clothes and headgear of mankind have been under our  
influence  
right from the prime origin up to the present day.**

**We have always directed people in their choice of clothes according to climate, weather, maturity, and personal attitude.**

**We have inspired each momentary fashion, so that rank, social position, and religion is taken into consideration.**

**We are inspiring ever greater awareness that whatever energy goes into the making and selling of clothing strongly affects both the person wearing it and everyone else around them.**

of sheep,

The names and meaning of angel groups come from Quaballah,  
which is a very ancient set of teachings which together form a common precursor, or root, of three  
of the world's religions:  
Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the  
earth,  
and the angels who work with him or her.  
The being and the angels share the same name.  
This name is a key to their powers and influence.  
Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of  
Franz Bardon.
