## **The Angels of Opening Hearts**

Also known as

*The Angels  
of  
Rigolon*

Beloved,

**We give assistance when it is important to connect with  
others in love,  
kindness,  
help,  
and understanding.**

**When a Child of Light sees true immortal divinity residing  
in another heart,  
then the true immortal perfection of the divine life  
that keeps this heart beating is reflected back,  
and miracles occur.**

**We all long to be seen through the eyes of love.**

**No matter how wounded a heart is, and how closed,  
cognition brought about by Love Divine opens it.**

**As long as there is life, a heart can be opened.**

*Grace and mercy powerfully opens hearts.*

***Sometimes, if a heart has been extremely damaged,  
numbed out, and inaccessible,  
it may take some time, but even a heart that is carefully  
guarded can be opened through the power of cognition***

***brought about by love divine.***

**Inner guidance will show the way.**

**Deep within the heart of each person, there is a place in which all  
creation exists  
, as well as all potential creation.**

**Here flows the eternal Ocean of Cosmic Love.**

***By entering in to this space within the heart, in self and  
others,  
it is possible to soar in the ecstasies  
of Love Divine, to visualize and dream solutions  
that bring supreme happiness to all.***

***In this space, the ONENESS of all life is experienced as fact,  
and all time exists simultaneously.***

***When you go into this ancient space, ask for awakening of self and  
others  
to the process of working with love  
to create and dream new realities into existence.***

***Divine Providence has ordained that all hearts be opened  
at this time of The Alpha and The Omega.***

***All hearts are opened through the power  
of omnipotent omnipresent omniscient Flowing Divine Love.***

**Love awakens the eyes to see the immortal spiritual perfection and  
truth  
of each Child of Light and each animal, plant and form.**

**>From the beginning of time we have inspired The Children of Light  
to open hearts through the power of flowing divine love  
and see Divine Being in everything.**

**In this way miracles have flowed.**

**Flowing divine love of open hearts attracts Heaven to Earth.**

**An open heart brings forth harmony, grace, mercy and supreme  
happiness.**

**It is the virtue of supreme happiness which reveals solutions to every  
problem.**

***At this time, great healing is immanent,  
for this is the time that has been foretold of great  
happiness.***

***Remember it is written, "...Life, liberty, and the pursuit of  
happiness."***

**We are the heavenly hosts of Rigolon, and we open hearts.**

**We open all hearts.**

**Even the hearts of animals are opened by us.**

**If your own heart has been wounded, and the door is locked  
and you wish  
for it to open, call on us and we shine our flowing Divine**

**Love through you  
and witness the perfection of your spirit and soul, we  
inspire  
others to open their hearts to you and see you through the  
eyes of love.**

**Through the power of such love your heart ignites so  
strongly  
that all are understood and forgiven  
who have caused the wounding of your heart.**

***The power of your love enables you to also see the  
perfection and divinity  
of even your worst enemy.***

***Through your loving forgiveness, their negative karma is  
lessened  
and they experience grace and mercy.***

**In this way the loving truth that shines in your own heart goes out to  
bless the world and all within it.**

**In this way you merge with the All That Is, the Cosmic Ocean of Love.**

**Wars end.**

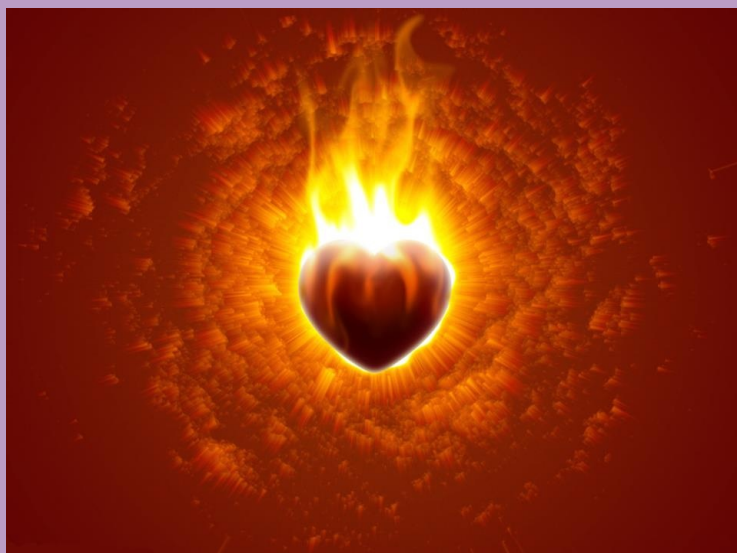

***Always remember that the power of your love for others  
enables you to witness the perfection of the spirits and  
souls of even the worst enemy.***

***Then it is the power of your love that ignites their hearts so  
strongly  
that they are able to also forgive all that has caused their  
woundings.***

***Then they in turn erase negative karma, even for their  
worst enemies,  
and grace and mercy bring supreme happiness, harmony  
and justice, to all.***

***Open hearts open other hearts.***

**Forgiveness creates forgiveness.**

**Negative karma is transformed by grace and mercy for all.**

**This is part of the essence of the prophecy that the second coming would be as the sun rising from the east to the west.**

**We are the Angels of The Open Heart, the Angels of Rigolon.**

***When a heart opens and experiences forgiveness for previous wounding,  
those who caused the wounding are freed from much negative karma.***

***On the mental level, this is analogous to memory, remembrance and conscience.***

***In the emotions, this corresponds to the astral matrix with all of its functions.***

*The astral matrix is the connecting link between the physical body and the feelings.*

*Therefore, the mastery of the virtue of cause and effect controls the connection between the body and the soul.*

*It is a known fact that the astral matrix, and with it the whole body, is kept alive by breathing.*

*With the initiation into karma law, which is the knowledge of cause and effect, you are in the position to get under your perfect control the breath with all of its aspects and ways of application.*

*All mystical abilities are subject to the mastery of breath.*

*On the material world, everything that has shape, measure, number and weight can be understood and mastered with this virtue.*

*The color of this virtue is light opal, the musical note is G, the element is earth so it has the sensation of weight, and the left kidney is created by this oscillation.*

*G This letter symbolizes the divine virtue of grace and mercy.*

*When a child of God creates the reality of opening hearts according to inner guidance and the power of love to see the divinity in everything, forgiveness comes naturally bringing grace and mercy.*

*Umlaut O [eu]*

*Akasha: In the principle of consciousness penetrating all, the umlaut O  
oscillation evokes the most profound cognition which can only be brought about by love  
divine.*

*By the help of this a person gets to know all the possibilities of  
transformation of the spirit, all the systems and ways serving this end,  
and all knowledge concerning transformation in all other fields.*

*He/she is informed about everything that, deriving from the act of creation,  
had to pass through all the mode of transformation to be reunited.*

*A person must attain all the faculties that are offered by this  
profound cognition made possible by Love Divine, in the principle of consciousness-  
penetrating-all,  
and must make use of all possibilities,  
in order to get convinced that they cannot be described by words,  
by must be experienced, lived through.*

*I have mentioned the letters umlaut A and umlaut O as the last ones in this series of  
exercises,*

*because by the help of their virtues one is  
able to comprehend, from the principle of consciousness-penetrating-all,  
the crown of all wisdom in the micro- and macrocosms, from the act of  
creation to the present state of evolution, and even to the final development.*

*Mental: Evoked in the intellect, the virtue of profound cognition brought about by love  
divine*

*gives the understanding of the  
transformation of ideas, virtues, etc. by the quabbalistically pronounced word,  
which is a very great and comprehensive field.*

*Astral/ emotional level: In the emotions, the virtue of profound  
cognition brought about by love divine develops  
the faculty of perfect astral projection  
and the mastery of all occult and magical phenomena  
that have reference to transformation, so that a person may, for instance,  
assume any desired vibration in the emotional body without  
being recognized by other beings  
and with only Divine Providence seeing through him/her.*

*Apart from this, a person is able to transform any emotional oscillation into the oscillation  
he wants and to do the same with any element.*

*Material: When mastered in the physical body, the profound cognition  
brought about by love divine leads to perfect knowledge of quabbalistic alchemy in the  
material world.*

*A person is taught the true preparation and charging of the philosophers stone  
in the physical sense.*

*He/she can influence, at will, any oscillationatomic, oscillation, electronic oscillation by  
quabbalah, and he/she is able to transform it into the oscillation desired by him/her.*

*Therefore he/she perfectly masters the laws of transmutation  
and is able to transform any metal into gold,  
any stone into a precious stone, etc. if desired.*

*By the help of this virtue a person is furnished with many other faculties  
of which he/she cannot even dream now  
and which non-initiates would regard as absolutely impossible.*

*Umlaut O is dark orange, has the musical note of D-sharp, is the  
element of akashic-earth which has the sensation of weight penetrating everything.

youthening and immortality and the drive for self-preservation in self and others.*

*The color of this virtue is olive green, the musical note is F,  
the sensation is the air element of ease, and the organ formed by it is the spleen.*

*Umlaut O, eu,see above*

*OBy becoming one with the virtue of justice and harmony,  
the ability to open hearts is always used according to the absolute legality of harmony.*

*The mastery of this virtue also gives absolute success and harmony  
in any project that is undertaken.*

*Divine Justice is predicated on the Highest Law of All.*

*It is the Law of One and this law states that we are all one,  
and that when one is harmed, all are harmed.*

*Likewise, when one is helped, all are helped.*

*Whenever a heart opens, the entire web of life is infused with love  
in the same way that sound carries in water.*

*The Law of One*

*We are all one.*

*When one is harmed, all are harmed.*

*When one is helped, all are helped.*

*Therefore, in the name of who I AM, and I am one with all there is,*

*I ask that only the highest good of all concerned happen.*

*I give thanks that this is done.*

*So be it.*

The intuitive mind is a sacred gift and the rational mind is a faithful servant.  
We have created a society that honors the servant and has forgotten the gift.
